Section 10. Examinations. Eligibility for original appointment or promotion to vacancies in positions in the classified service occurring after the adoption of this act shall be determined by the Personnel Board. The Personnel Board shall conduct such examinations as will fairly test the abilities and aptitudes of the applicants with respect to the duties to be performed. Applicants who pass the test and otherwise qualify for original appointment or promotion, as the case may be, shall be placed on the appropriate eligible list for the vacancy. The board may refuse to examine, or after examination refuse to certify the name of anyone who is found to lack any of the established qualification requirements for the position for which he applies or who is physically so disabled as to be unfit to

perform duties of the position to which he seeks appointment, or who has been convicted of or is under indictment for any crime involving moral turpitude or who has been guilty of any infamous or disgraceful conduct or who has been dismissed from the public service for delinquency or misconduct or who has intentionally made a false statement of any material fact or practiced or attempted to practice any deception or fraud in his application, or in his examination.

Section 11. Temporary Appointment. Pending the availability of a list of names certified as provided in Section 13 hereof, positions may be filled by temporary appointment. The governing body by resolution adopted pursuant to a recommendation of the board may grant permanent status in a position in the classified service so long as such position remains in the classified service, to any employee who has served in a vacancy in a position then in the classified service by temporary appointment for at least twelve (12) months and who has passed his examination, if at the time of such action by the governing body no such list of names has been so certified for the vacancy in which the said employee is serving.

Section 12. Lists of Names of Persons Available for Appointment. List of names of persons available for appointment to a vacancy in a position in the classified service will be selected for certification as provided in Section 13 hereof in the order in which they appear from among the laid-off persons on the reemployment list, promotional eligible list, original appointment eligible list, and reemployment list composed of former employees for said vacancy, which lists shall have priority one over the other in the order named. A former employee with probationary status with respect to the vacancy may, with the approval of the appointing authority, have his name placed at such position on the promotional eligible list as the appointing authority may designate. Policies and procedures for administering eligible lists and covering the duration, cancellation, replacement, and consolidation of such lists, and the removal or suspension of names therefrom shall be provided in the personnel rules.

Section 13. Method of Filling Vacancies. Except as herein-after provided, vacancies in positions in the classified service shall be filled by the appointing authority by the appointment of a person whose name is certified, within thirty (30) days after certification. Certification shall be made upon the request of the appointing authority therefor whenever a vacancy exists, the appointing authority, in his discretion, determines that such vacancy shall be filled, and the name of an applicant for such vacancy is eligible for certification. If there is a laid-off person on the reemployment list with respect to a vacancy,

only the top name on such list shall be eligible for certification. In the event the top person is not available for appointment, the next ranking names may be certified until the highest ranking person who is available is appointed. In the event there is no such reemployment list, and the names on the promotional eligible list for such vacancy plus the names on the original appointment eligible list for such vacancy equal three (3) or more, the three (3) names ranked highest on the said promotional eligible list shall be eligible for certification; provided, however, should the said promotional eligible list not contain three (3) names, then the names appearing thereon, plus such of the names ranked highest on the said original appointment eligible list as will be sufficient to bring the number of certified to three (3) shall be eligible for certification. If after making reasonable effort it should prove impossible for the appointing authority to locate any of the persons so certified or should it become known to the board that any person so certified is not willing to accept the position, the appointing authority may request that additional names be certified until the appointing authority has available to him a list from which to make the appointment containing the aforesaid authorized number of persons all of whom are available for such appointment and willing to accept the position, or, in the event that the list certified to the appointing authority contains fewer than the authorized number of available and willing persons as aforesaid from which to make a selection, the appointing authority, in his discretion, may choose from the remaining certified names, make a temporary appointment, or make no appointment. In the event that there does not exist an employment list which the board deems to be appropriate from which to fill the vacancy, the board shall prepare such a list within a reasonable time after receipt of the request of the appointing authority that eligibility be certified. Provided however, nothing herein contained shall be construed as preventing an appointing authority, in his discretion, from withdrawing his request for the aforesaid certification, either before or after such certification has been made in response to his request therefor. Whenever a person has been certified to and rejected by an appointing authority three (3) times, the board may remove the name of such person from the eligible list on which his name appeared. A person shall be deemed to have been so rejected by an appointing authority when a vacancy is filled from an eligible list on which his name appeared and such person was not selected to fill the vacancy.

Section 14. Probation. Except as provided in Section 2 and 3, to acquire permanent status in a position in the classified service so long as such position remains in the classified service,

employees shall be subject to a period of probation. The regular period of probation shall be six (6) months; provided, however, the board may adopt rules and regulations specifying a longer period of probation for a designated class or classes, or for extension of the probation period for any individual probationary employee, but no probationary period may extend beyond twelve (12) months. The work and conduct of employees with a probationary status shall be subject to close scrutiny and evaluation. An employee retained beyond the end of the probationary period shall have permanent status in the position in which he was so retained so long as that position remains in the classified service if, but only if, the appointing authority files a written statement with the board affirming the fact that the services of the employee have been found to be satisfactory.

Section 15. Absences: Hours of Work. Rules shall be adopted in the manner hereinbefore provided prescribing hours of work and the conditions and length of time for which leaves of absence with pay and leaves of absence without pay may be granted. These shall cover such matters as vacations, holidays, sick leaves, leaves for military service, and leaves granted so that the employee can seek election to public office.

Section 16. Lay-Off of Employees. Any employee may be separated from his position by being laid-off. Reduction in the number of employees shall be made in such class or classes as the appointing authority may designate; provided, however, within each class affected by such reduction employees shall be laid off in the following order: (1) temporary employees who did not have permanent status in some other position in the classified service at the time they were appointed to their present position; (2) probationary employees who did not have permanent status in some other position in the classified service at the time they were appointed to their present position; (3) other temporary employees; (4) other probationary employees; and (5) employees having permanent status in the position in the classified service.

Section 17. Dismissal, Demotion and Suspension of Employees. Any employee may be dismissed, suspended without pay or demoted by his appointing authority for, but not limited to any violation of the provisions of this act or whenever the good of the service will be served thereby or the employee's work, performance, conduct on or off the job, or insubordinate attitude so warrants; provided, however, that no employee may be suspended without pay for more than fifteen (15) working days at any one time or for more than thirty (30) working days in any one year; and provided further, that no employee shall be dismissed, suspended without pay or demoted for political considerations other than those enumerated in Section

21 hereof. Any person appointed to a position who has secured his certification therefor through fraud shall be removed by his appointing authority and shall not thereafter be eligible for examination for or appointment to any position except by unanimous permission of the board. The appointing authority shall promptly report to the board in writing the fact and extent of all disciplinary action taken by said appointing authority against employees holding positions in the classified service.

Section 18. Procedure for Protesting Certain Disciplinary Action. An employee shall have the right to protest any disciplinary action taken against him by his appointing authority; provided, however, an employee serving by temporary appointment and an employee having probationary status shall have no right to protest any such disciplinary action, unless such employee had permanent status in some other position at the time he was appointed to his present position. An employee desiring to protest any disciplinary action directed against him by his appointing authority shall file a protest in writing with the board and with his appointing authority within seven (7) days of the date on which the disciplinary action was taken and request a hearing before the board. Within seven (7) days after receipt of the protest, his appointing authority shall file with the chairman of the board and mail to the employee by certified mail a statement specifying the charges against such employee on which the disciplinary action was based. Upon the filing of such charges, the said chairman shall call a meeting of the board to be held within thirty (30) days after the filing of such charges to hear such protest, and shall forthwith give notice by certified mail to the employee and his appointing authority of the time and place of such meeting. The board shall have the authority to continue the hearing from time to time as may be necessary. In preparing for and conducting such hearing, the chairman and secretary-treasurer of the board shall each have the power to administer oaths, and to subpoena and require the attendance of witnesses and the production of books, documents and accounts pertaining to the subject under investigation.

Subpoenas issued as herein provided shall be served (and the fees and allowances for the service thereof shall be the same) as is provided by law for the service of subpoena issued by the Circuit Court of Franklin County, Alabama. Said fees and allowances in connection with the service of such subpoena issued at the request of the appointing authority or the board shall constitute reasonable and necessary expenses of the board. Such subpoena issued at the request of the employee shall be served as aforesaid but only after such employee has deposited sufficient security with such sheriff or

other officer as will guarantee payment of such fees and allowances for such service. In the event any person is duly summoned to appear and testify or produce evidence, or both, before the board, and such person refuses to attend or testify or produce such evidence, or any of them, in obedience to such summons, the board shall have the right to invoke the aid of the Circuit Court at law. In such event, and upon proper showing by the board to the court, the court shall issue, or cause to be issued, an order or subpoena requiring such person to appear before the board and produce all evidence and give all testimony relating to the issue within his knowledge. Any person failing to obey any such summons by either of said officers of the board without good cause, to be determined by the court, may be punished by the court in the same method as is provided by law for contempt of the court and any person failing to obey any such order or subpoena of the court,, may be proceeded against by the court as is by law provided in the case of contempt of such court. In addition, any employee of the city who fails to obey any of such orders or subpoenas may be disciplined as provided in Section 17.

At the hearing the employee and his appointing authority shall each have the right to be represented by counsel. Such hearing shall be governed by rules of practice and procedure adopted by the board, and in conducting such hearing, the board shall not be bound by the technical rules of evidence. No informality of procedure in the conduct of such hearing shall invalidate any decision made by the board. At the conclusion of the hearing, the board shall render a decision (a) affirming the disciplinary action taken if it is reasonably satisfied from the evidence offered at the hearing that the disciplinary action taken was lawful or was not too severe; or (b) reversing the action of the appointing authority if it is reasonably satisfied from such evidence that the disciplinary action taken was not lawful; or (c) modifying the disciplinary action taken and prescribing the proper penalty if it is reasonably satisfied from such evidence that the employee was subject to some disciplinary action, but that the penalty imposed was too severe. If the board's decision reduces the severity of the disciplinary action taken against the employee, the board, in its decision, may provide that the employee shall be reinstated with or without pay; provided, however, in the event any employee is so ordered to be reinstated with pay, such pay shall not exceed the amount that the employee as such earned during the thirty (30) days next preceding the taking of the disciplinary action in question. A copy of the board's decision shall be filed with the city clerk of the city and such decision shall become effective immediately upon

such filing, and it shall become final ten (10) days thereafter unless reversed or modified as hereinafter provided. The Personnel Board shall be represented by the city attorney, or an attorney designated by the governing body of the city, and said attorney shall perform such duties as the board may direct and require. Any compensation paid said attorney shall be paid as in Section 22 hereof.

Section 19. Appeal to the Court. Decisions of the board may be enforced in the court by mandamus, injunction, or other appropriate proceedings. The employee, the appointing authority, or the city may, within ten (10) days after the decision of the board is rendered, appeal to said court from any decisions of the board affirming, imposing or refusing to affirm or impose dismissal or demotion as disciplinary action by filing notice of such appeal with the court and causing a copy of such notice to be served on the appointing authority and any member of the board. Upon the filing of such notice, the board shall file with the court a certified transcript of the proceeding had before it with respect to the appeal, and its decision in the matter. The appeal shall be heard at the earliest possible date by said court sitting without a jury on the issues made before the board and the trial in said court shall be de novo. No bond shall be required for such an appeal and the cost of such appeal shall be taxed against the unsuccessful party or as the judge may direct. At the conclusion of such hearing the court may affirm, reverse, or modify the board's decision, or remand the case for further proceedings before the board as the court in its discretion shall deem best. If the order of the court is that the employee shall be reinstated with pay, such pay shall not exceed the amount that the employee as such earned during the thirty (30) days next preceding the taking of the disciplinary action in question. An appeal may be taken from any judgment of said court to the Court of Appeals or Supreme Court as provided by law.

Section 20. Records to be maintained by Board. The board shall maintain adequate records of its proceedings, of its own official acts, the examination record of every candidate, and the employment record of every employee.

Section 21. Political Activities Prohibited. No person holding a position in the classified service shall seek or attempt to use any political endorsement in connection with any appointment to a position in the classified service. No person holding a position in the classified service shall use or promise to use, directly or indirectly, any official authority or influence, whether possessed or anticipated, to secure or attempt to secure for any person an appointment or advantage in appointment to a position in the classified service, or an increase

in pay or other advantage in employment in any such position, for the purpose of influencing the vote or political action of any person or for any consideration. No employee holding a position in the classified service shall, directly or indirectly, pay or promise to pay any assessment, subscription, or contribution for any political organization or purpose, or solicit or take any part in soliciting any such assessment, subscription, or contribution. No person shall solicit any such assessment, subscription, or contribution of any employee holding a position in the classified service. No employee holding a position in the classified service shall be a candidate for nomination or election to any public office, or shall take any part in the management or affairs of any political party or in any political campaign, except to exercise his right as a citizen privately to express his opinion and to cast his vote, unless on authorized leave of absence for such purpose. Any person holding a position in the classified service who violates any provision of this section may be disciplined by dismissal, suspension without pay, or demotion as provided in Section 17 of this act. In addition, any person holding a position in the classified service who wilfully violates any provision of this section shall be guilty of a misdemeanor and upon conviction shall be punished as provided by Section 327 of Title 15 of the Code of Alabama of 1940.

Section 22. Expenses of Board. The governing body shall make necessary appropriations from the general fund to pay the reasonable and necessary expenses incurred by the board and its members in the administration of this act.

Section 23. Right of Governing Body. Nothing herein shall be construed as restricting the right of the governing body (1) to refuse employment and prohibit the further service of any person who is a member of an organization which is opposed to the basic purpose of local self government; or (2) to increase or decrease proportionately the compensation of all employees; or (3) to use independent contractors for performance of work or the rendering of service by the city.

amended, which relates to the levying of a franchise tax on foreign corporations.

Be It Enacted by the Legislature of Alabama:

Section 1. The Code of Alabama 1940, Title 51, Section 348, as amended, is further amended to read as follows:

Section 348. AMOUNT OF LEVY ON FOREIGN CORPORATIONS; CAPITAL DEFINED; CAPITAL EMPLOYED IN STATE; EXCLUSIONS AND DEDUCTIONS.

A. Corporations which have qualified to do business in this state shall for the purpose of this title *prima facie* be held to be doing business in Alabama. Provided, however, in no event shall the amount paid by any corporation for annual franchise tax be less than the sum of twenty-five dollars (\$25.00).

B. Definition of capital.—The total capital of such foreign corporation shall be deemed to be an amount equal to the sum of the following:

1. The outstanding capital stock;
2. Surplus and undivided profits, which shall include any amounts designated for the payment of dividends until such amounts are definitely and irrevocably placed to the credit of stockholders subject to withdrawal on demand;

reasonable depreciation charges, or amortization, so as to restore the depreciable property accounts, for franchise tax purposes, to original cost less depreciation computed on the basis of the useful life of such property to the corporation.

C. Determination of capital employed in state.—The actual amount of such total capital as herein defined which is employed in this state shall be determined in accordance with generally accepted accounting principles appropriate in the particular case and such determination shall establish a rebuttable presumption as to the actual amount of capital employed by the corporation in this state; provided, however, that in the case of organizations whose accounts and records are kept according to rules prescribed by a regulatory agency or instrumentality of the United States or by the Alabama public service commission, or by a state insurance department, the actual amount of capital employed in this state as so determined shall in no event exceed the value of the sum of (1) its tangible property located in this state and (2) its intangible property employed in the conduct of its business in this state.

D. Exclusions and deductions.—(1) There shall be excluded from the amount of capital as determined in subsection B the investment by the taxpayer in the capital of other corporations organized under the laws of Alabama, or under the laws of any other state if such other corporations also pay a franchise tax to the state of Alabama, unless the taxpayer is a dealer in stocks or securities and (2) there shall be deducted from the amount of capital employed in this state as determined in accordance with subsections B and C hereof, the following amounts: (a) The aggregate amount of loans of money made by the taxpayer in this state and which shall be secured by existing mortgage or mortgages to it on real estate in this state and upon which mortgage or mortgages there shall have been paid the recording privilege tax provided by law; (b) the amount invested by the taxpayer in bonds or other securities issued by the state of Alabama, or any county, municipality or other political subdivision of the state of Alabama, or any public corporation organized under the laws of the State of Alabama, unless such corporation is a dealer in securities; and (c) the amount invested by the taxpayer in all devices, identifiable parts of devices, systems and facilities used or placed in operation in the state of Alabama primarily for the protection of the public and the public interest through the control, reduction or elimination of air or water pollution.

Board of Trustees.—The business and affairs of a cooperative shall be managed by a board of not less than five trustees, each of whom shall be a member of the cooperative or of another cooperative which shall be a member thereof, or a person designated by the governing body or board of directors of a municipality or other corporation, respectively, which is a member thereof. The bylaws shall prescribe the number of trustees, their qualifications, other than those provided for in this chapter, the manner of holding meetings of the board of trustees, and of the election of successors to trustees who shall resign, die, or otherwise be incapable of acting. The bylaws may also provide for the removal of trustees from office and for the election of their successors. Without approval of the members, trustees shall not receive any salaries for their

services as trustees and, except in emergencies, shall not be employed by the cooperative in any capacity involving compensation. The bylaws may, however, provide that a fixed fee and expenses of attendance, if any, may be allowed to each trustee for attendance at each meeting of the board of trustees. The trustees of a cooperative named in any articles of incorporation, consolidation, merger, or conversion, as the case may be, shall hold office until the next following annual meeting of the members or until their successors shall have been elected and qualified. At each annual meeting or, in case of failure to hold the annual meeting as specified in the bylaws, at a special meeting called for that purpose, the members shall elect trustees to hold office until the next following annual meeting of the members except as hereinafter otherwise provided. Each trustee shall hold office for the term for which he is elected or until his successor shall have been elected and qualified. The bylaws may provide that, in lieu of electing the whole number of trustees annually, the trustees shall be divided into classes at the first or any subsequent annual meeting, each class to be as nearly equal in number as possible, with the term of office of the trustees to be staggered. At each annual meeting after such classification a number of trustees equal to the number of the class whose term expires at the time of such meeting shall be elected. A majority of the board of trustees shall constitute a quorum. If a husband and wife hold joint membership in a cooperative, pursuant to appropriate by-law provision, either one, but not both, may be elected as a trustee. The board of trustees may exercise all of the powers of a cooperative except such as are conferred upon the members by this chapter, or its articles of incorporation or bylaws."

Section 3. Section 51 of Title 18 of the Code of Alabama 1940, is hereby amended to read as follows:

"Section 51. **Disposition of property**—A cooperative may not sell or lease all or any substantial portion of its property, unless such sale or lease is authorized at a duly held meeting of the members thereof by the affirmative vote of not less than two thirds of all the members of the cooperative, and unless the notice of such sale or lease shall have been contained in the notice of the meeting. A cooperative may mortgage, by mortgage or deed of trust, pledge or otherwise encumber, to secure any indebtedness of the cooperative, all or any portion of its property, assets, and the revenues and income therefrom, from time to time, when authorized by the affirmative vote of a majority of its members at a duly held meeting after proper notice thereof. The board of trustees of a cooperative, without further authorization of the members thereof, shall have full power and authority to authorize from time to time the execution and delivery of a mortgage or mortgages or a deed or deeds of

trust upon, or the pledging or encumbering of, all or any portion of the property, assets, rights, privileges, licenses, franchises, and permits of the cooperative, whether acquired or to be acquired, and wherever situated, as well as the revenues and income therefrom, all upon such terms and conditions as the board of trustees shall determine, to secure any indebtedness of the cooperative within the limit authorized by the members, to the United States of America, any instrumentality or agency thereof, to any financing institution organized on a cooperative plan for the purpose of financing its members' programs, projects and undertakings, in which the cooperative holds membership, any bank or other financial institution lending money or credit to the cooperative."

"1. To purchase, construct, lease, or otherwise acquire real property, plants, buildings, factories, works, facilities, machinery and equipment of any kind.

"2. To lease, sell for cash or on credit, exchange, or give and convey any such property described in subdivision 1 above, to any person, firm, association or corporation.

Such obligations or evidences of indebtedness may (in addition to any pledge or pledges authorized by subdivision 8 of this amendment)

be issued upon the full faith and credit of the municipality or may be limited as to the source of their payment.

"7. To levy and collect annually, in addition to all other taxes now authorized or permitted, a special tax or taxes of not exceeding two percent on the value of all taxable property therein as determined for state taxation, in the same manner as other county or municipal taxes are levied and collected. The bonds, warrants, notes or other obligations or evidences of indebtedness issued hereunder shall not be considered an indebtedness of any municipality in Cleburne County for the purpose of determining the borrowing capacity of such municipality under Sections 224 and 225 of the Constitution; and the taxes herein authorized shall be in addition to those provided for or permitted in Section 215 and 216 of the Constitution and all amendments thereto.

"This amendment shall be self-executing; but the Legislature shall have the right and power by general, special or local

act to adopt laws supplemental to this amendment or in furtherance of the purposes and objectives herein above set forth."

Section 2. An election upon the proposed amendment is ordered to be held on the first Tuesday after the expiration of three months from final adjournment of the current session of the Legislature. AN ACT

To amend the Title and Sections 2 and 4 of Act No. 979 adopted at the 1969 Regular Session of the Legislature of Alabama, pertaining to off-street automobile parking facilities in cities having a population of not less than 100,000 nor more than 200,000 according to the last or any succeeding federal census, which sections relate to the powers of such cities pertaining to such facilities and revenue bonds issued to finance the same, so as to clarify and grant powers regarding the issuance and sale of such bonds, the details pertaining thereto, and the sale of such facilities, and to ratify previous action.

Be It Enacted by the Legislature of Alabama:

Section 1. The title of Act No. 979 adopted at the 1969 Regular Session of the Legislature of Alabama (herein called "the Parking Facilities Act") is hereby amended to read as follows:

"Relating to cities having a population of not less than 100,000 nor more than 200,000 according to the last or any succeeding federal census; providing for the planning, design, location, financing by the issuance of revenue bonds, acquisition of property for, construction, alteration, enlargement, use, maintenance, operation, leasing to others, sale and fostering by such cities of off-street automobile parking facilities in such cities; to provide for the details pertaining to the provisions, sale, and source of payment of and security for such bonds; to exempt from taxation such bonds and the income therefrom, all mortgages executed as security therefor and all lease agreements made hereunder; and to provide that such bonds shall be legal investments for banks and insurance companies organized under the laws of this State."

Section 2. Section 2 of the Parking Facilities Act is hereby amended to read as follows:

"Section 2. Each city within the State of Alabama having a population of not less than 100,000 nor more than 200,000, according to the last or any succeeding federal census, is hereby authorized and empowered to acquire, receive, take and hold, whether by purchase, gift, lease, devise or otherwise, property of every description, whether real, personal or mixed, and to manage said property and to develop any undeveloped property owned, leased or controlled by such city for the purposes herein-after set out; to execute such contracts and other instruments and to take such other action as may be necessary and convenient to carry out the provisions hereof, or to exercise the power granted hereunder; to plan, establish, acquire, construct, enlarge, improve, maintain, and equip parking facilities; to lease or let such facilities or any one or more of them to such tenant or tenants for such term, or terms, at such compensation or rental as the council or other governing body may from time to time direct; to issue interest bearing revenue bonds payable from the limited sources hereinafter referred to; to pledge for payment of such bonds any revenues or funds from which such bonds are made payable; to make and enter into contracts, leases and agreements incidental to or necessary for the accomplishment of any purpose or purposes authorized herein; to sell, exchange and convey and to grant options to acquire, on such terms as may be determined by the council or other governing body, any or all of such facilities whenever the council or other

governing body shall deem such action to be in furtherance of any purpose or purposes authorized herein; to make and enforce rules and regulations governing the use of any parking facilities owned or controlled by said city; to cooperate with the State, any county, city, town, public corporation, agency, department or political subdivision of the State, and to make such contracts with them or any of them as the council or other governing body may deem advisable to accomplish the purpose or purposes hereof; to receive and accept grants for or in aid of the construction, extension, improvement, maintenance or operation of any parking facility from the United States of America or any agency thereof, from the State of Alabama, any department or agency thereof and any political subdivision thereof and to receive and accept money, property, labor or other things of value from any source whatsoever; and to do any and all things necessary or convenient for the exercise of any power herein granted."

Section 3. Section 4 of the Parking Facilities Act is hereby amended to read as follows:

"Section 4. The principal of and interest on any bonds issued hereunder shall be secured by a pledge of and shall be payable solely from revenues and receipts derived from the leasing, sale or operation (to the extent permitted herein) of the facilities constructed, in whole or in part, with the proceeds from the sale of said bonds, and may be secured by a mortgage covering all or part of any project or projects from which the revenues or receipts so pledged may be derived, and may be secured by a pledge of the lease of such project. All such bonds and the interest coupons applicable thereto shall never constitute an indebtedness of the city within the meaning of any state constitutional provision or statutory limitation and shall never constitute nor give rise to a pecuniary liability of the city or a charge against its general credit or taxing powers, and such fact shall be plainly stated on the face of each such bond. Such bonds may be executed and delivered at any time and from time to time, may be in such form and denominations, may be of such tenor, may be in registered or bearer form either as to principal or interest or both, may be payable in such installments, at such place or places within or without the State of Alabama, and at such time or times not exceeding thirty years from their date, may bear interest at such rate or rates payable at such place or places and evidenced in such manner, may be redeemable at the option of the city at such price or prices, after such notice or notices and on such terms and conditions, and may contain such provisions not inconsistent herewith, all as shall be provided in the proceedings of the council or other governing body whereunder the bonds shall be authorized to be issued.

Any such bonds may be sold, at public or private sale in such manner and from time to time as may be determined by the council or other governing body to be most advantageous, and the city may pay all expenses, premiums and commissions which the council or other governing body may deem necessary or advantageous in connection with the authorization, sale and issuance thereof. The city, in issuing any bonds hereunder, is hereby exempted from the laws of the State of Alabama governing usury or prescribing or limiting interest rates, including, without limitation, the provisions of Chapter 6 of Title 9 of the Code of Alabama of 1940. All bonds issued hereunder and all interest coupons applicable thereto shall be construed to be negotiable instruments, despite the fact that they are payable solely from a specified source.

The proceedings under which such bonds are authorized to be issued or any such mortgage may contain any agreements and provisions customarily contained in instruments securing bonds, including, without limiting the generality of the foregoing, provisions respecting the fixing and collection of rents for any project covered by such proceedings or mortgage, the terms to be included in the lease or sale of such project, the maintenance and insurance of such project, the creation and maintenance of special funds from the revenues from such project, and the rights and remedies available in event of default to the bondholders or to the trustee under a mortgage, all as the council or other governing body shall deem advisable and as shall not be in conflict with the provisions hereof; provided, however, that in making any such agreements or provisions a city shall not have the power to obligate itself except with respect to the project and the application of the revenues and receipts therefrom and shall not have the power to incur a pecuniary liability or a charge upon its general credit or against its taxing powers. The proceedings authorizing any bonds hereunder and any mortgage securing such bonds may provide that in the event of default in payment of the principal of or the interest on such bonds or in the performance of any agreement contained in such proceedings or mortgage, such payment and performance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge and collect rents and to apply the revenues and receipts from the project in accordance with such proceedings or the provisions of such mortgage. Any such mortgage may provide also that in the event of default in such payment or the violation of any agreement contained in the mortgage, the mortgage may be foreclosed either by sale or public outcry or by proceedings in equity, and may provide that any trustee under such mortgage or the holder of any of the bonds secured thereby may become the purchaser at any foreclosure sale if the highest

bidder therefor. No breach of any such agreement shall impose any pecuniary liability upon a municipality or any charge under its general credit or against its taxing powers."

Section 4. It is the intent of the Legislature in enacting this act to clarify the powers of cities under said Act No. 979 in the respects herein set forth. This act shall, therefore, be liberally construed as supplemental and cumulative to and in clarification of the powers of such cities thereunder and not in restriction of any such powers; and all actions heretofore taken under said Act No. 979 in conformity with the provisions thereof as amended hereby are hereby in all respects ratified, approved and confirmed.

Section 5. This act is hereby declared to be severable; and should any section, provision or clause hereof be held invalid or unenforceable, such holding shall not invalidate or render unenforceable the remaining sections, provisions or clauses hereof.

Section 6. This act shall become effective immediately upon its passage and approval by the Governor or upon its otherwise becoming a law.

To be elected as a member of the Board of Directors, a person must receive both the vote of a majority of the Senators present and also the vote of a majority of the House members present. Two members of the Board of Directors of the Authority elected by the Legislative Electoral College shall serve for a term of two years, two members of the Board of Directors of the Authority elected by the Legislative Electoral College shall serve for a term of three years, and three members of the Board of Directors of the Authority elected by the Legislature Electoral College

shall serve for a term of four years, as fixed by the Legislative Electoral College, which terms shall commence from the October 1 closest to the date on which they are elected. In the event that seven members of the Board of Directors were not initially elected or the terms of office of such members are not fixed by the Legislative Electoral College, a meeting shall be called in the same manner as hereinabove provided to elect the required additional member or members and to fix the terms of office of all elected members.

The person who under the terms hereof is to give notice of meeting of the Legislative Electoral College shall notify the Mayor or chief executive officer of the largest municipality in the county and the President or Chairman of the governing body of the County whom the Legislative Electoral College elected to serve on the Board of Directors of the Authority.

When the Mayor or chief executive officer of the largest municipality in the county and the President or Chairman of the governing body of the County shall have been notified of the election of the members of the Board of Directors to be elected by the Legislative Electoral College, the said Mayor and the said President or Chairman shall by letter signed by them jointly notify the members of the Board of Directors elected by the Legislative Electoral College of the time and place of the first meeting of the Board of Directors of the Authority. The Board of Directors shall elect a Chairman of the Board and he shall serve as Chairman until his term as a member of the Board, which he is serving at the time of his election as Chairman, expires. The Chairman shall preside at all meetings of the Board of Directors and the Chairman shall have a vote the same as any other member of the Board of Directors.

No person shall be elected as a member of the Board of Directors of the Authority unless he is a qualified elector of the County. Not more than one member of the Board of Directors elected by the Legislative Electoral College or by the Directors shall hold any public office; provided that this restriction shall not apply to the first members so elected.

The members of the said Board of Directors shall serve without compensation except that they shall be reimbursed for actual expenses incurred in and about the performance of their duties hereunder.

In case a directorship held by an elected director becomes vacant during his term his successor shall be elected in the same manner in which he was elected. The successor shall be deemed to be elected for the remainder of the term during which the vacancy occurred; provided, however, that if a person is elected to any vacant directorship during the last six months of any term of such directorship, he shall be deemed elected for the remainder of such term and for the next succeeding term of such directorship. In the event the Legislative Electoral College shall fail for any reason to elect within sixty days after this Act, as amended, becomes applicable to the County the members of the Board of Directors, which this act provides said Electoral College shall elect, then in that event the two ex officio members of the Board (they being the Mayor or chief executive officer of the largest municipality in the county and the President or Chairman of the governing body of the County) and any other member or members of the Board of Directors theretofore elected shall elect such members of the Board of Directors to fill the directorship which the electoral college fails to fill. In the event a vacancy on the Board of Directors occurs which is to be filled by the Legislative Electoral College and the Legislative Electoral College fails for any reason to fill said vacancy within thirty days from the date of the occurrence of said vacancy, the remaining members of the Board of Directors shall elect a member of the Board to fill said vacancy."

To amend Section 3 of Act No. 169, H. 27, Regular Session 1945, (Acts 1945, p. 285), as last amended, which section sets the rates of the forest products severance tax, so as to provide for a privilege tax to be levied against the manufacturer or processor utilizing the forest products; and to provide the manner of levying privilege tax.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 3 of Act 169, H. 27, Regular Session 1945, (Acts 1945, p. 285), as last amended is hereby further amended as follows:

“Section 3. The measure of the tax is at the following rates:

1. On pine lumber twenty (20¢) cents per thousand feet board measure lumber tally. Where the timber is sold as logs and is not converted into lumber in Alabama, the rate shall be thirty (30¢) cents per thousand feet log scale (Doyle rule) except that logs under eight inches in diameter inside bark at small end shall be scaled as containing one foot log scale for each foot of length. 2. On hardwood, cypress and all other species of lumber twelve (12¢) cents per thousand feet board measure lumber tally. Where the timber is sold as logs and is not converted into lumber in Alabama, the rate shall be twenty (20¢) cents per thousand feet log scale (Doyle rule) except that logs under eight inches in diameter inside bark at small end shall be scaled as containing one foot log scale for each foot length. 3. On pulpwood, chemical wood, bolts, ten (10¢) cents per standard cord of one hundred twenty-eight (128) cubic feet. 4. On crossties .6 of one cent per piece and on switch ties one (1¢) cent per piece. 5. On mine ties and coal mine props, five (5¢) cents per 100 pieces. 6. On pine ore mine props, thirty (30¢) cents per thousand feet log scale (Doyle rule) and on hardwood ore mine props, twenty (20¢) cents per thousand feet log scale (Doyle rule) except that props under eight inches in diameter at small end shall be scaled as containing one foot log scale for each foot of length. In lieu of the foregoing schedule of taxes on ore mine props, the taxpayer may elect to pay the taxes due thereon at the rate of one dollar and twenty-five cents (\$1.25) per thousand lineal feet regardless of species. 7. On piling, three fourths ($\frac{3}{4}$ ths) of one (1%) percent on invoice value at loading out point which shall be based on the amount paid for the pilings at the stump. 8. “There is also levied a privilege tax against the processor of the forest products or the manufacturer using the forest products in an amount equal to 50% of the tax on the severer, as set out above. Said privilege tax shall be collected in the

same manner as the severance tax on the severer is collected. This tax is levied not only upon processors or manufacturers within this state but also upon out of state processors or manufacturers who obtain the timber within this state and ship it outside the state for completion of the manufacturing process. It is the legislative intent that this privilege tax is not to be levied in any manner upon the person owning the land from which the forest products is severed nor upon the person actually cutting the forest products but it is levied upon the processor processing the forest products or manufacturer using the forest products.

"Round wood pulpwood on which the tax has been paid shall not be subject to an additional tax when converted into chips, but the additional tax levied by the preceding section shall be paid by the person, firm or corporation utilizing the chips in a manufacturing process."

AN ACT

To apply only in counties in the state having a population of not less than 65,500 nor more than 75,200 inhabitants, according to the last or any subsequent federal decennial census, wherein the use of voting machines has been, or shall be, authorized; to provide that the county governing body in regulating and providing for the use of voting machines in all elections in the county may, in the manner herein prescribed, divide any voting precinct of the county into territories, designate in each territory a voting center at which the qualified electors of the territory so designated may vote, and prescribe the number of voting machines to be maintained at each voting center; and to provide election officers for each voting center designated by the county governing body, prescribe the duties of such election officers, and fix their compensation.

Be It Enacted by the Legislature of Alabama:

Section 1. This act shall apply only in counties of the state having a population of not less than 65,500 nor more than 75,200 inhabitants according to the last or any subsequent federal decennial census. Unless a contrary intent appears from the context, as used herein, the word "county" means any county to which this act applies; the phrase "county governing body" means the court of county commissioners, board of revenue, or other like governing body of any such county; the word "election" means any general, special, or primary election held in the county, including a district, municipal, county, state or federal election; and the term "voting center" means any place in the county which the county governing body designates as a place where a voting machine or voting machines will be maintained or operated at elections.

Section 2. (a) Subject to the provisions of subsection (b), when the use of voting machines at elections in the county has been, or shall hereafter be authorized, the county governing body of the county shall have the authority to designate a voting center or voting centers in the county. The order so designating voting centers shall state (1) the location of the voting center and (2) the boundaries of the territory in which electors shall reside to be entitled to vote at said voting center. A copy of this order shall be posted at the courthouse door of each county to which this act applies. The limitations prescribed by law as to the number of electors who may reside in a voting district shall not apply to a territory designated hereunder. All of the territory designated for a voting center shall be located in the same precinct; and the voting center designated therefor shall be located in the territory. The county governing body may by order abolish a voting territory and discontinue the voting center therein or may extend or restrict the boundaries of such voting territory and retain the voting center therein, or may subdivide such

voting territory and designate an additional voting center therein.

(b) Except as herein expressly provided, in designating voting centers and the territory for which they were established, the county governing body shall be subject to all other laws applicable to the governing body of a county, regarding the change or establishment of the districts of a precinct, including but not limited to the provisions of Article 6, Chapter 1, Title 17, Code of Alabama 1940, as amended.

Section 3. (a) The voting list of any territory which is furnished the election officers serving at the voting center designated for such territory shall contain the names of all qualified electors of the territory on a single roll; however, when the roll contains more than twenty-four hundred names the list of qualified electors or roll shall be divided into alphabetical sections of not more than twenty-four hundred names per section. Except as herein otherwise provided, the laws applicable to the preparation, distribution, publication and checking of qualified lists shall apply to the poll list of a territory for which a voting center has been established by the county governing body pursuant to authority hereby conferred.

(b) No elector shall vote at any voting center other than the voting center of the territory of which he is a qualified elector, but any elector eligible to vote at a voting center may vote on any voting machine maintained at such voting center, upon presentation of the identification card issued to him by an election officer serving at such voting center.

Section 4. The county governing body shall determine the number of voting machines deemed necessary to serve adequately the voters at an election, taking into consideration the nature or character of the election; provided, however, that at each election there shall be maintained at each voting center at least one voting machine for each six hundred registered electors, or fraction thereof, residing in the territory served by the voting center designated for said territory. At least twenty days prior to the time when the election officers for an election are required to be appointed, the county governing body shall in writing inform the officers whose duty it is to appoint said election officers of the number of voting machines which will be maintained at the respective voting centers during the forthcoming election; and the officers whose duty it is to appoint election officers shall appoint the number of election officers for the respective voting centers required hereby to conduct elections in which the number of voting machines, shown in the statement of the county governing body, will be maintained.

Section 5. (a) For each voting center where only one voting machine is to be used, the election officials shall consist of an inspector, a chief clerk and two assistant clerks. For each voting center where more than one voting machine is to be used there shall be appointed one chief inspector who shall supervise the conduct of the other officials and the operation of the voting center, one inspector and one chief clerk, and for each voting machine to be used at such center there shall be appointed two assistant clerks. For each voting center where more than four voting machines are to be used there may be appointed two additional assistant clerks for each group of four voting machines or fraction thereof.

(b) The election officers provided for herein shall be appointed by the same officers that appoint other election officers. They shall perform all duties imposed on election officers by the general law and in addition thereto the following duties: one of the election officers shall be assigned to each section of the voting list and such election officer shall issue to each elector at the time he checks the name off the list of qualified electors an identification card, which shall be presented to the assistant clerk in charge of the voting machine and surrendered to him when the voter enters the voting machine. The identification cards shall each have printed on them the words "voter identification card," and they shall contain a space in which shall be entered the signature of the election officer who delivers the card to the elector. The identification cards shall bear neither a number nor the name of a voter. Identification cards shall be procured by the same officer who procures other election supplies and shall be paid for from the same funds that the cost of other election supplies are paid.

(c) The assistant clerk in charge of the voting machine shall require that each voter sign at the machine a poll list before he is allowed to enter the machine to vote. A separate poll list of persons casting challenged votes shall be kept by the officials.

(d) The inspector shall certify on each statement of canvass form the total number of votes cast on all machines at the voting center and the total number of electors' names recorded on the poll lists at such voting center. Election officers provided for by this act shall be compensated for their services in the same manner and at the same rates provided by law for election officers where voting machines are used.

(e) It shall be the duty of all election officials to see that order is maintained in the polling place. The inspector shall see that the returns are filled out for each voting machine as required by law and delivered to the proper officials, and that the records of the election relating to each machine are enclosed

respectively in each machine, and that the list of qualified voters, challenged ballots, and one copy of each challenged oath and any other records relating to the election in general are enclosed in an appropriate voting machine.

Section 6. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 7. The provisions of this act shall be supplemental to other laws regulating the designating of voting places and the division of voting precincts into voting districts and shall be construed in pari materia with such laws but such provisions of these laws as conflict with this act are hereby repealed.

Section 8. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Be It Enacted by the Legislature of Alabama:

Section 1. This Act shall apply to every county of the State of Alabama having a population of more than 500,000 according to the last or any subsequent federal census, and to no other county.

Section 2. The following words and phrases and others evidently intended as the equivalent thereof shall, in the absence of clear implication herein otherwise, be given the following respective interpretations herein.

"Board Treasurer" means the treasurer or other official custodian of funds of a County Board of Health.

"County" means any county in the State of Alabama having a population of more than 500,000 according to the last or any subsequent federal census.

"Tax Collector" means the tax collector of the County or such other person or officer charged with the duty of collecting ad valorem taxes assessed and levied by or on behalf of a municipality in the County.

Section 3. In order further to provide for the financing of county boards of health in counties in the State of Alabama having populations in excess of 500,000, and subject to the provision of Section 4 hereof, there is hereby appropriated, allocated and otherwise ordered and directed to be set aside and paid over annually to the County Board of Health out of the ad valorem taxes collected by the Tax Collector for the several municipalities located wholly or partially in the County, the following:

Section 5. If the Tax Collector does not have any ad valorem taxes due any municipality or the ad valorem taxes

An election on the question of levying a service charge in a proposed district may be held at the same time that the election is held on the creation of the district, provided that the petition for the election on the question of the service charge accompanies the petition for the election on the establishment of the proposed district, as is provided for in Section 4, above. An election on the question of a service charge may be held upon the Board of Trustees of a district submitting to the Probate Judge a petition for such election as hereinafter provided. The Board of Trustees shall file in the office of the Probate Judge a petition that he call an election in the district on the question of whether the service charge proposed by the Trustees shall be levied.

The petition shall state specifically the charge which it is proposed shall be levied. The petition may request that an election be held on more than one proposed charge. Upon the petition being filed with the Probate Judge, he shall order an election to be held within the time provided for by Section 5, above.

Section 14. (a) A district may be enlarged in accordance with the terms of this Section 14, provided, however, that no area lying within a municipality at the time of the enlargement shall be brought within the district. (b) No area shall be brought within a district by enlargement unless the majority of the votes cast at the election provided for by subsection (c), below, approve the inclusion of the area within the district and also approve every service charge in effect within the district at the time of the election. (c) the term "proposed area", as used in this subsection (c), means an area which it is proposed be brought within a district by enlargement of the district. When the Board of Trustees of a district determines that the inclusion of a proposed area within the district would be to the advantage of the district and also to the advantage of the majority of the inhabitants of the proposed area, the Board of Trustees may file in the office of the Probate Judge a petition that there be an election in the proposed area at which there shall be submitted to the qualified electors residing within the proposed area the question of whether the proposed area shall be included within the district and also the question of whether every service charge

in effect within the district at the time of the election is approved. Upon such petition being filed, the Probate Judge shall order an election to be held within the proposed area, within the time provided for in Section 5, above, at which election the qualified electors residing within the proposed area shall vote on the two foregoing questions. Unless the majority of votes cast at the election vote in the affirmative on each of the foregoing questions, the proposed area shall not be included within the district. Upon the officers canvassing the returns of the election certifying that the majority of votes cast was in favor of the inclusion of the proposed area in the district, and that the majority of the votes cast approved every service charge in effect within the district at the time of the election the proposed area shall become a part of the district.

Section 15. Any district created hereunder may be abolished in the manner provided for in this Section 16; provided, however, that no district shall be abolished when it has any indebtedness.

Upon the petition for abolition of a district, conforming to the requirement set forth below, being filed with the Probate Judge he shall order an election on abolition of the district to be held in the district within the time provided for by Section 4, at which qualified electors residing within the district shall be entitled to vote. The petition shall be signed by at least 100 qualified electors of the district. It shall contain a recital that the district is not indebted; and it shall request the Probate Judge to order an election on whether the district shall be abolished. Upon the officers canvassing the returns of the election certifying that abolition of the district was approved by a majority of the votes cast at the election, the district shall be abolished.

Be It Enacted by the Legislature of Alabama:

Section I. This Act shall apply to and have application in counties having a population of not less than 75,000 nor more than 90,000, according to the most recent federal decennial census, and to the sheriff's office of said county.

SECTION II

"Deputy" shall mean any person deputized and regularly employed by the Sheriff of the County.

"County Governing Body" shall mean the existing county governing body of said County or any succeeding governing body of said county.

"Board of Appeals" shall mean the board created by this Act.

SECTION III

This Act shall apply to all regularly employed deputies of the Sheriff, except the Chief Deputy who shall not be subject to the provisions of this Act. Provided, however, any Deputy Sheriff who is promoted to the position of Chief Deputy shall be entitled to the right of re-employment as a deputy upon completion of his term as chief deputy.

SECTION IV

There shall be created a board of appeals for the purpose of regulating the appointment, removal, tenure, and official conduct of deputies in the office of the Sheriff. Such board shall be composed of three members, two of whom shall be appointed by the County governing body to serve for a term of four years and one of whom shall be appointed by the Sheriff of the County to serve for a term of two years. No person shall be eligible to appointment who holds any civil office of profit under the State, County, or City government, or is a candidate for such office. All appointed members shall be residents and qualified electors of the County and shall be persons of recognized character and ability. Appointed members of the board shall be entitled to receive no pay for each day served in transacting the business of the board, but no

member shall in any case receive more than no dollars in any one year, such sums to be paid out of the general fund of the County. Vacancies on the board shall be filled for unexpired terms in the same manner as original appointments.

SECTION V

If such removal, dismissal or demotion is appealed to the board of appeals, then the same shall become final only after a hearing upon the written charges or complaint has been had, and after an op-

portunity has been given the deputy to face his accusers, and to be heard in his own defense. Pending a hearing on said appeal, the affected deputy may be suspended by order of the sheriff or the chief deputy. After such hearing the board of appeals may order such deputy to be reinstated, demoted, removed or discharged or suspended, or take such other disciplinary action as in its judgment is warranted by the evidence and under the law.

SECTION XI

Upon the receipt of such charges, the board, after due consideration, shall determine whether in its opinion it considers that the good of the service will be served by a trial; and, if not, such charges may be dismissed by the board. If in the judgment of the board, the charges are of a minor nature, the charges may be referred to the Sheriff who shall make an investigation and file his findings concerning such charges with the board, in such time specified by the board, as to what disciplinary action, if any, should be taken. After receipt of such findings and after notice is given to the deputy affected, the board, in its discretion, may adopt and order executed any action, or part thereof, as recommended by the Sheriff, as it deems appropriate. In the event that the complainant or the affected deputy, or both, shall object to the recommendation of the Sheriff, the board of appeals shall hold a public hearing on the charges, and take such disciplinary action as in its judgment is warranted by the evidence and under the law. All hearings shall be open to the public. In all cases the decision of the board shall be reduced to writing and entered in the record. Said board shall have power to administer oaths, take depositions, and issue subpoenas to compel the attendance of witnesses and production of papers necessary as evidence in any hearing or proceedings within the scope of this Act.

Provided that nothing in this Act shall prevent any deputy from exercising his right to his private opinion and to cast his vote. No deputy shall in any way be favored or discriminated against with respect to his employment because of his political or religious opinions.

F. A deputy may be granted leave without pay for a period not to exceed one year for good and sufficient reasons which are considered to be in the best interest of the service.

SECTION XVIII

Any deputy may resign in good standing by giving notice in writing to the Sheriff, at least fifteen days, stating the effective date and reason for his resignation. Failure to do so may be cause for denying the person from future employment. Unauthorized or unreported absence from work for a period of one day or more may be considered as a resignation.

SECTION XIX

The retirement age for all deputies is and shall be 65 years of age, except that the board may grant a waiver for good and sufficient reasons, and providing the deputy has a minimum of ten years service.

Notice of such election shall be given at the expense of the city by one publication at least eighteen (18) days in advance of the same in one or more newspapers published in such city. The method, procedure and requirements of qualifying, voting upon and determining the successful candidate shall be same as is provided herein relative to the election of the mayor at regular elections, except that statements of candidacy must be filed at least (20) days before the date set for such election. The successor to the mayor chosen at any such election shall qualify for office as soon as practical thereafter, and shall be clothed with and assume the duties, responsibilities and powers of such office immediately upon such qualification and shall hold office for the unexpired term of his predecessor and until his successor is elected and qualified.

4.09. Departmental divisions.—The work of each department may be distributed among such divisions thereof as may be established by ordinance upon the recommendation of the mayor. Pending the passage of an ordinance or ordinances distributing the work of departments under the supervision and control of the mayor among specific divisions thereof, the mayor may establish temporary divisions.

Article V. BUDGET.

5.01. Fiscal year.—The fiscal year of the city government shall begin on the first day of October and shall end on the last day of September of each calendar year. Such fiscal year shall also constitute the budget and accounting year. As used in this act, the term “budget year” shall mean the fiscal year for which any particular budget is adopted and in which it is administered.

5.02. Submission of budgets.—On a day to be fixed by the council but in no case later than the 20th day of August in each year, the mayor shall submit to the council:

(a) A separate current revenue and expense budget for the general operation of the city government, to be known as the “general fund budget”;

(b) A budget for each public utility owned and operated by such city;

(c) A capital budget; and

(d) A budget message.

When submitting the budgets to the council, the mayor shall submit his recommendation of new sources of revenue or manner of increasing existing sources of revenue, sufficient to balance the budgets, if such additional revenue is necessary to accomplish that purpose.

5.03. Preparation of budgets.—It shall be the duty of the head of each department, and each other office or agency supported in whole or in part by the city, to file with the director of finance, at such time as the mayor may prescribe, estimates of revenue and expenditure for that department, office or agency for the ensuing fiscal year. Such estimates shall be submitted on the forms furnished by the director of finance and it shall be the duty of the head of each such department, office or agency, to supply all the information which the director of finance may require to be submitted thereon. The director of finance shall assemble and compile these estimates

and supply such additional information relating to the financial transactions of the city as may be required by the mayor in the preparation of the budgets. The mayor shall hold such hearings as he may deem advisable and with the assistance of the director of finance shall review the estimates and other data pertinent to the preparation of the budgets and make such revisions in such estimates as he may deem proper, subject to the laws of the state of Alabama and any municipal ordinance relating to obligatory expenditures for any purpose.

5.04. Scope of general fund budget.—The general fund budget shall include only the net amounts estimated to be received from or to be appropriated to each public utility. The general fund budget shall be prepared in accordance with accepted principles of municipal accounting and budgetary procedure and techniques, and shall show:

(a) Such portion of the general fund cash surplus as it is estimated will exist, at the end of the current fiscal year, and is proposed to be used for meeting expenditures in the general fund budget for the ensuing year;

(b) An estimate of the receipts from current ad valorem taxes on real estate and tangible personal property during the ensuing fiscal year, assuming that the percentage of the levy collected be no greater than the average percentage of the levy collected in the last three completed tax years;

(c) An estimate of receipts from all other sources of revenue, provided that the estimated receipts from each such source shall not exceed the percentage of estimated revenue in the current fiscal year from the same source, over the amount of the revenue received from the same source, in the last completed fiscal year, unless a law or ordinance under which revenue from any source is derived, has been amended or a new source of revenue has been provided by law or ordinance, in the course of the current year, in which case the estimated receipts from that source may be fixed by the mayor. If additional revenue is to be derived from the state, the amount fixed by the mayor shall not exceed the amount which the proper state official shall certify in writing to be the reasonable expectation of receipts from such source;

(d) A statement to be furnished by the director of finance of the debt service requirements for the ensuing year;

(e) An estimate of the general fund cash deficit, if any, at the end of the current fiscal year and of any other obligations required by law to be budgeted for the ensuing fiscal year;

(f) An estimate of expenditures and appropriations for all other purposes to be met from the general fund in the ensuing fiscal year. All the estimates shall be in detail showing receipts by sources and expenditures by operating units, character and object, so arranged as to show receipts and expenditures as estimated for the current fiscal year and actual receipts and expenditures for the last preceding fiscal year, in comparison with estimated receipts and recommended expenditures for the ensuing fiscal year.

5.05. A balanced budget.—In no event shall the expenditures recommended by the mayor in the general fund budget exceed the receipts estimated, taking into account the estimated cash surplus or deficit at the end of the current fiscal year, as provided in section 5.04, unless the mayor shall recommend an increase in or levy of new or increased, taxes or licenses within the power of the city to levy and collect in the ensuing fiscal year, the receipts from which, estimated on the basis of the average experience with the same or similar taxes during the three full tax years last past, will make up the difference. If estimated receipts exceed estimated expenditures, the mayor may recommend revisions in the tax and license ordinances of the city in order to bring the general fund budget into balance. The same balanced budget restrictions shall apply in the adoption of any public utility budget.

5.06. The budget message.—The budget message shall contain the recommendations of the mayor concerning the fiscal policy of the city, a description of the important features of the budget plan, an explanation of all salient changes in each budget submitted, as to estimated receipts and recommended expenditures as compared with the current fiscal year and the last preceding fiscal year and a summary of the proposed budget showing comparisons similar to those required by section 5.04 above.

5.07. Availability of budgets for inspection and publication of the budget message.—The mayor shall cause the budget message to be printed, mimeographed or otherwise reproduced for general distribution at the time of its submission to the council, and sufficient copies of the proposed general fund, public utility and capital budgets to be made, to supply copies to each member of the council and each daily newspaper of general circulation published in the city, and two copies to be deposited in the office of the city clerk where they shall be open to public inspection during regular business hours.

5.08. Publication of notice of public hearing.—At the meeting of the council at which the budget and budget message are submitted, the council shall determine the place and

time of the public hearing on the budget, and shall cause to be published a notice of the place and time, not less than seven days after the date of publication, at which the council will hold a public hearing. Publication shall be made at least once in a daily newspaper published and of general circulation in the city. At the time and place so advertised, or at any time and place to which such public hearing shall from time to time be adjourned, the council shall hold a public hearing on the budget as submitted, at which any citizen of the city shall be given an opportunity to be heard, for or against the estimates or any item thereof.

5.09. Action by the council on the general fund budget.—After the conclusion of the public hearing the council may insert new items of expenditures or may increase, decrease or strike out items of expenditure in the general fund budget, except that no item of expenditure for debt service, or any other item required to be included by this act or other provision of law, shall be reduced or stricken out. The council shall not alter the estimates of receipts contained in the said budget except to correct omissions or mathematical errors and it shall not cause the total of expenditures as recommended by the mayor to be increased without a public hearing on such increase, which shall be held not less than three days after notice thereof by publication in a newspaper of general circulation published in the city. The council shall in no event adopt a general fund budget in which the total of expenditures exceeds the receipts and available surplus, estimated as provided in section 5.04 of this act, unless at the same time it adopts measures for providing additional revenue in the ensuing fiscal year, estimated as provided in sections 5.02 and 5.05 of this act, sufficient to make up the difference.

5.10. Adoption of general fund budget.—Not later than the 20th day of September of the current fiscal year, the council by a majority vote shall adopt the general fund budget, and such ordinances providing for additional revenue as may be necessary to put the budget in balance. If for any reason the council fails to adopt the general fund budget on or before such day, the general fund budget of the current fiscal year shall be the general fund budget for the ensuing year, until such time as a newly revised budget shall be adopted by the council, and, until such time, shall have full force and effect to the same extent as if the same had been adopted by the council, notwithstanding anything to the contrary in this act.

5.11. Effective date of budget; certification; copies made available.—Upon final adoption, the budget shall be in effect for

the budget year. A copy of the budget as finally adopted, shall be certified by the mayor and city clerk and filed in the office of the director of finance. The budget so certified shall be printed, mimeographed or otherwise reproduced and sufficient copies thereof shall be made available for the use of all offices, departments and agencies and for the use of citizens of the city who request a copy.

5.12. Utility budgets.—Separate budget estimates for any public utilities owned and operated by the city shall be submitted to the director of finance at the same time as the budget estimates of other departments, and in the form prescribed by the director of finance. The mayor shall prepare and present to the council a budget for the utility operation, itemizing the receipts and expenditures in manner and form as is generally provided for in section 5.04 of this act as being applicable to the general fund budget. The action of the council on any utility budget thus submitted shall be governed by the same provision as provided in this act with reference to the consideration and adoption of the general fund budget.

5.13. Work plan and allotments.—After the current expense budgets have been adopted and before the beginning of the fiscal year the head of each department, office, and agency, shall submit to the mayor in such form as he shall prescribe a work program which shall show the requested allotments of the appropriations for such department, office or agency for the entire fiscal year by monthly or quarterly periods as the mayor may direct. Before the beginning of the fiscal year the mayor shall approve, with such amendments as he shall determine, the allotments for each such department, office, or agency, and shall file the same with the director of finance who shall not authorize any expenditure to be made from any appropriation except on the basis of approved allotments, provided that such allotments shall be in conformity with the salaries established by ordinance, the provisions of any merit or civil service system applicable to such city, the laws of the state of Alabama and any municipal ordinances of such city, relating to obligatory expenditures for any purpose. The aggregate of such allotments shall not exceed the total appropriation available to each such department, office, or agency for the fiscal year. An approved allotment may be revised during the fiscal year in the same manner as the original allotment was made. If at any time during the fiscal year the mayor shall ascertain that the revenue cash receipts of the general fund or any public utility for the year plus any cash surplus available from the preceding year, will be less than the total appropriations to be met from such receipts

and cash surplus, he shall reconsider the work programs and allotments of the departments, offices, and agencies, and, subject to the laws of the state of Alabama and any municipal ordinances of the city relating to obligatory expenditures for any purpose, revise the allotments, however, that there shall be no reduction in salaries except by order of the council, or as authorized by law.

5.14. Transfers of appropriations.—The mayor may at any time authorize, at the request of any department, office, or agency, the transfer of any unencumbered balance or portion thereof in any general fund or utility appropriation from one classification of expenditure to another with the same department, office, or agency, provided that for this purpose the water, gas and electric utilities shall be deemed to be separate departments. At the request of the mayor, the council may by resolution transfer any unencumbered balance or portion thereof in any general fund appropriation from one department, office or agency to another.

5.15. Additional appropriations.—Appropriations in addition to those contained in the original general fund budget ordinance, may be made by the council by not less than five affirmative votes, but only on the recommendation of the mayor and only if the director of finance certifies in writing that there is available in the general fund a sum unencumbered and unappropriated sufficient to meet such appropriation. Additional appropriations may be made by the council, by not less than five affirmative votes, from the funds of any utility for the operation of that utility, but only if the director of finance certifies in writing that there is available in the funds of the utility, a sum unencumbered and unappropriated sufficient to meet such appropriation.

5.16. Emergency appropriations.—At any time in any budget year, the council may, pursuant to this section, make emergency appropriations to meet a pressing need for public expenditures, for other than a regular or recurring requirement, to protect the public health, safety or welfare. Such appropriation may be made by the council voting affirmative votes by a majority of the council members present, but only on the recommendation of the mayor. The total amount of all emergency appropriations made in any budget year shall not exceed five per centum of the total general fund operating appropriations made in the budget for that year.

5.17. Appropriations to lapse.—Any portion of an appropriation remaining unexpended and unencumbered at the close of the fiscal year, shall lapse.

5.18. Capital budget.—At the same time that he submits

the general fund budget, the mayor shall submit to the council a capital improvement program covering all recommended capital improvement projects, for the ensuing fiscal year and for the four fiscal years thereafter, with his recommendations as to the means of financing the improvements proposed for the ensuing fiscal year. The council shall have power to accept with or without amendments or reject the proposed program and proposed means of financing for the ensuing fiscal year; and may from time to time during the fiscal year amend by ordinance adopted by affirmative votes by a majority of members present, the program previously adopted by it, or the means of financing the whole or any part thereof or both, provided that the amendment shall have been recommended by the mayor, and further, provided such additional funds are available in the general fund or in any other fund of the city available therefor. The council shall adopt a capital budget prior to the beginning of the fiscal year in which the budget is to take effect. No appropriations for a capital improvement project contained in the capital budget shall lapse until the purpose for which the appropriation was made shall have been accomplished or abandoned, provided that any project shall be deemed to have been abandoned if three fiscal years lapse without any expenditure from or encumbrance of the appropriation therefor. Any such lapsed appropriation shall be applied to the payment of any indebtedness incurred in financing the project concerned and if there be no such indebtedness the funds shall be available for appropriation.

5.19. Certification of funds; penalties for violation.—No payment shall be made and no obligation incurred by or on behalf of the city except in accordance with an appropriation duly made and no payment shall be made from an obligation incurred against any allotment or appropriation unless the director of finance shall first certify that there is a sufficient unexpended and unencumbered balance in such allotment or appropriation to meet the same; provided that nothing herein shall be taken to prevent the advance authorization of expenditures for small purchases as provided in subsection (e) of section 6.04 of Article VI of this act. Every expenditure or obligation authorized or incurred in violation of the provisions of this act shall be void. Every payment made in violation of the provisions of this act shall be deemed illegal and every official who shall knowingly authorize or make such payment or knowingly take part therein and every person who shall knowingly receive such payment or any part thereof shall be jointly and severally liable to the city for the full amount so paid or received. If any officer, member of a board, or employee of the city, shall knowingly incur any obligation or shall authorize or make any expenditure in

violation of the provisions of this act or knowingly take part therein such action shall be cause for his removal. Nothing in this section contained, however, shall prevent the making of contracts of lease or for services providing for the payment of funds at a time beyond the fiscal year in which such contracts are made, provided the nature of such transaction will reasonably require the making of such contracts.

5.20. Reserve for permanent public improvements.—The council may by ordinance establish a reserve fund for permanent public improvements and may appropriate thereto to any portion of the general fund cash surplus not otherwise appropriated at the close of any fiscal year. Appropriations from the said fund shall be made only to finance improvements included in the capital budget.

5.21. Budget continuation.—Any officially adopted budget in existence at the time that the council is first organized, shall continue in force and effect during the balance of the city's then fiscal year, or until such time as the mayor may submit to the council and the council adopts, an amended, altered or revised budget for the balance of said fiscal year.

5.22. Budget summary.—At the head of the budget there shall appear a summary of the budget, which need not be itemized further than by principal sources of anticipated revenue, stating separately the amount to be raised by property tax, kinds of expenditures itemized according to departments, doing so in such a manner as to present to the taxpayer a simple and clear summary of the detailed estimates of the budget.

violation of this act shall be null and void. Any officer or employee of the city who shall violate this section shall be guilty of a misdemeanor and, upon conviction thereof, shall be punishable as in case of misdemeanor conviction and shall also cease to hold his office or employment. 6.11. Borrowing in anticipation of revenues.—In any budget year, in anticipation of the collection or receipt of revenues of the budget year, the council may by resolution authorize the borrowing of money by the issuance of negotiable notes of the city, each of which shall be designated "revenue note for the year 19..... (stating the budget year)." Such notes may be renewed from time to time; but all such notes, together with the renewals thereof, shall mature and be paid not later than the end of the fiscal year after the budget year in which the original notes have been issued. The designation and boundaries of the initial council districts shall be as specifically described and set forth in Appendix One hereof.

7.02. Reapportionment.—Whenever there shall be a change in population in any of the nine districts heretofore established, evidenced by a federal census of population published following the last federal census of population preceding the adoption of this act, or by virtue of a change in the corporate limits, there shall be a reapportionment of the council districts in the manner hereinafter provided:

H.J.R. 173—Grainger

HOUSE JOINT RESOLUTION

REQUESTING STATE PERSONNEL BOARD TO SURVEY ENVIRONMENTAL AND INDUSTRIAL PROFESSIONAL AND TECHNICAL PERSONNEL CLASSIFICATIONS IN SOUTHEASTERN REGION.

Whereas two of the highest priorities of the State of Alabama is enhancement and protection of this State's environment and orderly, responsible industrial development;

Whereas in order to carry out the Legislative mandates expressed in the 1971 Alabama Water Pollution Control Act, the 1971 Alabama Air Pollution Control Act, and the 1969 Alabama Development Office Act persons of highest qualification and competence in Air and Water Pollution Control and Industrial Development must be recruited and retained;

Whereas intense competition among private and governmental agencies for persons skilled in the enhancement and protection of the environment and responsible industrial development makes impossible the recruitment of qualified new

personnel and difficult the retention of competent personnel under present conditions, and

Whereas the proliferation of environmental control programs and industrial development programs across the nation has created and will create intense competition among those programs for the limited supply of top quality environmental technical employees and industrial development professionals that the pay rates currently applicable to such employees in Alabama fall far below the national average and below the Southeast average for such pay rates;

Therefore, Be It Resolved by the House of Representatives, the Senate concurring, that the State Personnel Board is hereby directed to perform surveys of the other states within the Southeastern region to determine prevailing rates of pay for comparable environmental professional and technical personnel classifications and industrial development professional classifications. These professional and technical classifications shall be designated by the Alabama Air Pollution Control Commission, the Alabama Water Improvement Commission, the State Board of Health and the Alabama Development Office within thirty (30) days of the effective date of this resolution. Within sixty (60) days of the effective date of this resolution, the State Personnel Board shall set and maintain rates of pay for environmental professional and technical staff employees of the Alabama Water Improvement Commission, the Alabama Air Pollution Control Commission, the Environmental Health Administration of the State Department of Public Health, and industrial development professionals of the Alabama Development Office no less than the median of the prevailing rates for such employees of the Southeastern region. The State Personnel Board is also directed to biannually update rates of pay for environmental professional and technical classifications and industrial development professional classifications in the manner delineated above.

Be it further resolved that a copy of this resolution be submitted to the State Personnel Board.

AN ACT

To amend further Section 9 of Act No. 1403, H. 46, 1971 Regular Session of the Alabama Legislature (1971 Acts, p. 2363), as amended, which provides for the regulation, inspection and payment of an inspection fee on certain petroleum products so as to provide that the inspection fee on kerosene or diesel fuel used in the treatment or preservation of wood products shall be one-fortieth of one cent (1/40c) per gallon.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 9 of Act No. 1403, H. 46, 1971 Regular Session of the Alabama Legislature (1971 Acts, p. 2363), as amended, is further amended to read as follows:

"Section 9. Inspection Fee. An inspection fee is hereby imposed and shall be collected in respect of petroleum products sold, offered for sale, stored or used in the State, the said fee to be measured by the number of gallons and to be at the following rates:

"(a) Gasoline: one-fortieth of one cent (1/40¢) per gallon,

"(b) Diesel fuel other than that referred to in clauses (e), (f), (g), (h), and (i) of this Section: one cent (1¢) per gallon,

"(c) Kerosene other than that referred to in clauses (e), (f), (g), and (i) of this Section: one cent (1¢) per gallon,

"(d) Lubricating oil: fifteen cents (15¢) per gallon,

"(e) Kerosene or diesel fuel that are of the types customarily used as, and that are intended to be used only as, fuel to propel jet aircraft: one-fortieth of one cent (1/40¢) per gallon,

"(f) Kerosene or diesel fuel that is used by the ultimate consumer thereof as motor fuel to operate boats, yachts, ships or other maritime vehicles, whether said boats, yachts, ships

or other maritime vehicles are used commercially or for pleasure: one-fortieth of one cent ($1/40\text{¢}$) per gallon,

“(g) Kerosene or diesel fuel used by the ultimate consumer thereof to propel or operate tractors which are not operated on public highways but which are used exclusively in preparing and cultivating land, harvesting any agricultural commodity, or for other agricultural purposes, including pasture and hay production; provided, however, that the term ‘tractors’ as used herein shall not include automobiles, trucks, pick-ups, trailers, semi-trailers, or other such vehicles: one-fortieth of one cent ($1/40\text{¢}$) per gallon,

“(h) Diesel fuel that is of the types customarily used as, and that is intended to be used only as fuel to propel railroad locomotives: one-fortieth of one cent ($1/40\text{¢}$) per gallon. Diesel fuel of the types referred to in this clause (h) shall be inspected in a manner determined and prescribed by the Commissioner.

“(i) Kerosene or diesel fuel used by the ultimate consumer thereof as a solvent or other agent in the treatment or preservation of wood products: one-fortieth of one cent ($1/40\text{¢}$) per gallon.

“(j) It shall be the duty of the person first selling or storing or using any petroleum product in the state to pay said inspection fee. The inspection fee herein provided for shall be paid to the Commissioner on or before the 20th day of each month in respect of all petroleum products sold, stored or used in the state during the preceding month, and each remittance shall be accompanied by a certificate stating that the amount remitted is correct and that the petroleum products so sold, stored or used are of standard not less than the minimum specified for that petroleum product in the standards prescribed by the board pursuant to Section 5 hereof. If, at the time the said inspection fee is due, the person liable therefor is unable to ascertain the correct amount of such inspection fee because the use to be made of any diesel fuel or kerosene with respect to which the said inspection fee is then due has not been or cannot be ascertained at such time, then such person shall pay to the Commissioner as the inspection fee payable with respect to such diesel fuel and kerosene, one cent (1¢) for each gallon of such diesel fuel and each gallon of such kerosene. Upon furnishing proof satisfactory to the Commissioner that all or any portion of such diesel fuel or kerosene with respect to which an inspection fee at the rate of one cent (1¢) per gallon has been paid or has been or will be used for a purpose or purposes specified in clauses (e), (f), (g), (h), and (i) above, then such person shall be entitled to a credit against the amount of inspection fee becoming due from

such person on the 20th day of the then next following calendar month, such credit to be in an amount equal to thirty-nine-fortieths of one cent (39/40¢) for each gallon of kerosene or diesel fuel proved to have been used or to be used for such specified purpose or purposes; provided, that should the credit to which a person is entitled hereunder exceed the amount of the inspection fee becoming due from such person on the 20th day of the then next following calendar month, then the excess of the credit over the amount of the inspection fee becoming due shall be refunded to such person, or, at such person's election, credited against the amount of any inspection fees subsequently becoming due from such person. The board shall have authority to promulgate rules and regulations with respect to the form and content of the proof of use which must be supplied by a person seeking such a credit or refund and with respect to the procedure to be followed in applying for such a credit or refund. The inspection fee herein provided for shall be paid but once with respect to the same product, but in the event any person fails to make payment as herein provided on or before the date such payment is due, the Commissioner shall add to the inspection fee already due an amount equal to 10% thereof as a penalty for the failure of such person to make such report and payment upon the date herein provided and shall proceed to collect such inspection fee, together with all costs incident to such collection, including the penalty. The inspection fee (and any penalty added thereto) shall constitute and operate as a lien, at all times until paid, upon any petroleum products sold or offered for sale or stored or used in the state by the person liable for the fee, and shall be immediately enforceable by the Commissioner when due in the same manner as are tax liens upon personal property of a delinquent taxpayer. The inspection fee provided for herein is in addition to all other fees and all taxes payable with respect to petroleum products. Notwithstanding anything to the contrary herein, no inspection fee or penalty shall be due or payable with respect to petroleum products which are sold or offered for sale or stored or used while they are in interstate or international commerce, but if after such petroleum products are removed from interstate or international commerce, such petroleum products are sold or offered for sale or stored or used in the state, the fee herein provided for shall be payable with respect to such petroleum products. It is further provided that the board shall have authority to adopt and promulgate reasonable rules and regulations to effectuate the evident intent and purpose of this section with respect to reporting, collection, remittance and payments of the petroleum products inspection fees imposed hereunder which shall not conflict with any of the express provisions and requirements of said section."

Section 2. The provisions of this Act are severable. If any part of this Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 3. This Act shall become effective October 1, 1973.

3. There are exempted, however, from the provisions of this section and from the computation of the amount of the tax imposed in this section the gross receipts of any business and the gross proceeds of all sales which are presently exempted under the state tax statutes from the computation of the amount of the state sales tax. In addition, there shall be exempted from the computation of the amount of tax the gross proceeds of the sale of automotive vehicles, truck trailers, semi-trailers, and house trailers; the gross proceeds of sale of any machine, machinery or equipment either that which is self-propelled or otherwise propelled or drawn and which is used in planting, cultivating and harvesting farm products, or used in connection with the production of agricultural produce or products, livestock or poultry on farms, and the parts of such machines, machinery or equipment, attachments and replacements therefor which are made or manufactured for use on or in the operation of such machine, machinery or equipment, and which are necessary to and customarily used in the operation of such machine, machinery or equipment; and the gross proceeds of the sale of machines used in mining, quarry-

ing, compounding, processing, and manufacturing of tangible personal property, including the parts, attachments and replacements therefor which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used.

4. An excise tax on the storage, use, or other consumption in Monroe County of tangible personal property purchased at retail, on or after the first day of the second month succeeding the month during which this Act shall become a law, for storage, use, or other consumption in Monroe County, at the rate of one percent of the sale price of such property, regardless of whether the retailer is or is not engaged in business in Monroe County or in this State.

5. There are exempted, however, from the provisions of this section and the tax imposed in this section the storage, use, or other consumption of property the storage, use, or other consumption of which is presently exempted under the state use tax statutes from the state use tax. The storage, use, or other consumption in Monroe County of the following tangible personal property is hereby specifically exempted from the tax imposed by this section: automotive vehicles, truck trailers, semi-trailers, and house trailers; any machine, machinery or equipment either that which is self-propelled or otherwise propelled or drawn and which is used in planting, cultivating and harvesting farm products, or used in connection with the production of agricultural produce or products, livestock or poultry on farms, and the parts of such machines, machinery or equipment, attachments and replacements therefor which are made or manufactured for use on or in the operation of such machine, machinery or equipment, and which are necessary to and customarily used in the operation of such machine, machinery or equipment; and machines used in mining, quarrying, compounding, processing, and manufacturing of tangible personal property, including the parts, attachments, and replacements therefor which are made or manufactured for use on or in the operation of such machines and which are necessary to the operation of such machines and are customarily so used. Subject to these exemptions, every person storing or using or otherwise consuming in Monroe County tangible personal property purchased at retail shall be liable for the tax imposed by this section and the liability shall not be extinguished until the tax has been paid by such person as hereby provided; provided, however, that a receipt from a registered seller given pursuant to Section 5 of this Act to the purchaser of any property to be used, stored, or consumed in Monroe County shall be sufficient to relieve the purchaser from further liability for a tax to which such receipt may refer.

Section 3. The taxes levied by Section 2, subsections 1 and 4 of this Act shall be subject to all definitions, exceptions, exemptions, proceedings, requirements, rules, regulations, provisions, penalties, fines, punishments and deductions that are applicable to the taxes levied by the state sales and use tax statutes, except where inapplicable or where herein otherwise provided, including all provisions of the state sales and use tax statutes for enforcement and collection of taxes.

Section 4. The taxes levied in Section 2, subsection 1 of this Act shall be due and payable in monthly installments on or before the twentieth day of the month next succeeding the month in which the tax accrues; and the taxes levied in Section 2, subsection 4 of this Act shall be due and payable quarterly on or before the twentieth day of the month next succeeding each quarterly period during which the storage, use, or other consumption of the tangible personal property became taxable hereunder, each such quarterly period to end on the last days of each of the months of March, June, September and December. All taxes levied in this Act shall be paid to and collected by the State Department of Revenue at the same time and along with the collection of the state sales tax and the state use tax. On or prior to the due dates of the taxes as herein levied, each person subject to such taxes shall file with the State Department of Revenue a report or return in such form as may be prescribed by the Department, setting forth, with respect to all sales and business that are provided in Section 2, subsection 1 hereof to be used as a measurement of the tax levied in said Section 2, subsection 1 a correct statement of the gross proceeds of all such sales and the gross receipts of all such business and setting forth, with respect to the tax levied in Section 2, subsection 4 hereof, the total sales price of all property, the use, storage, or other consumption of which became subject to the tax imposed by said Section 2, subsection 4 during the then preceding quarterly period; however, that said report shall include also such other items of information pertinent to the said taxes in the amount thereof as the State Department of Revenue may require. All reports or returns filed with the State Department of Revenue under this section shall be available for inspection by the chairman of the Monroe County governing body, or his designated agent at reasonable times during business hours.

Section 5. Every registered seller making sales of tangible personal property for storage, use, or other consumption in Monroe County (which storage, use, or other consumption is not herein exempted from the tax imposed in Section 2, subsection 4 hereof) shall at the time of making such sales or if the storage, use, or other consumption of such tangible personal property in Monroe County is not then taxable under this Act, at the

time such storage, use, or other consumption becomes taxable hereunder, collect the tax imposed by Section 2, subsection 4 of this Act from the purchaser, and shall give to the purchaser a receipt therefor in the manner and form prescribed by the State Department of Revenue. On the twentieth day of the month following the close of each quarterly period provided for in Section 4 hereof, each registered seller shall file with the State Department of Revenue a return for the preceding quarterly period in such form as may be prescribed by the Department showing the total sales of the tangible personal property sold by such registered seller, the storage, use, or other consumption of which became subject to the tax imposed by Section 2, subsection 4 of this Act during the then preceding quarterly period and each return shall be accompanied by a remittance of the amount of the tax herein required to be collected by such registered seller during the period followed by the return. Any person who has paid to a registered seller the tax with respect to the use, storage, or other consumption of tangible personal property in Monroe County need not file a report or make any further payment of the said tax, but each person who purchases tangible personal property, the storage, use, or other consumption of which is subject to the tax imposed by Section 2, subsection 4 of this Act and who has not paid the tax due with respect thereto to a registered seller, shall report and pay the tax as required by Section 4.

Section 6. The State Department of Revenue shall charge Monroe County for collecting said special taxes herein levied by this Act the cost of making such collections, which charge shall not exceed five percent of the amount collected. Such charge may be deducted once each month from the special sales and use taxes collected before certifying the amount of special taxes due Monroe County. The Commissioner of Revenue shall pay into the State Treasury all taxes collected under this Act as such taxes are received by the Department of Revenue; and on or before the tenth day of each successive month (commencing with the month following the month in which the Department makes the first collection hereunder), the Commissioner shall certify to the State Comptroller the amount of taxes collected under the provisions of this Act and paid by him into the State Treasury for the benefit of Monroe County during the month immediately preceding the making of such certificate. Provided, however, that before certifying the amount of the taxes paid into the State Treasury for the benefit of Monroe County during each month, the Commissioner may deduct from the taxes collected in said month the charges due the Department for the collection of the taxes for the County. It shall be the duty of the Comptroller to issue his warrant each month payable to the Custodian of Public School Funds, Monroe County in an amount

equal to the amount so certified by the Commissioner of Revenue as having been collected for the use of Monroe County and paid into the State Treasury.

Section 7. Proceeds from the taxes herein levied shall be used for operating the public schools of Monroe County.

Section 8. All laws or parts of laws which conflict with this Act are repealed.

Section 9. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 10. This Act shall become effective on its passage and approval by the Governor, or its otherwise becoming law and shall have retroactive effect to August 31, 1971.

This Act became law under Section 125 of the Constitution on 28 August, 1973 without approval by the Governor.

Section 2. a) All of the above taxes imposed not county-wide, but only outside the city limits of municipalities which have city boards of education, are imposed for the benefit of the county boards of education of such counties, and the revenues collected from such taxes shall be paid to said county boards of education.

b) All of the above taxes imposed for the benefit of boards of education must be used for capital outlay purposes only; provided, however, that "capital outlay purposes" shall be interpreted liberally, and shall include renovation and improvements to existing physical facilities.

c) All of the taxes imposed by 1. b) above are in addition to the county-wide taxes imposed by 1. a) and apply within the city or town limits and police jurisdictions of municipalities which do not have city boards of education, as well as within geographical areas which are not within the city or town limits or police jurisdictions of any municipality located within such counties.

d) Where the amount of the taxes imposed by this act has been paid by any seller, distributor, dealer or user, such payment shall be sufficient, the intent being that the taxes hereby levied shall be paid but once.

Section 3. The privilege or license taxes authorized herein shall be collected by or under the supervision and control of the county commission, board of revenue, or like governing body of such counties (hereinafter referred to as "the commission"), which shall be solely responsible for the administration of this act. The commission shall provide rules and regulations and administrative machinery for the enforcement and collection of the tax levied, and may provide for devices for affixing stamped impressions on lids and crowns to be used in evidence of payment of the tax, and provide proper forms requiring sufficient information and proof, to be verified by the oath of any seller, distributor, dealer, storer or other user claiming exemption from payment of the tax on account of purchases made from others who have paid the tax imposed by this act.

Section 4. a) Each and every distributor or seller of malt or brewed beverages shall, on or before the 15th day of the first full calendar month after the effective date of this act, and on or before the 15th day of each calendar month thereafter, file with the commission a written statement, sworn to and subscribed by each distributor or seller, showing the name and address of such distributor or seller, each and every purchase, receipt or procurement of malt or brewed beverages made by such distributor or seller during the calendar month next preceding, together with the name and address of the producer, distributor, seller or other person from whom purchased, received or procured, the brand or brands of such malt or brewed beverages, the quantity of each brand, the size and kind of containers of each brand of such malt or brewed beverages, the date or dates on which purchased, received or procured, and a detailed, itemized statement showing the name and address of each

distributor or seller or other person to whom any malt or brewed beverages were sold, distributed or delivered by such distributor or seller, together with the quantity of each brand of malt or brewed beverages sold, distributed or delivered to each, the size and kind of containers for each brand of such malt or brewed beverages and the date or dates on which sold, distributed or delivered.

b) Any distributor or seller failing, refusing or omitting to file the statements herein prescribed shall be guilty of a misdemeanor, and each day such default continued shall constitute a separate offense.

c) In order to enable the commission to make distribution of the net proceeds of the tax as in this act prescribed, each distributor or seller must include in the statement separately the total sales made within the municipality and the police jurisdiction of each municipality having a board of education, and the total sales made in the county but outside the police jurisdiction of any municipality having a board of education. Should there be a continued failure to furnish the statement contemplated by this provision for basis of distribution, the commission is authorized and required to procure, from the records of the delinquent such information as may be procurable therefrom to enable him to make proper distribution of the proceeds of the tax.

Section 5. It shall be unlawful for any distributor or seller to make any sale, distribution or delivery of malt or brewed beverages within the county without first having obtained a permit to do so from the commission and also obtaining a business license from each municipality in which sale, distribution or delivery is to be made; provided, however, that nothing contained in this section, or in any other part of this act, shall authorize any sale, distribution or delivery of malt or brewed beverages within the county, if such sale, distribution or delivery is prohibited by any other law of this State.

Section 6. a) It shall be the duty of any person subject to the privilege or license taxes imposed by this act to keep full and complete records of all purchases, sales, receipts, inventories and all other matters from which the correct amount of taxes to which such person is subject may be ascertained; in the event that such person should discontinue his business, he shall not destroy or dispose of such records until he shall have given to the commission thirty days' notice in writing of his intent to destroy or dispose of such records. The commission is authorized to inspect such records and to make copies of such parts of same as it may deem desirable or proper. The failure to keep such

records, or destruction without giving the prescribed notice, shall constitute a misdemeanor, punishable in accordance with law.

b) Upon demand by the commission it shall be the duty of any person subject to the privilege or license taxes imposed by this act to furnish, without delay, all such information as may be required for determination of the correct amount of said taxes to which such person is subject and to that end it shall be the duty of such person to submit to such demanding person, for inspection and examination during reasonable business hours and at such person's place of business, all books of account, invoices, papers, reports, memoranda containing entries showing the amount of purchases, sales, receipts, inventories and any other information from which the correct amount of said taxes to which such person is subject, may be determined, including herein the exhibition of bank deposit books and bank statements. Any person failing or refusing to submit such records for such inspection or examination upon lawful demand therefor shall be guilty of a misdemeanor, punishable according to law.

c) Should any person subject to the provisions of this act not keep and have in his possession or control correct and detailed books of account, invoices, papers, reports or memoranda correctly showing the data and information necessary for the determination of the correct amount of the privilege or license taxes due, and the required information as to sales in the several tax-recipient areas; or, if, having the same in possession or under control such person shall fail or refuse to submit and exhibit same for inspection and examination as herein required, then and in that event it shall be the duty of the commission to ascertain from such information and data as he may reasonably obtain the correct amount of taxes due from such person and to assess the same against such person and give to such person notice of such assessment and demand of him immediate payment of the amount thereof. If such amount be not paid within ten days after receipt of notice and demand for payment, then such failure to pay shall constitute a misdemeanor, and each day of delay in payment shall constitute a separate offense.

d) The taxes shall be paid by each distributor or seller when he makes his report as required in Section 4 or when he buys his decals or other devices from the commission, if the commission requires the distributor or seller to buy decals or other devices.

Section 7. a) It shall be the duty of the commission to prepare such forms as may be necessary for use by sellers and distributors of malt or brewed beverages in complying with the

provisions of this act, and to furnish the same to such distributors or sellers as they may be required.

b) It shall be the duty of the commission to enforce the provisions of this act, and to that end it is authorized to enter lawfully any premises of any retailer of malt or brewed beverages at any time during the hours in which such retailer is engaged in the business of selling or serving malt or brewed beverages, and to inspect the containers of malt or brewed beverages in the retailer's possession, for the purpose of determining whether or not there be any containers not having affixed the decal or other device contemplated by this act. It shall be lawful also for any police officer or a deputy sheriff to enter lawfully any such retail establishment for the said purpose of inspection and determination of whether or not there be on hand any untaxed malt or brewed beverages.

Section 8. a) Collection of the tax may be accomplished in this fashion:

The commission may procure decals or other devices susceptible of being affixed, with measurable permanence, to containers of malt or brewed beverages to be taken from storage, distributed or sold, each of which decals or other devices shall bear in legible characters a notation that it evidences the payment of the taxes levied by this act, and he may procure such forms and other printed matter and materials as may be necessary in the administration of this act. To reimburse the commission for the cost and expense incurred by it in procuring and furnishing the said decals or other devices and forms, and other matter, the commission shall deduct, from the gross amount of taxes collected, at each tax-distribution period, the cost and expense incurred by it in procuring and furnishing the decals or other devices contemplated by this act and the cost of forms and other material hereinbefore provided for, and shall pay over the amount to its general fund. Decals or other devices may be furnished by the commission to each seller or distributor of malt or brewed beverages, upon request therefore and payment of the amount of taxes corresponding to the stated value of the decals or other devices that he procures from the commission, less an eight per cent (8%) discount; provided, however, that such decals or other devices shall be sold and furnished to wholesalers only. Each distributor or seller must affix to each container of malt or brewed beverages the appropriate decals or other devices before the same is taken from storage, sold or delivered.

b) The amount distributed by the commission to the several recipients of the proceeds of the tax as provided in this

act shall be, as to each recipient of the tax, that recipient's proportionate part of the net proceeds of the tax, such net proceeds to be the total amount of taxes collected less the cost of collection and expenses of administration of this act.

Section 9. Any person, firm, or corporation who violates any provision of this act or the rules and regulations as may be provided by the commission shall be guilty of a misdemeanor and upon conviction shall be punished as prescribed by law. Each month such violation continues shall constitute a separate offense.

Section 10. Any person, firm, or corporation who fails to pay the taxes herein levied within the time prescribed in the rules and regulations set out by the commission shall pay, in addition to the taxes a penalty of ten per cent of the amount of tax, together with interest thereon at the rate of one-half of one per cent per month or fraction thereof, from the date at which the tax herein levied becomes payable, such penalty and interest to be assessed and collected as a part of the tax.

Section 11. Any privilege or license taxes heretofore imposed in such counties by the county commission, board of revenue, or like governing body, pursuant to Act 34 of the First Extraordinary Session of 1969 of the Legislature of Alabama, as amended by Act No. 688 of the 1969 Regular Session of the Legislature of Alabama are repealed as of the effective date of this act, but ratified and confirmed from the date of adoption by said governing body until the said effective date of this act.

Section 12. Any escrow agreements heretofore entered into, by a county governing body, wholesale malt or brewed beverage distributors, and bank acting as escrow agents, pending legislative action hereby taken, is hereby confirmed and ratified in all respects, and any money held in escrow pursuant to such agreement shall be forthwith disbursed according to the terms thereof.

Section 13. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 14. All laws or parts of laws which conflict with this act are repealed.

Section 15. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

This Act became law under Section 125 of the Constitution on 28th August, 1973 without approval by the Governor.

Act No. 647

H. 1666—Waldrop, Carnes, Wynot

AN ACT

To authorize and permit flea markets to remain open on Sunday in each county of the State having a population of not less than 90,000 and not more than 100,000 according to the most recent federal decennial census, provided such flea market does not have on duty more than three employees at any one time on Sunday; and to provide for licensing such flea markets by the license issuing officer of such county.

Be It Enacted by the Legislature of Alabama:

Section 1. This Act shall apply to all counties having a population of not less than 90,000 and not more than 100,000 according to the most recent federal decennial census.

Section 2. It is the finding and policy of the Legislature that the maintenance of the public health is of vital importance to the general welfare of the State and its people and this is particularly true where there are large concentrations of population; that for the protection of the public health and general welfare it is deemed essential that one day be set aside each week as a day of rest and relaxation in counties to which this Act applies and this can best be accomplished and the enforcement thereof can best be policed by setting aside Sunday which is generally recognized and observed as a day of rest; and, that Section 420 Title 14 Code of Alabama, 1940, as amended, has made unlawful the general performance of labor and other activities on Sunday and has provided penalties for the violation thereof subject to certain enumerated exceptions which are deemed by the Legislature to be reasonable and necessary. The Legislature further finds and declares that in order to enjoy such a day of rest and relaxation that the public should be given the right as an additional exception to said Section 420 to purchase and trade on Sunday goods usually and normally sold in flea markets subject to reasonable restrictions on the number of employees that may be employed in such places selling and trading such goods on Sunday. It is further the finding of the Legislature that a reasonable restriction on the number of employees would be to permit to remain open on Sunday for the sale of such goods only those stores that have no more than three employees on duty at any one time on Sunday. The Legislature further finds that there are many people who purchase or trade merchandise usually and normally carried in flea markets as a hobby and means of relaxation and that it is desirable to provide this means of rest and relaxation on Sunday, but that reasonable restrictions as set out above shall be placed thereon.

Section 3. It shall be lawful for any flea market to remain open on Sunday in each county to which this Act applies pro-

vided that such flea market does not have on duty in such place more than three employees at any one time on Sunday; provided that each such flea market shall first obtain a special license to operate on Sunday from the license issuing officer of such county. The license issuing officer of such county shall issue a license only to such individual flea market or outlets as shall pay a license fee of \$25.00 and only to such individual flea markets or outlets in each community as are determined to be required by the public convenience and necessity. All license fees shall be paid into the general fund of such county.

Section 4. The provisions of this Act are severable. If any part of the Act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 5. All laws or parts of laws which conflict with this Act are repealed.

Section 6. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

This Act became law under Section 125 of the Constitution on 28th August, 1973 without approval by the Governor.

Be It Enacted by the Legislature of Alabama:

Section 1. This Act shall apply to all counties having a population of not less than 90,000 nor more than 100,000, according to the most recent federal decennial census.

Section 2. It is the finding and policy of the Legislature that the maintenance of the public health is of vital importance to the general welfare of the State and its people and this is particularly true where there are large concentrations of population; that for the protection of the public health and general welfare it is deemed essential that one day be set aside each week as a day of rest and relaxation in counties to which this Act applies and this can best be accomplished and the enforcement thereof can best be policed by setting

aside Sunday which is generally recognized and observed as a day of rest; and, that Section 420, Title 14, Code of Alabama, 1940, as amended, has made unlawful the general performance of labor and other activities on Sunday and has provided penalties for the violation thereof subject to certain enumerated exceptions which are deemed by the Legislature to be reasonable and necessary. Th Legislature further finds and declares that in order to enjoy such a day of rest and relaxation that the public should be given the right as an additional exception to said Section 420 to purchase on Sunday merchandise usually and normally sold in grocery stores. The Legislature further finds that there is a public necessity for the purchase on Sunday of merchandise usually and normally sold in grocery stores and that this necessity must be met.

Section 3. It shall be lawful for any grocery store to remain open on Sunday in each county to which this Act applies provided that such grocery store shall first obtain a special license to operate on Sunday from the licensing issuing officer of such county. The license issuing officer of such county shall issue a license only to such individual grocery stores or outlets as shall pay a license fee of \$25.00 and only to such individual grocery stores or outlets in each community as are determined to be required by the public convenience and necessity. AN ACT

Proposing an amendment to the Constitution of Alabama authorizing the levy and collection of a special property tax and the issuance and sale of bonds by Tuscaloosa County, the proceeds of which shall be used for the development of parks and multi-recreation areas, and other recreational purposes.

Be It Enacted by the Legislature of Alabama:

Section 1. The following amendment to the constitution is proposed and shall become valid as a part thereof when approved by the qualified electors and proclaimed by the Governor as prescribed by law:

PROPOSED AMENDMENT

“The county commission or like governing body of Tuscaloosa County shall have the power to levy and collect a special property tax, in addition to all other taxes, now or hereafter authorized by the Constitution and laws of Alabama, of not exceeding 10 mills on each dollar’s worth of taxable property in the county as assessed for state taxation during the preceding year, the proceeds of which shall be used exclusively for developing parks and multi-recreation areas and facilities, and for other recreational purposes; provided that such tax and the purpose or purposes thereof, and the time such tax is proposed to be continued shall have been first submitted to the vote of the qualified electors of the county and voted for by a majority of those voting at such election. Such governing body may also become indebted, and in evidence of such indebtedness issue and sell interest bearing bonds in an amount not to exceed \$20,000,000.00 in principal amount, provided that before the issuance of such bonds the question of whether such bonds shall be issued shall have first been submitted to and approved by the qualified electors of Tuscaloosa County at an election. Both the question of levying the tax and the issuing and selling of bonds may be submitted at the same election; or either question may be submitted at a separate election. Either the tax may be levied but no bonds issued, or bonds may be issued and no tax levied hereunder, if other funds are available for the payment of the bonds. The proceeds from taxes levied under authority of this amendment and of all bonds issued hereunder shall be used for developing parks and multi-recreation areas and facilities and for other recreational purposes and all or any part thereof may be ap-

propriated to any county park and recreation authority duly organized and existing pursuant to law in such county and by such authority used for the above-named purposes. The elections provided for herein shall be called, held, conducted and canvassed, and may be contested, in the manner provided by law for the calling, holding, conducting, canvassing and contesting of county bond elections, and if the levy of the tax or the issuance of said bonds shall be authorized at any such elections, the tax may be levied and bonds may be sold and issued from time to time in the manner provided by law for the authorization and sale of county bonds. In the event the voters of Tuscaloosa County do not authorize the levy of the tax or the issuance and sale of said bonds at any election called hereunder then other elections may be called by the governing body of Tuscaloosa County from time to time until the voters of Tuscaloosa County do authorize the levy of the tax or the issuance and sale of said bonds; provided that no two elections shall be held within one year of each other. The indebtedness herein authorized shall be in addition to all other indebtedness authorized prior to the adoption of this amendment."

Section 2. An election upon the proposed amendment is ordered to be held on the first Tuesday after the expiration of three months from final adjournment of the current session of the Legislature. The election shall be held in accordance with the provisions of Sections 284 and 285 of the Constitution of Alabama, as amended, and Chapter 1, Article 18, Title 17 of the Code of Alabama 1940.

AN ACT

Relating to counties having populations of not less than 110,000 nor more than 150,000, according to the 1970 or any subsequent federal decennial census; providing further for extending the corporate limits and boundaries of incorporated municipalities in such counties.

Be It Enacted by the Legislature of Alabama:

Section 1. This act shall apply only in counties having populations of not less than 110,000 nor more than 150,000, according to the 1970 or any subsequent federal decennial census.

Section 2. Whenever the governing body of any incorporated municipality situated within any county to which this act applies shall pass a resolution to the effect that the public health or public good requires that certain territory (describing it) shall be brought within the limits of the city or town:

(1) It shall be the duty of the mayor to certify a copy of such resolution to the judge of probate of the county in which the land proposed to be annexed is situated, and said certified resolution shall have attached thereto a plat or map of said territory, which certified resolution and plat or map shall be filed by the judge of probate.

(2) Within ten days from the date of the filing of such resolution, the judge of probate must make and enter an order upon the minutes of said court, directing and ordering an election to be held by the qualified electors residing within the territory described, not less than twenty days nor more than forty days from the date of the making of the order. The said judge shall give notice of the holding of such election by publication in a newspaper published within the city or town whose limits are proposed to be extended if a newspaper is published therein, and if no newspaper is published in such municipality, then by posting notices at three public places in such municipality, which notice shall state the day on which such election is to be held, the voting place or places, the boundaries within which voters must reside to vote at the respective voting places, which must be within the territory proposed to be brought into the city or town, and such notice must give a description of the territory proposed to be annexed, and must state that a map of such territory is on file in the office of the judge of probate of said county, open to the inspection of the public.

(3) The judge of probate may designate as many places within the territory proposed to be annexed as he may deem necessary for the convenience of the voters and must designate

the boundaries within which the voters must reside to vote at the respective voting places, and shall appoint three inspectors of election, two clerks and one returning officer for each voting place, which inspectors shall manage the election at the respective voting places at which they are appointed as inspectors.

(4) Each qualified elector who has resided within the boundaries of the territory proposed to be brought into the county or town for three months next preceding the election, may vote at such election, but must vote at the voting place designated by the judge of probate of voters in the territory in which he resides.

(5) The election to determine whether or not the proposed territory shall be brought within such corporate limits must be conducted in all respects as provided by the general election laws, and under the same sanction and penalties, except as changed by the provisions hereof, and except that an official ballot need not be provided.

(6) Each voter may furnish his own ballot with the following words written or printed thereon: "For annexation," if he desires to vote in favor of annexing the territory to the city, or "against annexation," if he desires to vote against annexing the territory to the city or town. It shall not be necessary for the ballot to be of any particular size, form, or color.

(7) The inspectors at the respective voting places must, as soon as the polls are closed, ascertain and certify the results of the election, at their respective voting places, to the judge of probate, and deliver the same to the judge of probate, and the judge of probate must canvass the return as made by the inspectors, and if it appears that a majority of the votes cast at the election were "for annexation," the judge shall make and enter an order on the records of the probate court adjudging and decreeing the corporate limits of the city or town to be extended so as to embrace the territory described in the resolution and designated on the plat or map attached to the resolution, and must cause the certified resolution and the map and all orders or decrees or judgments to be recorded in the records in his office, and from the time of the entry of such order such territory shall be part of and within the corporate limits of the city or town. If it appears that a majority of the votes cast at the election are "against annexation" the judge of probate shall make and enter an order on the records of the court adjudging and decreeing that a majority of the votes at such election were cast against coming into the corporate limits of the city or town, and that the

territory described and designated in the resolution and plat or map attached shall not form a part of or be embraced in the city or town until it may thereafter be brought into the city or town as a part thereof.

(8) The result of such election may be contested by any qualified elector voting at the election under the same provisions as are provided by general law for contesting the election of justice of the peace, making the city or town the contestee. The city or town at whose instance the election is held shall pay all costs and expense incident to the election.

(9) The plat or map filed with the certified copy of the resolution, as required herein, shall show accurately the territory proposed to be embraced within the corporate limits, including all subdivisions into lots, blocks, streets and alleys within such territory, if any, and an accurate description by metes and bounds of the boundary of such territory, which territory must be contiguous to the boundary of and form a homogeneous part of the city or town and such territory may extend to or around the boundary lines of any other city or town, but is not to embrace any territory within the corporate limits of another municipality. No platted or unplatted territory shall be included within such boundary unless there are at least two qualified electors residing on each quarter of each quarter section, according to government survey, or part thereof, of such platted or unplatted land, and the persons, firms or corporations owning at least sixty percent of the acreage of such platted or unplatted land signify their consent by signing said petition. However, the provision requiring at least two qualified electors to reside on each quarter of each quarter section, or part thereof, shall not apply to any quarter of a quarter section, or part thereof, when the persons, firms or corporations owning at least eighty percent of the acreage in said quarter of a quarter section, or part thereof, and the persons, firms or corporations owning at least eighty percent of the assessed value of the land and improvements in said quarter of a quarter section, or part thereof, have consented thereto in writing. Proof of residence and qualification as electors of petitioners and of persons affected shall be made to the judge of probate, by affidavit or otherwise, as he may direct. When determining ownership and assessed value, respectively, of the land and improvements within such boundary, the persons, firms or corporations assessing the same for taxation and the assessed value for the preceding tax year shall be accepted by the probate judge as prima facie proof thereof.

Section 3. (1) Whenever the owners of all the property in a particular area desire for such territory to be annexed to a

municipality situated within any county to which this act applies, the owners of such property shall all sign a petition which shall signify their desire for such territory to be annexed, and such petition shall be filed with the governing body of such municipality; and there shall also be filed at the same time with such municipality a plat or map which shall show accurately the territory proposed to be embraced within the corporate limits, including all subdivisions into lots, blocks, streets and alleys within such territory, if any, and an accurate description by metes and bounds of the boundary of such territory.

(2) Any territory to be annexed must be contiguous to the boundary of and form a homogeneous part of the city or town and such territory may extend to or around the boundary line of any other city or town, but is not to embrace any territory within the corporate limits of another municipality.

(3) If the governing body of the municipality to which the petition is presented shall approve the annexation of such territory by appropriate resolution, the governing body of such municipality shall then forward to the judge of probate of the county within which the municipality and territory to be annexed are located a certified copy of such resolution together with a copy of the petition and the map or plat filed with such petition.

(4) The judge of probate shall determine within ten days after receipt of such petition whether the petition does in fact contain the names of the persons, firms or corporations which in fact own all the property embraced within the territory to be annexed. When determining the ownership of the land within such territory, the persons, firms or corporations assessing the same for taxation shall be accepted by the judge of probate as prima facie the owners thereof.

(5) If it is determined that the petition is signed by the owners of all property within the territory to be annexed, then within ten days from the filing of such resolution, together with the petition and the plat or map attached thereto, the judge of probate shall direct and order that the resolution be advertised once a week for three consecutive weeks in a newspaper having a general circulation in said municipality or by posting such resolution in three public places in said municipality, if there is no newspaper of general circulation published therein. In addition to such advertisement or posting, the judge of probate shall within ten days of the receipt of such resolution send by registered or certified mail notice of such proposed annexation to all persons, firms or corpora-

tions which he has found to be an owner of property located within the territory to be annexed, such notice to state the time within which protests must be filed.

(6) If no protest is filed with the office of the judge of probate within thirty days from the time the resolution is first published or posted, or if such protests are determined, after hearing as provided herein, to be without merit, the judge of probate, if he has determined that the petition is signed by the owners of all the property within the territory to be annexed, shall forthwith make and enter on the records of the probate court adjudging and decreeing the corporate limits of the town or city to be extended so as to embrace the territory described in the resolution and designated on the plat or map attached to the resolution, and must cause the certified resolution and the plat or map attached to it, together with the petition of the owners of the affected acreage setting forth their desire for the annexation together with all other orders, notices, decrees or judgments relating to said annexation, to be recorded in the records of the office of the judge of probate, and from the time of entry of such order such territory shall be a part of and within the corporate limits of the town or city.

(7) Within thirty days from the date the resolution is first published or posted, any person, firm or corporation owning acreage in the territory proposed to be annexed, may file a written protest with the judge of probate contesting the proposed annexation on the ground that said person, firm or corporation is in fact the owner of land embraced within the territory proposed to be annexed and did not give consent thereto in writing by signing such petition. Upon receipt of such protest, the judge of probate shall designate a day and time not less than ten nor more than twenty days after the last day for the filing of protest, at which time a hearing shall be held to hear any and all such protests and at which time those persons, firms or corporations protesting the proposed annexation may present evidence to show that the annexation should not be accomplished in accordance with the provisions of this Section. If it is determined, on the basis of the evidence presented at such hearing, that a person, firm or corporation owning land within the territory proposed to be annexed did not in fact consent in writing to such annexation by signing such petition, the judge of probate shall make and enter an order on the records of the court adjudging and decreeing that the annexation proceedings under this Section are null and void.

(8) Any city or town having extended its corporate limits under the provisions of this Section may again extend its cor-

porate limits hereunder or under any other law authorizing an extension of corporate limits by such city or town. Failure to complete annexation proceedings in accordance with this Section shall not preclude any city or town from seeking to annex the same territory under any other law.

(9) In every proceeding to extend the corporate limits of any city or town under the provisions of this Section, the governing body of such city or town shall declare in each and every resolution herein provided for and the city clerk and probate judge shall declare in each and every notice given hereunder and in every order made and entered on the records of the probate court hereunder, that such resolution, notice, or order, as the case may be, is passed, given, or entered under the provisions of this Section.

(10) All territory brought within the corporate limits of a city or town under the provisions of this Section shall be subject to its laws and ordinances and the governing body shall have and exercise the same jurisdiction over such territory as is exercised over all other territory within the corporate limits of the city or town.

Section 4. In the event that any section, sentence, clause or provisions of this act shall be held or declared invalid by any court of competent jurisdiction, such adjudication shall not affect the remaining sections, sentences, clauses and provisions of this act, but it is the legislative intention in passing this act that such remaining sections, sentences, clauses, and provisions shall nevertheless stand and continue effective.

Section 5. All laws or parts of laws which conflict with this act are hereby repealed, insofar as they conflict with this act.

Section 6. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

an affidavit; and

a zoning ordinance; and

a complete or partial satisfaction, release or assignment of a mortgage or other lien; and the record of any sale of land, or any interest therein, to satisfy a lien for taxes assessed against such land or interest or for an assessment for public improvements, when such sale, tax assessment or assessment for public improvements is made by the State of Alabama, by any county or municipality of the State of Alabama, or by any instrumentality of any county or municipality of the State of Alabama; or a deed executed by any public official in ratification of such sale.

(b) A "source of title" is one of the following:

A recorded instrument or instruments by which a per-

son executing a land transfer instrument has acquired the title or other interest purportedly created or transferred or by which a person acquired the title or other interest against which a land transfer instrument evidences a claim: or

A recorded instrument or instruments, other than a power of attorney, by which a person executing a land transfer instrument acquired the right to execute such instrument; or

A recorded Possession Page, Estate Page or Judicial Decree Page as hereinafter defined.

(c) A "Possession Page" is a sheet of paper of the same size and quality as other sheets contained in the deed books. Such a page shall be inserted in the deed books by the judge of probate at the request of a person presenting for record a land transfer instrument evidencing a claim against a title or interest acquired by another exclusively by adverse possession or prescription without any reliance upon any recorded source of title. The page shall be designated at the head, "Possession Page." The heading shall be followed by the name of the person claiming by adverse possession or prescription. It shall thereafter contain a description of the land claimed and a brief statement as to the extent of the claim. The Possession Page shall be indexed in the reverse name index to deeds as though the claimant were the grantee. It shall not be indexed in the direct name index to deeds. Only one Possession Page shall relate to the claim of any designated person against a given tract of land. No Possession Page shall be established unless there is endorsed thereon an affidavit by an attorney at law stating he has examined the record and, to his best knowledge and belief, there is no other previously recorded Possession Page, or other recorded source of title, purporting to give notice of title to the same land acquired by the same person described as the claimant in the newly created Possession Page.

(d) An "Estate Page" is a sheet of paper of the same size and quality as other sheets contained in the deed books. Such a page shall be inserted in the deed books by the judge of probate at the request of a person presenting for recording a land transfer instrument, evidencing a claim against a title or interest acquired by testate or intestate succession. The page shall be designated at the head, "Estate Page." The heading shall be followed by the name of the decedent. The Estate Page shall also show the county in which the estate was probated and the file number of the proceeding. If the estate has not been probated, the Estate Page shall contain the notation "Estate Not Probated," in lieu of the entry provided for in the preceding sentence. The Estate Page shall be indexed in the direct name index of deeds as though the

deceased were the grantor, but no grantee will be shown. It shall not be indexed in the reverse name index to deeds. Only one Estate Page shall be created for any estate. Where the estate is being probated, or has been probated, in the same county where the land affected by the land transfer instrument lies, the judge of probate shall note in the margin, adjacent to the name of the estate, at the entry showing the initial application for probate, in the index of probated estates, that an Estate Page has been created for the estate and is recorded in an indicated deed book at an indicated page. Where an estate has not been probated, or has been probated in another county, the probate judge shall enter in the index of probated estates the name of the deceased, followed by the entry, "Unprobated Estate," or "Probated in _____ County" (naming the county), as the case may be. He shall then note in the margin adjacent to the name of the estate in the index that an Estate Page has been created and is recorded in an indicated deed book at an indicated page.

(e) A "Judicial Decree Page" is a sheet of paper of the same size and quality as other sheets contained in the deed books. Such a page shall be inserted in the deed books by the judge of probate at the request of a person presenting for recording a land transfer instrument evidencing a claim against a title or interest acquired by virtue of a judicial decree, other than a proceeding to probate a testate or intestate estate. The page shall be designated at the head, "Judicial Decree Page." The heading shall be followed by the style of the action to which it pertains, followed by the file number of the action, the office in which the record is lodged, and the book and page in which the final decree has been recorded. The Judicial Decree Page shall be indexed in the direct and indirect name index to deeds as though all the parties were both grantors and grantees. Only one judicial decree page shall be created for any one action or proceeding. When such a page has been established the judge of probate shall note in the margin of the *lis pendens* filed to give notice of the action or proceeding the fact that a judicial decree page has been created and is recorded in an indicated book at an indicated page. A *lis pendens* may be filed at any time, either before or after a final judgment or decree and shall continue to give notice after a final judgment or decree has been rendered. The filing of a final judgment or decree ordering the execution of a land transfer instrument, or sufficient in itself to transfer an interest in land, shall not be notice of its contents until such *lis pendens* has been filed. Without excluding any other type of action or proceeding, an action for divorce or separation, in which the court is asked to adjudicate, or does adjudicate, the property rights of a husband and wife,

falls within the terms of this section.

(f) A "first endorsement" is the endorsement, required by Section 2 of this Act to be placed on the face of or in the margin of any land transfer instrument indicating how the instrument shall be indexed on the source of title.

(g) A "second endorsement" is that part of the first endorsement to be recorded in the claims list in the margin of the record of a source of title. It contains a description of the instrument to be listed in the claims list and the location of such instrument, and, where required, the index location of the land.

(h) A "claims list" is the list, in the margin of the record of any source of title, containing all second endorsements, as herein defined, indexing claims against the source of title. If the margin of the record of the source of title is insufficient to contain any or all of the second endorsements, an additional sheet or sheets of paper may be attached to the record of the source of title by means of metal grommets; or, in lieu thereof, a new page, to be called "an endorsement sheet", may be inserted in some other place in the deed books. If an endorsement sheet is inserted it shall relate to one and only one source of title and shall carry at the head the statement that it is an endorsement sheet for a designated record, recorded in a designated book at a designated page. Whenever an endorsement sheet is established for any source of title that fact and the location of the endorsement sheet shall be endorsed in the margin or on the face of the source of title. Any sheet or sheets attached by grommets and any endorsement sheet shall be deemed a part of the margin of the original record.

(i) An "instrument to be indexed" or "instrument to be recorded" is any land transfer instrument presented for record.

(j) A "person" includes both the singular and the plural, a corporation, an estate, an executor, an administrator, a partnership and any other legal entity capable of conveying an interest in land.

(k) The "probate judge" is the probate judge for the county in which any land, title to which is affected by an instrument to be recorded or indexed under the terms of this Act, lies.

(l) "Agreements not to encumber" shall be treated, for purposes of recording and indexing, as though they are mortgages. For purposes of indexing the person agreeing not to encumber shall be treated as the mortgagor and the person to whom the promise is made as the mortgagee.

(m) The index location of any land gives the township, range, section and quarter-quarter section in which the land lies, or, in lieu thereof, gives a reference to the parcel number of the land according to a map or plat recorded in the office of the probate judge in which the land lies, identified by reference to the book and page where the map or plat is recorded.

Section 2. Endorsement on Instruments: After the effective date of this Act no probate judge in any county having a population of not less than 115,000 nor more than 150,000 persons, according to the last or any subsequent Federal Decennial Census, shall accept for recording any land transfer instrument which does not carry on its face or on the margin a first endorsement. The first endorsement shall be in substantially the following language: "Endorse in claims list on the source or sources of title, recorded in _____ (giving kind of book, number of book and page therein where the source of title is found) the following: '_____' (giving a brief description of the land transfer instrument upon which the first endorsement appears, such as deed, mortgage, lease, contract or similar instrument) recorded in _____ book number _____ at page _____." Where the land transfer instrument affects less than all the land described in the source of title or where the source of title is a testate or intestate estate or a judicial decree, the endorsement set out above shall be followed by the index location of the land affected. The probate judge may, in his discretion, permit abbreviations to be used in the endorsement, so long as such abbreviations are consistent and intelligible. The probate judge and his deputies are forbidden to make the first endorsement on the land transfer instrument or to fill in the entries showing the source of title other than a Possession, Estate or Judicial Decree page not already established; except that where two instruments are presented for recording, the first constituting both a claim against a pre-existing source of title and a source of title against which the second instrument is evidence of a claim, and the second is filed before the first has been assigned a book and page number for recording, the source of title entries in the endorsement on the second instrument shall be filled in by the probate judge or his deputy after the first instrument has been assigned a book and page number for recording. The probate judge or his deputy, when the instrument to be recorded has been assigned a book and page number for recording, shall complete the entries to be used in the second endorsement. When the first endorsement is completed, the second endorsement, consisting of the description of the instrument to be recorded and the location where it is recorded, and, when required, the index location of the land, shall be

copied in the claims list in the margin of the record of the source of title.

If the land transfer instrument evidences a claim against more than one source of title, all such sources shall be listed in the first endorsement and the second endorsement shall be entered in the claims list in the margin of the record of each such source of title.

If the source of title of the person against whom a claim is made, or of the grantor named in any other land transfer instrument, is an unrecorded instrument not immediately available for recording by the person seeking to record any land transfer instrument, such fact shall be set forth in the first endorsement, together with a recitation of the chain of title back to the last recorded source of title. In such case the second endorsement shall be entered in the margin of the record of the last recorded source of title. If the source of title of the grantor, or person against whom a claim is made, is an unrecorded instrument immediately available for recording by the person seeking to record the land transfer instrument, the judge of probate shall require the recording of the source of title as a prerequisite to the recording of the land transfer instrument.

When the source of title is an intestate or testate estate the first endorsement shall recite such fact and the book and page number where testate or intestate's source of title is recorded and the book and page number where the Estate Page is recorded. An Estate Page shall be established, if one is not already recorded, and the second endorsement shall be entered in the claims list on the Estate Page. When the source of title is a testate or intestate estate and the testator or intestate acquired his interest through another testate or intestate estate, the first endorsement shall recite the chain of title back to the last land transfer instrument recorded in the deed books. An Estate Page shall be established for each estate in the chain of title for which an Estate Page has not previously been established and the second endorsement shall be entered in the claims list on each Estate Page and in the margin of the last land transfer instrument recorded in the deed books.

When the only source of title is adverse possession or prescription the first endorsement shall recite such adverse possession or prescription and the book and page number where the Possession Page is recorded. A Possession Page shall be established, if one is not already recorded, and the second endorsement shall be entered in the claims list on the Possession Page.

When the source of title is a judicial decree, other than that contained in a proceeding to probate a testate or intestate estate, the first endorsement shall recite such fact and the book and page number where the Judicial Decree Page is recorded. A Judicial Decree Page shall be established, if one is not already recorded, and the second endorsement shall be entered in the claims list on the Judicial Decree Page.

If a land transfer instrument executed prior to the effective date of this Act is presented for recording the probate judge may accept it for recording despite the fact that it does not bear on its face a first endorsement, if and only if there is endorsed on the instrument or attached thereto for recording an affidavit by an attorney at law stating that he has searched the record and, to his best knowledge and belief, there is no recorded source of the grantor's title or no recorded source of title of the person against whom the instrument represents notice of a claim. Upon recording an instrument under the terms of this paragraph the probate judge shall not be required to enter any second endorsement.

Section 3. Satisfaction, etc. of Mortgages: Where the satisfaction, release or assignment of any mortgage or other lien, or a power of attorney to execute such satisfaction, release or assignment, is not entered in full on the face of the record of the mortgage or lien, but is recorded at some other place in the mortgage books or other series of land title records maintained in the probate judge's office, the probate judge shall enter in the margin of the record of the mortgage or lien a notation showing the book and page number where the satisfaction, release, assignment or power of attorney is recorded. Where a release or satisfaction affects only a part of the land subject to the release or satisfaction the index location of the land affected shall also be entered.

If the margin of a mortgage is insufficient to contain all required endorsements it may be enlarged in the same fashion as provided for the enlargement of margins of sources of title in Section 1 (h) of this Act.

Section 4. Prior Acts Not Repealed: Nothing contained in this Act shall repeal any existing statute providing for the recording and indexing of instruments creating or transferring any interest in land.

Section 5. Fees: For indexing any instrument in compliance with the provisions of this Act the probate judge shall, in addition to all other fees heretofore provided by law, be entitled to receive a fee of one dollar where only one second endorsement is required and one dollar plus twenty-five cents for each additional endorsement where more than one second

endorsement is required. All fees collected under the terms of this section shall be deposited with the county treasurer, or other official having custody of the general funds of the county, and shall be held by him in a special fund. The probate judge shall be authorized, at his discretion, to draw warrants, payable out of this fund, to compensate any additional clerk or clerks employed in the probate office to carry out the indexing provided for by this Act, or to increase the compensation of any clerk already employed. Any sums remaining in this special fund at the end of the fiscal year shall be transferred to the general funds of the county. The probate judge is authorized to employ an additional clerk or clerks to carry out the indexing provided for in this Act; provided that, without authorization of the county commission or other county governing board, no compensation shall be paid to such clerk or clerks, other than sums drawn from the special fund above provided for.

Section 6. Counties Exempted: This Act shall apply only to counties having a population of not less than 115,000 nor more than 150,000 persons according to the last or any subsequent Decennial Federal Census.

Section 7. Effective Date: This Act shall take effect six months after its passage by the Legislature and its approval by the Governor or upon its otherwise becoming law.

Section 8. Standard Severability Clause: If for any reason, any section, paragraph, provision, clause or other part of this Act shall be held unconstitutional or invalid, the fact shall not invalidate any other section, paragraph, provision, clause or other part of this Act in and of itself constitutional and valid, and the remaining parts thereof shall be in force without regard to that so held unconstitutional or invalid; provided, further, that if any section, paragraph, provision, clause or other part shall be held unconstitutional or invalid when applied to a given set of facts, such action shall not invalidate such section, paragraph, clause or other part when applied to another and different set of facts.

AN ACT

To amend Section 11 of Act No. 405 enacted at the 1967 Regular Session of the Legislature of Alabama (applicable to any county in the state having a population of 500,000 or more, according to the last or subsequent federal census), so as to allocate to the Board of Health of any such county (effective with the distribution required to be made on or before July 20, 1974) nine per cent (9%) of the first one-half share of proceeds from the taxes levied by said Act No. 405 over and above that portion allocated for the costs of collection, administration and enforcement and so as to increase (effective with the distribution required to be made on or before October 20, 1973) from twenty-two per cent (22%) to thirty-one per cent (31%) the portion of the total amount of the second one-half share of proceeds from the taxes levied by said Act No. 405 required to be paid to the Treasurer or other custodian of funds for the Board of Health of any such county.

Be It Enacted by the Legislature of Alabama:

Section 1. Section 11 of Act No. 405 enacted at the 1967 Regular Session of the Legislature of Alabama is hereby amended to read as follows:

“Section 11. Application of Proceeds. On or before the twentieth day of each calendar month, commencing with the calendar month next following that during which the Commissioner of Licenses first collects any of the taxes levied hereby, the Commissioner of Licenses shall divide into two equal shares the total proceeds (including any interest and penalties) collected by him during the then preceding calendar month from the license and privilege taxes levied hereby.

The first such one-half shall be applied by the Commissioner of Licenses as follows: (a) he shall pay into the general treasury of the county, for the collection of the taxes levied hereby and for the enforcement and administration of this act, an amount equal to one and one-half percent (1-½%) of the total proceeds

so collected, (b) he shall, commencing with the payment or distribution required to be made on or before July 20, 1974, pay to the Treasurer or other custodian of funds for the Board of Health in any such county an amount equal to nine per cent (9%) of such one-half share, and (c) he shall pay the balance of such one-half share into the Indigent Care Fund.

The second such one-half share shall be applied by the Commissioner of Licenses as follows:

(a) He shall pay \$100,000 of such one-half share to the Authority (or, in the event that such one-half share of the proceeds collected by him during such preceding calendar month is less than \$100,000, he shall pay all of such one-half share to the Authority);

(b) In the event that the total of the amounts paid to the Authority during such calendar month (but out of collections from the then preceding calendar month) from the taxes levied by Acts numbered 524 and 525, both enacted at the 1965 Regular Session of the Legislature of Alabama, aggregates less than \$100,000, he shall also pay to the Authority such amount of such one-half share as, when added to the amounts so paid to the Authority from the taxes levied by said Acts numbered 524 and 525, will equal the sum of \$100,000;

(c) He shall pay to the Treasurer or other custodian of funds for the Board of Health of any such county an amount equal to twenty-two (22%) of the total amount of the second such one-half share; and

(d) He shall pay to the Treasurer or other custodian of funds for the Board of Health of any such county an amount equal to nine per cent (9%) of the total amount of the second such one-half share; provided however, that if

(i) prior to June 15, 1973, the county has issued any bonds, warrants or other securities for the payment of which there have been specially pledged any part of the tax proceeds provided by this paragraph (d) to be paid to the Treasurer or other custodian of funds for the Board of Health of any such county (said tax proceeds being herein called for the purposes of this paragraph (d) "the Paragraph (d) Tax Proceeds" , and

(ii) other tax proceeds and revenues pledged or otherwise available for the payment of said bonds, warrants or other securities are insufficient to pay the principal of or the interest on the said bonds, warrants or other securities as the same respectively mature or otherwise to comply with the agreements and covenants made by the county in connection with the issu-

ance of, and for the benefit of the holders of, said bonds, warrants or other securities,

then so much of the Paragraph (d) Tax Proceeds as, when added to other moneys available therefor, shall be necessary to pay said principal or interest and to comply with said agreements and covenants shall be paid into general treasury of the county and applied for the payment of said principal or interest or in such manner as shall be necessary to comply with said agreements and covenants; and, provided further, that said payments to the Treasurer or other custodian for the Board of Health of an amount equal to nine per cent (9%) of the total amount of the second such one-half share shall not commence until the payment or distribution required to be made on or before October 20, 1973, and that until such time said nine per cent (9%) of such one-half share shall be paid into the general treasury of the County; and

(e) He shall pay into the general treasury of the county the entire balance of such one-half share.

In the event that the county or the Authority issues any bonds, warrants or other securities for the payment of which any part of the taxes levied in this act are pledged, this act shall be deemed to constitute a contract with the holders of such bonds, warrants or other securities."

It is the further intent of the Legislature by the passage of this Act to vest such public corporations with all powers that may be necessary to enable them to accomplish such purposes. This Act shall be liberally construed and in conformity with said intention.

Section 3. AUTHORITY AND PROCEDURE FOR INCORPORATION.

Whenever any two or more governing bodies within counties to which this Act applies shall determine to have a public corporation formed under the provisions of this Act, they shall adopt a resolution wherein it shall be declared that it will be wise, expedient and necessary that such corporation be formed in cooperation with such other governing body or bodies within such counties participating, and directing the Chief Executive Officer, or other designated official of the governing body, to proceed with the incorporation as herein provided.

Section 4. CONTENTS OF CERTIFICATE OF INCORPORATION.

The certificate of incorporation of the corporation shall state the following:

The names of the persons forming the corporation, who shall be the Chief Executive Officers, or other designated persons, of the participating governing bodies, together with the residence of each, and a statement that each of them is a duly qualified elector of the county of incorporation; the name of the corporation which shall be the "_____County Solid Waste Authority" (blank space to be filled in with the name of the county of incorporation) or words of similar import; the location of its principal office, which shall be the county seat of the county of incorporation; the number of directors to serve on the Board of Directors; and means and method of appointment and the terms of office of each; the purposes for which the corporation is organized; the duration of the corporation (if the duration is perpetual, this fact should be stated); the method and proportion of distribution of assets on dissolution; and any other matters which the incorporators may choose to insert therein which shall not be inconsistent with this act or with the laws of the State of Alabama.

The proposed amendment shall be subscribed and acknowledged by each member of the Board of Directors before an officer authorized by the laws of Alabama to take acknowledgements to deeds. There shall be attached as exhibits, certified copies of resolutions of the governing bodies required to be adopted. Such Judge of Probate shall thereupon examine the proposed amendment, and, if he finds that the requirements of this section have been complied with, the proposed amendment is within the scope of what might be included in the original

Certificate of Incorporation he shall approve the amendment and record it in an appropriate book in his office. When such an amendment has been so made, filed, and approved, it shall thereupon become effective and the Certificate of Incorporation shall thereupon be amended to the extent provided in the amendment. No Certificate of Incorporation shall be amended except in the manner provided in this section.

It is deemed desirable but not required that the membership of the Authority include at least two architects, one historian qualified in the field, one city planner or landscape architect, and one realtor. The Au-

thority shall elect from its membership a Chairman and a Vice-Chairman who shall serve for terms of one year and who shall be eligible for re-election. The Chairman shall preside over the Authority and shall have the right to vote. In the absence or disability of the Chairman, the Vice-Chairman shall perform the duties of the Chairman. A majority of the members of the Authority shall constitute a quorum, provided however that no application for a permit under Section 5 hereof shall be denied except by the affirmative vote of a majority of the entire Authority.

(C) The Authority shall operate under such by-laws as it shall adopt for the regulation of its business and organization, provided these are consistent with and not contrary to the laws of the State of Alabama. The Authority may adopt such other rules as may be necessary or desirable for the transaction of business and shall keep a record of its resolutions, transactions, findings and determinations, which record shall be a public record. Meetings shall be held at regular intervals. All meetings of the Authority shall be open to the public. The Authority may employ such persons as it may deem necessary for its work. The board may also contract with architects and other professional and technical consultants for such services as it may require. The expenditures of the Authority, exclusive of gifts or grants, shall be within the amounts appropriated for the purpose by the appropriate governing body, which may provide funds, equipment and accommodations for the Authority's work.

(D) Said Authority shall have the following powers in addition to all other powers conferred on it by this or any other law: (1) to purchase, sell, contract to purchase, contract to sell, own, encumber, lease, mortgage, and insure real and personal property of all kinds and descriptions, including, but not limited to, architectural easements or facade easements designed to preserve the historic and architectural character of the exterior of buildings and structures located in the County; (2) to request, solicit and accept gifts, donations, pledges, fees, bequests, devices, loans or appropriations from any source whatsoever including, but without being limited to, grants or loans from any authorized agency of the State or Federal Government; (3) to set up at such lawful depository or depositories in such Counties as it may select, a "Revolving Fund for Historic Development" which shall be composed of the monies which may come into its hands from any source whatsoever and which shall be used for the furtherance of the objectives and purposes of the Authority; (4) to employ such professional, office, technical and other personnel as may be necessary or desirable for the carrying out in the most efficient manner of the purposes of such Authority; (5) to

conduct a survey of local historic properties; (6) to preserve, restore, maintain and operate historic properties under the ownership, possession, custody, or control of the Authority; (7) to contract with the State or the Federal Government, or any agency of either, or with any other organization or person; (8) to cooperate with the Federal, State and local governments in the pursuance of the objectives of historic preservation; (9) to participate in the conduct of land-use, urban renewal and other planning processes undertaken by the county or by any municipality therein; (10) to make recommendations and otherwise to provide information for the purposes of historic preservation to the county or any municipality therein; (11) to promote and conduct educational and interpretive programs on historic properties within the County; (12) to enter, solely in performance of its official duties and only at reasonable times, upon private lands for examination or survey thereof, provided, however, that no member, employee or agent of the Authority may enter any private building or structure without the express consent of the owner or occupant thereof; (13) to act in accordance with Section 5 hereof; (14) to exercise such further powers as the Authority may deem necessary and fitting to the carrying out of its above-stated purposes.

(F) The Authority shall constitute a non-profit governmental agency whose funds shall be used exclusively for public purposes. The Authority shall have a tax exempt status, and the properties of the Authority and the income therefrom, together with all leases, agreements and contracts made by it, shall be forever exempt from any and all taxation by the State of Alabama and any political subdivision thereof, including, but not limited to, income, admission, amusement, excise, and ad valorem taxes.

Section 5. (A) No building or structure which is or is located within an historic district established under the authority of this Act may be erected, demolished or removed in whole or in part, nor may the exterior architectural character of such a building or structure be altered until after application for a permit has been submitted to the Authority and approved by it.

(B) In passing upon an application for a permit required under subsection (A) of this section, and in making recommendations to governmental authorities under Section 4 of this Act, the Authority shall consider, among other things, the historic, architectural and aesthetic features of such structure, building, area or site, the nature and character of the surrounding area, the use of such structure, building, area or site, and its importance to the county or municipality in

which it is located. In addition to the above factors, when the Authority is requested to issue a permit for new construction in an historic district, it shall consider the general design, the character and appropriateness of design, scale of buildings, arrangement, texture, materials and color of the structure or building in question, and the relation of such elements to similar features of buildings and structures in the immediate surroundings. The Authority shall not consider interior arrangement or interior design; nor shall it make requirements except for the purpose of preventing developments that are not in harmony with the prevailing character of the historic district affected, or that are obviously incongruous with this character. The Authority may refuse a permit for the erection, reconstruction, alteration, demolition, partial demolition, or removal of any building or structure within an historic district that, in the opinion of the Authority, would be detrimental to the interests of the district and against the public interests of the county and of the municipality, if any, in which the district, building or structure is located.

(C) Among other grounds for refusing to issue a permit of the inappropriateness of design, are the following specific defects: Arresting and spectacular effects, violent contrasts of materials or colors and intense or lurid colors, a multiplicity or incongruity of details resulting in a restless and disturbing appearance, the absence of unity and coherence in composition not in consonance with the dignity and character of the present structure or building in the case of repair, remodeling or enlargement of an existing building or with the prevailing character of the neighborhood in the case of a new building.

(D) In case of disapproval of an application for a permit, the Authority shall state the reasons therefor in a written statement to the applicant and may give verbal advice and illustrative drawings to the applicant and make recommendations in regard to appropriateness of design, arrangement, texture, material, color and the like of the property involved.

Section 6. Prior to the making of any recommendation by the Authority to a governmental authority for the establishment of an historic district, and prior to any determination with respect to an application for a permit to demolish any building or structure, in whole or in part, that is or is located within an historic district, the Authority shall hold a public hearing upon the issue. At least three (3) days' notice of the time and place of each such hearing shall be given by the chairman of the Authority by publication in the form of an advertisement in a newspaper of general circulation within the county and in writing to the applicant.

Section 7. Any person aggrieved by a determination or ruling of the Authority may appeal, within thirty (30) days of such ruling, as follows:

(A) to the board of adjustment of the municipality in which the area, site, building or structure is located, if the area, site, building or structure in question is located within a municipality having a board of adjustment established pursuant to Title 37, Chapter 16, Article 2, Section 781, Code of Alabama, as now constituted and as the same may be amended.

(B) to the circuit court or court of like jurisdiction, sitting in the county, in all other cases.

Section 8. The circuit court or court of like jurisdiction sitting in the county shall have jurisdiction to enforce the provisions of this act and the rulings and determinations issued thereunder and may restrain by injunction violations thereof.

Section 9. The County governing body, and any municipality therein, may adopt such other resolution or ordinances and appropriate such sums of money as the governing bodies may deem necessary to effect the purposes of this Act.

Section 10. In case any section, paragraph or part of this Act be for any reason declared invalid or held unconstitutional by any court of last resort, every other section, paragraph or part shall continue in full force and effect.

Section 11. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Act No. 692

S. 798—Malone

AN ACT

To amend Sections 2 and 3 of Act No. 1126, S. 378, Regular Session 1969 (Acts 1969, p. 2084) so as to provide for the designation of State Planning and Development Districts and the establishment of Regional Planning and Development Commissions in counties having a population between 93,000 and 100,000 persons, according to the most recent federal decennial census; and further defines the duties and authority of regional planning commissions in said counties.

Be It Enacted by the Legislature of Alabama:

Section 1. Sections 2 and 3 of Act No. 1126, S. 378, Regular Session 1969 (Acts 1969, p. 2084) are hereby amended to read as follows:

“Section 2.

“(a) The Governor may, from time to time, as he deems appropriate and necessary, define and designate a state planning and development district by Executive Order. The Governor shall, within twelve months of the effective date of this Act define and designate state planning and development districts embracing all territory within the state.

"(b) In defining boundaries of state planning and development districts, the Governor shall consult with the governmental units concerned and shall consider such factors as community of interest and homogeneity; geographic features and natural boundaries; patterns of communication and transportation; patterns of urban development; total population and population density; similarity of social and economic problems; boundaries of existing regional planning commissions and councils of government; existing state functional planning areas; and utility of proposed boundaries for provision of governmental services. Districts should be as large as practicable consistent with the above factors and except as hereinafter provided shall include at least three contiguous counties and contain a population of at least 100,000. No county shall be divided in forming a district.

"(c) The Governor may change boundaries of districts as required to reflect changing conditions or otherwise to fulfill the purposes of this Act, observing the criteria and procedures stated in subsection (b), of this section.

"(d) Provided, however, that the Governor may define and designate single county state planning and development districts within any county having a population between 93,000 and 100,000 persons according to the most recent federal decennial census.

"Section 3. Formation of Regional Planning and Development Commissions.

"(a) At any time subsequent to the designation of a state planning and development district pursuant to Section 2 of this Act, governmental units within the district, acting through their governing bodies by ordinance or resolution, may adopt a written agreement for the formation of a regional planning and development commission and may petition the Governor to certify such a commission for a region located entirely within a state planning and development district and consisting of at least three contiguous counties and containing a population of at least 100,000. Governmental units so petitioning must represent at least a majority of the population within the proposed region. No county shall be divided in forming a region. The Governor may, after consultation with the governing bodies of the governmental units involved, amend petitions to include additional counties to assure that the objectives of this Act are furthered and that no county or city will be precluded from participation in a regional planning and development commission.

"(b) In case two or more governmental units determine that the geographical area embraced by such units, although

not meeting the minimum criteria prescribed in subsection (a) above, is logically, for planning and development purposes, a part of a larger area which extends into an adjoining state, or states, such governmental units may adopt an agreement for the formation of a regional planning and development commission and may petition the Governor to certify such commission for the proposed region. The Governor may, after consultation with the governmental units which are parties to the petition and after approval by him of an appropriate interstate agreement or compact, certify the commission. In such case the Governor may authorize such deviations from the minimum requirements for area and population prescribed in Sections 2 and 3, and the requirements for composition of the commission prescribed in Section 4 of this Act as may be necessary to conform to the interstate agreement or compact. No county shall be divided in applying the provisions of this Section.

“(c) Regional Planning and Development Commissions may be formed in any county having a population between 93,000 and 100,000 persons according to the most recent federal decennial census, in the same manner as in any other state planning and development district, provided however that the requirements for the formation of such districts and commissions with respect to the population and numbers of contiguous counties shall not be applicable to districts and commissions formed pursuant to this Act. Regional Planning and Development Commissions so formed may function in conjunction with contiguous regional planning and development commissions with respect to any project, plan, program or other activity which by necessity crosses county or state planning and development district boundary lines.”

Section 2. The establishment and operation of any State Planning and Development District or Regional Planning Commission designated or formed pursuant to this Act shall not be affected by any subsequent changes in population, so long as the county comprising such district and in which such commission is located met the requirements hereof at the time such district was designated or such commission was formed.

Section 3. Commissions formed pursuant to this Act shall have the authority to enter into joint planning agreements, contracts, or programs with adjacent counties, municipalities situated in adjacent counties or adjacent Regional Planning and Development Commissions. If the Governor should determine that it is desirable to change the boundaries of regional planning and development districts which have been defined and designated pursuant to this Act to include an adjacent county, or counties within such district or districts, he shall

have the authority to do so in the manner and form set forth in Section 2 of Act No. 1126 of the 1969 Regular Session of the Alabama Legislature, provided however that the criteria or requirements set forth in sub paragraph (b) thereof with respect to population and numbers of contiguous counties shall not apply to district designated by the Governor under the authority of this Act, nor to any change in the boundaries of such district which the Governor may find to be desirable as provided in sub paragraph 3 of Section 2 of Act No. 1126 of the 1969 Regular Session of the Alabama Legislature.

Section 4. This Act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Be It Enacted by the Legislature of Alabama:

Section 1. The board of registrars of Cleburne County is hereby directed to purge all lists of the qualified electors in the county to the end that the names of all persons who are deceased or nonresidents of the county, or have otherwise become disqualified from voting in Cleburne County, shall be removed from such lists, and that the name of each qualified elector shall appear only on the list of qualified electors for the beat in which he resides.

Section 2. The board of registrars shall omit and remove from the lists of qualified electors of the county the name of any person who fails to reidentify himself, in the manner prescribed herein, before the first day of January, 1974. No person whose name is removed from the list of qualified electors as herein provided shall cease permanently to be a qualified elector nor be subject to re-registration, but shall be subject only to the requirement that he reidentify himself as a duly registered elector before being listed on the list of qualified electors in the county, and before being entitled to vote.

Section 3. Prior to the first day of January, 1974, the board of registrars of Cleburne County is hereby authorized, directed, and required to visit each beat in the county at least once, and more often if necessary, and remain there at least one day from nine o'clock in the morning until five o'clock in the afternoon, for the purpose of enabling qualified and registered voters residing in the beat to appear before the board and reidentify themselves. The board shall give at least ten days notice, by advertisement in a newspaper published in the county, of the time when, and the place in the beat where, they will attend for the purpose of enabling voters to appear and reidentify themselves. During the 30 day session the board shall visit each beat on at least one day and the remainder of the time may be divided as the board of registrars deem necessary, to enable the qualified electors of the county to appear and reidentify themselves in the manner prescribed herein. No voter shall appear and reidentify himself at any place except in the beat in which he resides or in the courthouse of the county.

Section 4. Each member of the board of registrars shall receive ten dollars per day, for each day's attendance upon the special sessions of the board required under the provisions of this Act; but if such special session is held on the same day a regular session is required to be held under the laws of this State, registrars shall receive only one per diem allowed for performing their regular duties, it being the intent and purpose of this Act that registrars shall be entitled to receive only one per diem allowance for one day's service. Section 5. The voter may reidentify himself by appearing in person before the board of registrars in the beat in which he resides, or by appearing before the judge of probate, or either of the clerks in the office of the judge of probate, or before the board of registrars in regular session, and answering such questions and submitting such proof under oath, as the board may require in order to establish the voter's identity, place of legal residence, and the fact that the voter has not become disqualified from voting in the county.

Provided, however, every qualified elector must have reidentified himself at least 10 days prior to the election at which he offers to vote; provided further, however, that this Act shall not be construed or applied to impair or deny the right to vote in person or by absentee ballot of any person or of the spouse of any person, now a qualified elector of said county, who is in active duty of any of the armed forces of the United States of America and stationed, and, as to the spouse, who is living with her or his husband or wife as the case may be, outside of Cleburne County, Alabama, during the period of time from the effective date hereof to January 1, 1974.

AN ACT

To provide for purging the lists of registered voters in Randolph County; requiring and prescribing the procedure for the re-identification of registered voters; placing certain duties on the board of registrars, judge of probate, and the county governing body relative to the re-identification of registered voters; and providing a penalty for willfully making a false statement in connection with re-identification.

Be It Enacted by the Legislature of Alabama:

Section 1. The board of registrars of Randolph County is hereby directed to purge all lists of the qualified electors in the county to the end that the names of all persons who are deceased or nonresidents of the county, or have otherwise become disqualified from voting in Randolph County, shall be removed from such lists, and that the name of each qualified elector shall appear only on the list of qualified electors for the beat in which he resides.

Section 2. The board of registrars shall omit and remove from the lists of qualified electors of the county the name of

any person who fails to reidentify himself, in the manner prescribed herein, before the first day of January, 1974. No person whose name is removed from the list of qualified electors as herein provided shall cease permanently to be a qualified elector nor be subject to re-registration, but shall be subject only to the requirement that he reidentify himself as a duly registered elector before being listed on the list of qualified electors in the county, and before being entitled to vote.

Section 3. Prior to the first day of January, 1974, the board of registrars of Randolph County is hereby authorized, directed, and required to visit each beat in the county at least once, and more often if necessary, and remain there at least one day from nine o'clock in the morning until five o'clock in the afternoon, for the purpose of enabling qualified and registered voters residing in the beat to appear before the board and reidentify themselves. The board shall give at least ten days notice, by advertisement in a newspaper published in the county, of the time when, and the place in the beat where, they will attend for the purpose of enabling voters to appear and reidentify themselves. Upon failure to give such notice, or to attend any appointment made by them in a beat, they shall, after like notice, fill new appointments. The board shall remain in session for thirty days. During the 30 days session the board shall visit each beat on at least one day and the remainder of the time may be divided as the board of registrars deem necessary, to enable the qualified electors of the county to appear and reidentify themselves in the manner prescribed herein. No voter shall appear and reidentify himself at any place except in the beat in which he resides or in the courthouse of the county.

Section 4. Each member of the board of registrars shall receive ten dollars per day, for each day's attendance upon the special sessions of the board required under the provisions of this Act; but if such special session is held on the same day a regular session is required to be held under the laws of this State, registrars shall receive only one per diem allowed for performing their regular duties, it being the intent and purpose of this Act that registrars shall be entitled to receive only one per diem allowance for one day's service. If one or more of the members of the board shall refuse, neglect, or be unable to serve, or if a vacancy or vacancies occur in the membership of the board from any cause, the Governor, State Auditor, and Commissioner of Agriculture and Industries, or a majority of them, shall forthwith make other appointments to fill such vacancies.

Section 5. The voter may reidentify himself by appearing in person before the board of registrars in the beat in which

he resides, or by appearing before the judge of probate, or either of the clerks in the office of the judge of probate, or before the board of registrars in regular session, and answering such questions and submitting such proof under oath, as the board may require in order to establish the voter's identity, place of legal residence, and the fact that the voters has not become disqualified from voting in the county.

Section 6. The board of registrars shall meet on the first Monday in January 1974, for the purpose of purging the registration lists and the names of all persons who have failed to appear and reidentify themselves in the manner herein prescribed shall be stricken from the lists, provided, however, that said board shall not strike the name of any person, or of the spouse of any person, known by any member of said board, or made known to the said board by the written affidavit of another qualified elector, to be in active duty of any of the armed forces of the United States of America, and to be stationed, or to be living with her or his spouse, as the case may be, outside Randolph County, Alabama, during the period of time from the effective date hereof to January 1, 1974.

Section 7. Any qualified elector of the county who shall have his name omitted or removed from the list of qualified electors in the county by failure to appear and reidentify himself as herein provided shall be entitled to have his name restored to the list of qualified electors by appearing in person at the office of the board of registrars, or at the office of the judge of probate, and answering such questions and submitting such proof, under oath, as the board may require to establish the voter's identity, place of legal residence, and the fact that the voter has not become disqualified from voting in the county. Provided, however, every qualified elector must have reidentified himself at least 10 days prior to the election at which he offers to vote; provided further, however, that this Act shall not be construed or applied to impair or deny the right to vote in person or by absentee ballot of any person or of the spouse of any person, now a qualified elector of said county, who is in active duty of any of the armed forces of the United States of America and stationed, and, as to the spouse, who is living with her or his husband or wife as the case may be, outside of Randolph County, Alabama, during the period of time from the effective date hereof to January 1, 1974.

"For the accomplishment of this purpose those who were officers of the district at the time of its dissolution shall be authorized to execute any necessary conveyance, contract or other instrument which may be necessary.

"(b) As herein used in this Section 15, the term 'new district', means a district which has been, or shall be, created under this Act, and which when created contains at least ninety percent (90%) of the territory which comprised a previous district which was abolished under this Section 15.

"When a district has heretofore been, or shall hereafter be, abolished, as provided for in this Section 15, and a new district has heretofore been, or shall hereafter be, created, and the creation of the new district was, or shall be, accomplished before the Committee disposes of the funds, property and assets of the abolished district, as provided for in this Section 15, the new district shall be entitled to receive, and shall own, all funds, property and assets of the abolished district. AN ACT

To authorize the Bibb County governing body to provide protection against forest fires within the county and to assess the whole or a part of the cost thereof, within a prescribed limit, against forest lands in the county; and prescribing the procedure for levying and collecting such assessments.

Be It Enacted by the Legislature of Alabama:

Section 1. The county governing body of Bibb County is authorized, when the need exists, to provide protection against forest fires in Bibb County by participating in the Alabama Forestry Commission's fire protection program in the manner specified.

Section 2. (a) After the Bibb County governing body has determined that such a need does exist in Bibb County, the county governing body may, in the manner hereinafter specified, provide for a financial charge or tax of five cents per acre to be paid by the owners of forest lands located in Bibb County for the use of the land for timber growing purposes amounting to the whole or any part of the cost of such fire protection program.

(b) "Forest lands" as used in this Act, shall mean any land which supports a forest growth, or which under prevailing natural and economic conditions may be expected to support such a growth in the future, or which is being used or reserved for any forest purpose. "Forest lands" as used in this Act, shall not include any lands primarily used for residential purposes nor shall it include any publicly owned lands.

Section 3. The need for such a financial charge or tax to provide forest fire protection within the county shall be de-

Notice of such public hearing shall be given by the county governing body for a period of two consecutive weeks by advertisement in a newspaper of general circulation in Bibb County. Such advertisement must indicate the date, time, and place of the hearing, the manner proposed to finance such fire protection program, and the part of the cost of such program that is proposed to be paid by the owners of forest lands. Financial charges or taxes levied shall constitute a lien on the property against which they are charged or taxed in case of default in the payment of such financial charge or tax the land may be sold in the same manner and under the same conditions that lands are sold for the satisfaction of liens for county ad valorem taxes and redemption from such sale may be effected in the same manner as is provided by law for redemption where land is sold for non payment of ad valorem taxes.

Section 5. The county governing body of Bibb County is authorized to appoint agents and delegate authority to individuals to search out forest lands in Bibb County, determine the area and owners thereof, and report same to the tax assessor of Bibb County who shall be authorized, after notice by certified mail to such owners, and hearing before the county governing body if so requested by such owners, to place said financial charge or tax against said forest lands as may be determined by the report of such agents or the determination of said county governing body.

HOUSE JOINT RESOLUTION

"WHEREAS, through more than 150 years the Legislature of Alabama has sought to recognize and honor distinguished sons of this great State who have in the character and magnitude of their contributions indelibly impressed their mark forever upon the peoples who live here, not only in their own time but also in the years to come.

Frank Park Samford is such a man, and this Legislature seeks to pay him tribute. He carries the name of one of Alabama's most illustrious families whose works have been known in service to the State and its people in many ways. His grandfather, William J. Samford, sat in the Constitutional Convention of Alabama in 1875 and died while holding the office of Governor of this State to which he was elected in 1900. His father, William Hodges Samford, sat on the Alabama Constitutional Convention in 1901, and later served for almost thirty years as a distinguished jurist on the Alabama Court of Appeals. Worthy and high the honor and service of those who came before him, they cannot exceed those which he himself deserves in the outstanding contributions to his fellow citizens and to this State.

A native of Troy and a graduate of Auburn University, Frank Park Samford began his distinguished career in the life insurance business in 1914 when he became the first Deputy Insurance Commissioner of Alabama. Upon leaving the office of the Regulator he joined a small struggling fraternal benefit society by the name of Heralds of Liberty and this year retired as Chairman of the Board of Liberty National Life Insurance Company, the successor to Heralds of Liberty, and one of the twenty largest stock life insurance companies in the United States. It is the largest life insurance company in Alabama and Alabama's largest financial institution. With its Home Office in Birmingham the company is licensed to do business in thirty-four states and the District of Columbia. Nearly 1,000 persons are employed in its Home Office and an additional 1,500 persons work out of its 70 district offices located throughout the State of Alabama. Though life insurance has been his business, his career has been to serve the people of this State in many ways. He has served as United Appeal Chairman of Jefferson County Community Chest, as a member of the Birmingham Housing Authority, President of Jefferson County TB Sanitarium, State Vice Chairman of the War Finance Committee in World War II, Chairman of Christmas Seal Campaign, Chairman of fund raising campaign to secure the U.S.S. Alabama Battleship for Mobile in

1964. He has served as Director of the Birmingham YMCA and YWCA; on the Board of Directors of Birmingham Baptist Hospitals; for many years as a Trustee of Auburn University and Chairman of the Board of Trustees of Samford University, an institute of higher learning in Birmingham with an enrollment of more than 3,000 men and women from all parts of the country, who attest his interest. Hospitals, religious organizations, and other charities have known his work and received his gifts.

Birmingham recently celebrated its Centennial and the citizenry selected him as the "Greatest Businessman in Birmingham's First Century." "Man of the South" and "Man of the Year" he has been designated by various organizations. The Alabama Broadcasters Association named him "Citizen of the Year." He has been named to the Academy of Honor of the State of Alabama, honored by the Alabama Sheriff's Boys Ranch, awarded the Gold Medal of Merit by the Veterans of Foreign Wars, given the Valor Award for Outstanding Service to Boyhood by the Birmingham, Alabama Council of the Boy Scouts of America. Howard College of Birmingham, Auburn University and the University of Alabama have bestowed upon him honorary Doctor of Laws degrees.

Atop the Home Office building of his Company stands a 31 feet high, 20,000 pound replica of Bartholdi's Statue of Liberty. Her lighted torch over the skyline of the city serves as a visible and vigilant reminder of our heritage of freedom, a project worthy of special commendation by Freedom Foundation at Valley Forge for its contribution to the remembrance of the ideals of our founding fathers. Through the concern of Frank Park Samford over 200 public schools and libraries throughout this State have received the great documents of freedom published by the American Bar Association in 1959 as the "Sources of Our Liberties." The Magna Carta and Bill of Rights are to Frank Park Samford more than ancient documents from other days; they are eternal verities for all people for all time.

He has been friend and advisor to those who serve in high office and friend and advisor to those who serve in less lofty places. In all he has served this State and its peoples in a manner befitting this recognition.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF ALABAMA, BOTH HOUSES THEREOF CONCURRING, that we hereby honor Frank Park Samford on his 80th birthday on November 1, 1973 and hereby declare that November 1 of each year be designated "Frank Park Samford Day" to honor the work of this worthy son, to recognize his

contributions and his achievements, and to serve as an inspiration for those who now serve and who yet may serve this State in similar ways in high places and noble achievement."

and appropriation of license fees, taxes, commissions, and other monies received under the provisions of the act; to provide for the refinancing or retirement of the bonds of indebtedness on the St. Clair County Hospital; to provide for the creation of a scholarship trust fund and administration thereof; to provide certain penalties for the violation of this act and for other purposes relative thereto; to further define the intent of the act, and to provide for a referendum of the voters of the county on the question of whether the act will become effective in the county.

Be It Enacted by the Legislature of Alabama:

Section 1. The St. Clair County Racing Commission is hereby created and established, and is vested with the powers and duties specified in this act, and all other powers necessary and proper to enable it to execute fully and effectually the purposes of this act. The Commission shall consist of three (3) members; one (1) to be appointed by the St. Clair County Commission; one (1) to be appointed by the St. Clair County Board of Education; and one (1) to be appointed by the St. Clair County Legislative delegation. The original members shall serve terms as follows; one (1) for a term of two (2) years; one (1) for a term of four (4) years; and one (1) for a term of six (6) years. The members shall draw by lot at the first meeting of the commission to determine their respective terms. Hereafter, each term shall be for a term of six (6) years. The commissioners shall select from among their members, a chairman, vice-chairman, and a secretary. The secretary shall keep a record of all proceedings of the commission and shall preserve all books, maps, documents, papers, and records entrusted to the commission's care. The commission shall maintain an office in either courthouse in St. Clair County that they determine to be more convenient or feasible, and may maintain branch offices elsewhere in the county when the proper functioning of the commission's business so requires. A majority of the commission shall constitute a quorum for all purposes. The chairman shall preside at all meetings of the commission provided, however, in his absence, the vice-chairman shall preside.

Section 2. Should one of the appointing authorities fail to make its appointment to the commission within thirty (30) days after this act becomes operative the two remaining appointing authorities shall make the appointment. In the event a vacancy occurs and the respective appointing authority fails to appoint a qualified person to the commission within thirty (30) days, the two remaining appointing authorities shall make the appointment to fill the vacancy. A commission member may be removed at the request of the respective appointing authority for just cause, provided that such request is made in writing setting forth the reasons for removal and a copy

of the request is sent to and concurred in by the other two appointing authorities.

Section 3. The members of the commission shall be qualified electors not less than twenty-five years of age, who shall have resided in St. Clair County for the period of five years next preceding their appointment, and each Commissioner shall take the same constitutional oath of office as other county officers, and shall give bond payable to St. Clair County in the amount of five thousand dollars (\$5,000), conditioned that he will faithfully and properly perform the duties of his office. The premiums on such bonds shall be paid by the commission. The commission may employ such assistants and employees as may be necessary, and fix their compensation in such amounts as the county governing body may approve. Such employees shall be subject to the provisions of the act providing for the St. Clair County Personnel Appeals Board. A member of the commission must not be an official, member of any board of directors, or person financially interested in any race track or race meeting licensed by the commission, nor shall he race greyhounds in any race meeting licensed by the commission.

Section 4. The compensation of each member of the commission shall be one hundred dollars (\$100.00) per month. One member of said commission shall be required to be in attendance at each racing event, and said designated member shall receive an additional thirty dollars (\$30.00) per diem while engaged in the performance of his duties. The above sums shall be paid out of the funds in the county treasury deposited to the credit of the County Racing Commission, and shall be paid to the commissioners in the same manner as the compensation of other county officers is paid.

Section 5. The racing commission herein created is authorized and empowered to issue revenue bonds for the purpose of land acquisition and for the construction of a race track or tracks in St. Clair County. Proceeds from lease payments on the track or tracks shall be used to retire said revenue bonds. The racing commission herein created shall not be abolished so long as there are outstanding bonds of indebtedness that were issued and secured by the lease payments or by revenue to be derived from the provisions of this act.

Section 6. The County Treasurer of the County shall be ex officio treasurer of the Racing Commission, and shall collect all the license fees, taxes, and monies provided in this act, and shall supervise, check and audit the operation of the parimutuel wagering pools and the conduct and distribution thereof. The County Treasurer may be compensated for these addi-

tional duties in an amount set by the county governing body, and such compensation shall be paid out of the monies deposited to the credit of the Racing Commission prior to distribution of monies as later provided for in this act. Any expense incurred by the treasurer relating to duties performed as ex officio treasurer may also be paid out of the monies deposited to the credit of the Racing Commission prior to distribution of monies as later provided for in this act. Bond for the ex officio treasurer may be adjusted and set for these additional duties by county governing body.

Section 7. An applicant for a license to erect or operate a race track in St. Clair County under the provisions of this act shall be a corporation, incorporated in St. Clair County. Said corporation must disclose at the time of filing of its application the amount of stock issued and the names of all stockholders and the amount of stock owned by each. A minimum of sixty per cent of said stock must be owned by residents of St. Clair County who must have resided in St. Clair County for a period of five years. The records of said corporation shall be open to the Racing Commission and if any time less than sixty per cent of the stock is owned by county residents as specified above, said corporation shall forfeit its license to operate under the provisions of this act. The provisions of this section may be waived, should they prove impractical, upon the request of the Racing Commission with the concurrence of a majority of their appointing authorities. For purpose of this act the appointing authorities shall be defined as follows: (1) St. Clair County Commission, (2) County Board of Education, and (3) County Legislative Delegation. For the purpose of waiving the provisions of this section each of the above mentioned authorities shall be entitled to one vote making a total of three votes.

Section 8. It shall be the duty of the County Racing Commission to carry out the provisions of this act; and it shall have the following specific duties;

(1) To fix and set the dates upon which race meeting may be held or operated.

(2) To make an annual report to the County Commission of its operation, showing its own actions and rulings, the receipts derived under the provision of this act, and such suggestions as it may deem proper for the more effective accomplishment of the purpose of this act.

(3) To require each applicant, who must meet the requirements of Section 7, to set forth on its application for a license to operate a race meeting the following information;

(a) The names of the stockholders and directors of the corporation.

(b) The exact location where it is desired to conduct or hold a race meeting and preliminary plans showing the site topography, the type of construction, the track design and concession plans together with a statement of the assets and liabilities of the corporation making such application. An application may be approved subject to approval of detailed construction plans and specifications when prepared.

(c) Whether the racing plant is owned or leased, and if leased, the provisions of Section 7 of this act shall apply to said corporation offering the racing plant for lease, provided, however, that nothing in this act shall prevent a corporation from applying to the commission for a permit to conduct races where the racing plant has not been constructed.

(d) The kind of racing to be conducted and the dates requested.

(e) Such other information as the commission may require.

(4) To require an oath of every applicant by its president stating that the information contained in the application is true.

(5) To make uniform rules and regulations governing the holding, conduction, and operating of all race tracks, race meetings, and races held in St. Clair County.

Section 9. All books, records, maps, documents, and papers of the commission, including those filed with the commission as well as those prepared by or for it, shall at all times be open for the personal inspection of any officer of the State of Alabama, or of the county, municipality within St. Clair County, or of any official investigative body or committee and no person having charge or custody thereof shall refuse this right to any officer or investigative body or committee, and it shall be the express duty of such person to assist such officer or committee in locating records or information desired by them. Any member or employee of the commission who violated the provisions of this section shall be deemed guilty of a misdemeanor and, upon conviction, shall be fined not more than one hundred dollars (\$100.00) or imprisoned in the county jail not exceeding three months. If any member of the commission violates the provisions of this section, he shall be subject to removal from office.

Section 10. Any corporation desiring to operate a race track in this county shall have the right, subject to the pro-

visions of this act, to hold and conduct one or more race meetings at such track each year provided that no such license shall be granted to corporation, or to any track, for a period of not less than one hundred (100) racing days, and not more than one hundred fifty (150) racing days in any one year. Said dates shall not be required to be consecutive, and a racing day may include a matinee performance. No race or racing shall be permitted on Sundays. No person under the legal voting age shall be employed in any manner about said race track except as exercise boys and grooms; nor shall persons under eighteen years of age be permitted to attend any race.

Section 11. The Racing Commission may extend said limitations of time for greyhound racing not to exceed two (2) days at any one track beyond the period otherwise provided by law so that any such track may conduct a charity day of racing for any one or more recognized charities in St. Clair County. The total of all profits derived from the operation of such racing on such charity days including all monies which would otherwise be received by the Racing Commission as taxes for such day's operations shall be and become a part of the charity trust fund for which such racing on such days is conducted. The charity trust fund shall be administered as directed by the county governing body.

In determining profits derived from such racing on such charity days, which profits shall include all taxes payable to the county or any agency thereof for such days' operations. Said tracks shall only be entitled to deduct from the profits accruing from all receipts on such charity days of racing their actual operating costs, which costs shall be those expenses incurred by the race track solely by reason of holding said charity days of racing and shall not be deemed to include such expenses constant from day to day and which would have been incurred had the race on that day not been held, including, but not limited to, such items as capital expenditures, interest on debts, real estate taxes and annual license fee, donations, bad debts, and such other items of daily or prorated expense as the Racing Commission may by rule prescribe.

Section 12.

(a) On or before the first day of October of each year, any corporation possessing the qualifications prescribed in this act shall have the right to apply to the commission for a permit or license to conduct race meetings and racing under the act. On or before the first day of January of each year, after the receipt of any such application, the commission shall convene to consider and act upon all permits or licenses applied

for. Approved permits or licenses shall be granted for a period of not less than one year from the date of issuance and shall set forth, in addition to any other information prescribed by the commission, the name of the licensee the location of the race track, the duration of the race meeting and the kind of racing desired to be conducted, and shall show the receipt by the commission of a performance bond in the amount of fifty-thousand dollars (\$50,000) to guarantee the operation of said race meeting. No such license is transferable, nor shall it apply to any other place, track, or enclosure except the one specified in this license.

(b) The commission shall not issue any licenses which would permit any two race tracks in the County to operate on the same racing days. Further, after the first license has been issued to the licensee, subsequent applications for renewal shall be accompanied by proof (in such form as the commission may require) that said licensee still possesses the qualifications set out in this act. Such applications for renewal of license shall not be denied except for due cause.

(c) Eighty percent (80%) of the employees of said track must be bona fide resident citizens of St. Clair County, Alabama.

Section 13. The commission may revoke the license of any licensee conducting a race meeting, upon the violation of any of the provisions of this act, or any rule or regulation promulgated by the commission or may invoke a fine not to exceed one thousand dollars (\$1,000.00) per offense in lieu thereof.

It is unlawful for any licensee under this act, directly or indirectly, to make any contribution whatsoever to any political party or to any candidate for any State, County or Municipal office, and upon proof being presented of any such contribution having been made, the commission shall immediately and permanently revoke the license of such licensee. No disciplinary action may be taken hereunder until the licensee has been presented with notice in writing specifying the time and place of a disciplinary hearing, said notice setting out in substance the nature of the accusation, and inviting the licensee to appear, with or without counsel, as the licensee may decide, the licensee being afforded an opportunity to face and examine his accusers, call witnesses, and testify if he so chooses.

Section 14. The commission is empowered to compel the production of any and all books, memoranda, or documents showing the receipts and disbursements of any corporation li-

censed to conduct race meetings under the provisions of this act. The commission may, at any time, require the removal of any employee or official employed by any licensee hereunder whenever it has reason to believe that such employee or official is guilty of any improper practice in connection with racing, has failed to comply with any condition of the license, or has violated any rule adopted by the commission. The commission shall have the power to require that the books and financial or other statements of any licensee be kept in a manner and method provided by the commission; and the commission shall be authorized to visit, investigate, and place auditors and inspectors in the offices, tracks, or place of business of any corporation licensed under this act. The commission shall have the power to summon witnesses before its meetings; to administer oaths to such witnesses, and to require testimony on any issue before it. Any person failing to appear before said commission, or failing to produce books, records, and documents ordered, or refusing to testify thereon, shall be deemed guilty of a misdemeanor, and upon conviction in a court of competent jurisdiction, shall be punished by a fine of not more than five hundred dollars (\$500.00), or by imprisonment not to exceed six (6) months, or by both fine and imprisonment in the discretion of the court.

Section 15. The commission shall have the power to grant, refuse, suspend, or withdraw licenses to all persons connected with race tracks, including gatekeepers, announcers, ushers, starters, officials, drivers, greyhound owners, agents, trainers, grooms, stable foremen, exercise boys, veterinarians, valets, sellers of racing forms or bulletins, and attendants in connection with the wagering machines, pursuant to such rules and regulations as the commission may adopt and upon the payment of a license fee as fixed and determined by the commission in accordance with the position and compensation of such person. Any license may be revoked by the commission, for good cause shown, and any person whose license is revoked shall be ineligible to participate in such occupation connected with racing unless the license is returned by the commission with permission to operate thereunder. The commission may deny or revoke a license to any person who has been refused or denied a license by any other state Racing Commission or racing authority.

Section 16. The commission shall make rules governing, permitting, and regulating the wagering on greyhound races under the form of mutuel wagering by patrons known as "Pari-Mutuel Wagering", which method shall be legal to the extent that, and so long as, the same is carried on and conducted strictly in conformity with this act, and not otherwise. Only

the persons or corporation receiving a license from the commission shall have the right or privilege to conduct this type of wagering and the licenses shall restrict and confine this form of wagering to a space within the race meeting grounds. All other forms of wagering on the results of greyhound races shall continue to be illegal, and any or all wagering outside of the enclosure of such races, where such races shall have been licensed by the commission, shall be illegal.

No person or corporation shall directly or indirectly purchase pari-mutuel tickets or participate in the purchase of any part of a pari-mutuel pool for another for hire or for any gratuity and no person shall purchase any part of a pari-mutuel pool through another, wherein he gives or pays directly or indirectly such other person anything of value. Any person violating this section shall be deemed guilty of a misdemeanor, and, upon conviction in a court of competent jurisdiction, shall be punished by a fine of not more than five-hundred dollars (\$500.00), or by imprisonment not to exceed six months, or both fine and imprisonment in the discretion of the court.

Section 17. Every licensee conducting race meetings under the provisions of this act, shall pay to the Ex Officio Treasurer of the Racing Commission for the use of the commission, a tax in an amount equal to six (6) per cent of the total contributions to all pari-mutuel pools conducted or made on any race track licensed under this act. The commission of a licensee on a pari-mutuel pool shall in no event exceed seventeen (17) per cent of the amount contributed to said pari-mutuel pool, which amount shall include the six (6) per cent tax heretofore provided. After the deduction of seventeen per cent (17%) for the use of the commission and the percentage commission of the licensee, the remainder of the total contributions to each pool shall be divided among the redistributed to the contributors to such pools betting on the winning greyhound. The amount of each redistribution for each winning bet placed shall be determined by dividing the total amount remaining in the pool after the deductions hereinabove provided for by the number of bets placed on the winning greyhound. Each redistribution shall be made in a sum equal to the next lowest multiple to ten. The odd cents of all redistributions to be known as the "breaks to a dime", and all monies represented by any unclaimed uncashed, or abandoned pari-mutuel tickets known as "outs" money shall be paid to the Ex Officio Treasurer of the Racing Commission, and shall be allocated in the same manner as other receipts paid to the Ex Officio Treasurer, and as hereinafter provided for in this act. Under the pari-mutuel system of wagering herein

provided, the licensee shall be permitted to provide separate pools for bets to win, place, and show, also a daily double pool, quiniela pool, perfecta pool, big quiniela pool (Big Q), big perfecta pool (Big P), twin double pool, tierce pool, perfecta tierce pool, and big tierce pool (Big T). Each pool, shall be redistributed separately as herein provided. Should there be no ticket bet on the winning greyhound, the entire pool will be divided among the holders of tickets on the greyhound running next in line until the pool has been redistributed to the contributors. The licensee shall be required to use a totalizator machine to record the wagering and compute the odds. Rules and regulations governing the operation of each of the pools shall be set out in book form by the St. Clair County Racing Commission. The licensee shall collect from each person attending the race meetings under the provisions of this act fifteen per cent (15%) of the established admission price or ten cents, whichever sum is the greater, as an admission tax. Licensees shall make payment of such taxes to the Ex Officio Treasurer of the Racing Commission every seventh calendar day of any and every race meeting, which payment shall be accompanied by a report on the races covered by such report and such other information as the commission may require. This tax shall be allocated in the same manner as the other taxes received under this act, and as hereinafter provided for in this act.

Section 18. If any free passes or complimentary cards shall be issued to guests by any licensee, such licensee shall nevertheless be responsible for payment of the admission tax upon such complimentary admission cards or passes as though they had been sold at the regular admission price. However, nothing herein contained shall be construed to prohibit the issuance of tax-free passes to officials and actual employees of the licensee, or other persons actually engaged in working at such track, including persons actually employed and accredited by the press or other news service; provided, that the issuance of all such tax-free passes shall be governed by the regulations and orders of the commission and a list of all such officers, employees, and news service representatives shall be filed with the commission.

Section 19. In addition to the above mentioned taxes, there is hereby levied an additional special gross receipt tax of two per cent (2%) on all items offered for sale within the confine and upon the premises of race tracks licensed under this act, including programs. This tax shall be paid to the Ex Officio Treasurer of the Racing Commission and shall be allocated in the same manner as other tax receipts hereinafter provided for in this act. This tax is due and payable by the 20th of month following the applicable tax month.

Section 20. The license fees, commission, and other taxes imposed herein shall be in lieu of all license fees, commissions and other taxes to the State of Alabama, of any county, city, town, or other political sub-division thereof. Provided, however, this does not exclude the payment of sales tax on applicable items to the State of Alabama, nor does it exclude tax on alcoholic beverages due the State of Alabama, and the County of St. Clair, nor does it exclude payment of any other taxes that is applicable and due the State and County on property both real and personal.

Section 21. In addition to other rules and regulations that may be promulgated by the Racing Commission the following shall be complied with by the licensee or operator of the race plant and employees thereof.

(a) A duly licensed Veterinarian shall be on the grounds at weighing time and make examination of the physical condition of each greyhound, and any dog not considered to be in good physical condition, shall be reported to the presiding official.

(b) An adequate security force shall be employed as prescribed by the Racing Commission. Members of security force shall have the same powers as other law enforcement officers of the county while performing their duties on the premises of the race track.

(c) An adequately equipped first aid room shall be provided within the enclosure of the track with a registered nurse on duty during racing hours.

(d) Public liability insurance shall be carried by the licensee or operator in an amount and with a company approved by the Racing Commission.

(e) All racing events shall be concluded by midnight.

(f) A pari-mutuel ticket shall not be sold to an individual who is visibly inebriated.

(g) All employees at the race track shall be licensed by the Racing Commission and shall submit a signed affidavit at time of employment that they meet the requirements of this act and of the Racing Commission herein created. Each employee shall be required to wear an identifying badge with his or her photograph and name thereon at all times while within or on the premises of the racing plant. Employees are prohibited from wagering and violators shall have their employment terminated.

Section 22. All fees, commissions, taxes, and other monies, including fines, and forfeitures, received under the provisions

of this act shall be paid to the treasurer of St. Clair County, and deposited by said treasurer in the county treasury to the account of the St. Clair County Racing Commission. All such monies remaining after payment of expenses incurred in the administration of this act, including the payment of the salaries and expenses of the members and employees of this commission shall be distributed on an annual basis as follows:

(a) Fifteen per cent (15%) or \$200,000 whichever is greater to the St. Clair County Hospital Board. It is the intent of this appropriation to eliminate the need for the levying and collection of the four mill property tax that is presently authorized and is being levied and collected for this purpose. Accordingly, the hospital board and/or the county governing body is hereby authorized and empowered to exercise one of two options (1) use whatever portion of this revenue necessary to refinance the bonds of indebtedness on the hospital or (2) deposit all of the above allocated revenue in an interest bearing escrow account until there is deposited a sufficient amount to retire the bonds of indebtedness on the hospital. In the event option number one is exercised, that portion of the revenue in excess of the amount necessary for debt service on the refinanced bonds shall be used to provide resident emergency medical staff, emergency medical service (ambulance) to the county, future expansion of said hospital or construction of other related health facilities and for the operation and maintenance of all such facilities. Should option number two be exercised and after which time the present outstanding bonds of indebtedness are retired, the revenue allocated herein to the Hospital Board shall be used to provide resident emergency medical staff, emergency medical service (ambulance), future expansion of present hospital, or construction of other related health facilities and the operation and maintenance of all such facilities. In the event the four mill hospital tax is not repealed by the voters of the county, none of the revenue allocated herein shall be paid to the hospital board, but shall be allocated in the same percentage basis as hereinafter provided for in this Section.

(b) Thirty-five percent (35%) of the monies remaining after the amount due the hospital board is paid shall be appropriated to the St. Clair County Board of Education for the construction, maintenance and operation of educational facilities in St. Clair County and the upgrading of instruction therein.

(c) Thirty per cent (30%) of the monies remaining after the amount due the hospital board is paid shall be appropriated to the municipalities of St. Clair County on a per capita basis according to the most recent population figures used by the

federal government for the purpose of revenue sharing, or if these figures are not available, the population figures according to the last federal census shall be used.

(d) Thirty-five per cent (35%) of the monies remaining after the amount due the hospital board is paid shall be appropriated to the general fund of St. Clair County to be allocated and spent in the following prescribed manner:

(2) Ten per cent (10%) shall be used to develop and maintain water and sewer systems in the county.

(3) Six per cent (6%) to be appropriated to the St. Clair County Health Department for its use in meeting the health needs of the citizens of St. Clair County.

The establishment of the law library shall be done with the advice and counsel of the St. Clair County Bar Association.

(8) Five per cent (5%) to be appropriated to the St. Clair County Industrial Development Committee for their use in promoting economic development of the county.

(10) Two and one-half per cent (2½%) to be placed in a scholarship trust fund and administered by a scholarship committee to be composed of three members, appointed

by the county governing body, the county board of education, and the legislative delegation of the county. Each to appoint one member and said member to serve at the pleasure of the appointing authority. The scholarship committee herein formed may make reasonable rules and regulations to facilitate the proper administration of this fund, provided, however, that priority for awarding of scholarships under the provisions of this section shall be given, but not limited, to applicants for health careers and shall be conditioned on their desire and intent to pursue said careers in St. Clair County.

Section 23. Any corporation, association, or person who directly or indirectly holds any greyhound race without having procured a license as prescribed in this act, shall be guilty of a misdemeanor. Any person wagering upon the results of such a race, except in the pari-mutuel or mutuel method of wagering when the same is conducted by a licensee and upon the grounds or enclosure of said licensee, shall be guilty of a misdemeanor. Any corporation, organization, association, or person who violates any provision of this act, for which a penalty is not expressly provided shall be guilty of a misdemeanor. Upon conviction of any of the above misdemeanors in a court of competent jurisdiction, the penalty shall be a fine of not less than one hundred dollars (\$100.00), nor more than one thousand dollars (\$1,000.00), or by imprisonment of not less than five days nor more than six months, or both, such fine and imprisonment to be in the discretion of the court.

Section 24. for not less than one year nor more than ten years, or shall be fined not less than one thousand dollars (\$1,000.00) nor more than five thousand dollars (\$5,000.00) or both, in the discretion of the court.

Section 26. It shall be unlawful for any person to transmit or communicate to another by any means whatsoever the results, changing odds, track conditions, or any other information relating to any greyhound race from any race track in this county, between the period of time beginning one hour prior to the first race of the day and ending thirty minutes after the posting of the official results of each race, as to that particular race, except that this period may be reduced to permit the transmitting of the results of the last race each day not sooner than fifteen minutes after the official posting of such results. Provided, however, that the commission may, by rule, permit the immediate transmission by radio, television, or press wire of any pertinent information concerning feature races.

It shall be unlawful for any person to transmit by any means whatsoever racing information to any other person, or to relay the same to any other person by word of mouth, by signal, or by use of telephone, telegraph, radio, or any other means, when the information is knowingly used or intended to be used for illegal gambling purposes, or in furtherance of such gambling purposes.

Any person violating the provision of this section shall be guilty of a felony and, upon conviction, shall be imprisoned in the state penitentiary for not less than one year nor more than ten years, or shall be fined not less than one thousand dollars (\$1,000.00) nor more than five thousand dollars (\$5,000.00) or both, in the discretion of the court.

Section 27. It is the intent of this act to improve the economic well being of the citizens of St. Clair County, by providing an increased tax base, jobs for the citizens herein, and promotion of tourism and recreation in St. Clair County. "Section 5. (a) It shall be the duty of any person subject to the license tax imposed by this act to keep full and complete records of all purchases, sales, receipts, inventories and all other matters from which the correct amount of license tax to which such person is subject may be ascertained; in the event that such person should discontinue his business, he shall not destroy or dispose of such records until he shall have given to the chairman of the county commission thirty days' notice in writing of his intent to destroy or dispose of such records. The chairman of the county commission and his duly authorized agent is authorized to inspect such records and to make copies of such parts of same as he may deem desirable or proper. The failure to keep such records, or destruction without giving the prescribed notice, shall constitute a misdemeanor, punishable in accordance with law.

It shall be lawful also for any police officer or a deputy sheriff to enter

lawfully any such retail establishment for the said purpose of inspection and determination of whether or not there be on hand any untaxed malt or brewed beverages."

"Section 7. Collection of the tax may be accomplished in this fashion:

In any county to which this act applies, the chairman of the county commission, by requisition to and upon the governing body of the county, may procure decals or other devices susceptible to being affixed, with measurable permanence, to containers of malt or brewed beverages to be taken from storage, distributed or sold, each of which decals or other devices shall bear in legible characters a notation that it evidences the payment of the tax levied by this act, and he may procure such forms and other printed matter and materials as may be necessary in the administration of this act. To reimburse the county for the cost and expense incurred by it in procuring and furnishing to the chairman the said decals or other devices, and forms and other matter furnished by the county to the chairman, the chairman shall deduct, from the gross amount of taxes collected, at each tax-distribution period, the cost and expense incurred by the county in procuring and furnishing to the chairman the decals or other devices contemplated by this act and the cost of forms and other materials hereinabove provided for, and shall pay over the amount so deducted to the county. Decals or other devices may be furnished by the chairman of the county commission to each seller or distributor of malt or brewed beverages, upon his request therefor and payment of the amount of tax corresponding to the stated value of the decals or other devices that he procures, less a five per cent (5%) discount provided, however, that such decals or other devices shall be sold and furnished to wholesalers only. Each distributor or seller must affix to each container of malt or brewed beverages the appropriate decals or other devices before the same is taken from storage, sold or delivered."

"Section 8. All proceeds collected from said tax shall be paid in the county's general fund and the probate judge is hereby authorized, empowered and directed to pay all monies heretofore collected from said tax into the county's general fund."

"Section 9. Any person, firm, or corporation who violates any provision of this act or the rules and regulations as may be provided by the chairman of the county commission of the county shall be guilty of a misdemeanor and upon conviction shall be punished as prescribed by law. Each month such violation continues shall constitute a separate offense."

- (1) The date issued;
- (2) The name and current address of the owner;
- (3) The names and addresses of any lienholders in the order of priority as shown on the application, or if the application is based on a certificate of title, as shown on the certificate;
- (4) The title number;
- (5) A description of the vehicle including the following data: year, make, model, vehicle identification number, type of body, number of cylinders, whether new or used, and if a new vehicle the date of the first sale of the vehicle for use; and
- (6) Any other data the Department prescribes.

(b) Unless security is furnished as provided in Section 10, a distinctive certificate of title shall be issued for a vehicle

last previously registered in another state or country, the laws of which do not require that lienholders be named on a certificate of title to perfect their security interests. The certificate shall contain the legend, "This vehicle may be subject to an undisclosed lien" and may contain any other information the Department prescribes. If no notice of a security interest in the vehicle is received by the Department within four (4) months from the issuance of the distinctive certificate of title, the Department shall, upon application and surrender of the distinctive certificate, issue a certificate of title in ordinary form.

(c) The certificate of title shall contain forms for assignment and warranty of title by the owner, and for assignment and warranty of title by a dealer, and may contain forms for applications for a certificate of title by a transferee, the naming of a lienholder and the assignment or release of the security interest by a lienholder.

(d) A certificate of title issued by the Department is prima facie evidence of the facts appearing on it.

(e) A certificate of title to a vehicle is not subject to garnishment, attachment, execution or other judicial process, but this subsection does not prevent a lawful levy upon the vehicle.

Section 9. Delivery. The certificate of title shall be mailed to the first lienholder named in it or, if none, to the owner. A nontransferable duplicate certificate of title shall be mailed to the owner to serve as a permit for the operation of the motor vehicle.

Section 10. Application for Certificate of Title with Bond or Cash. If the Department is not satisfied as to the ownership of the vehicle or that there are no undisclosed security interests in it, the Department may accept the application but shall either:

(a) Withhold issuance of a certificate of title until the applicant presents documents reasonably sufficient to satisfy the Department as to the applicant's ownership of the vehicle and that there are no undisclosed security interests on it; or

(b) As a condition of issuing a certificate of title, require the applicant to file with the Department a bond in the form prescribed by the Department and executed by the applicant, and either accompanied by the deposit of cash with the Department or also executed by a person authorized to conduct a surety business in this State. The bond shall be in an amount equal to one and one-half times the value of the vehicle as determined by the Department and conditioned to indemnify

any prior owner and lienholder and any subsequent purchaser of the vehicle or person acquiring any security interest in it, and their respective successors in interest, against any expense, loss or damage, including reasonable attorney's fees, by reason of the issuance of the certificate of title of the vehicle or on account of any defect in or undisclosed security interest upon the right, title and interest of the applicant in and to the vehicle. Any such interested person has a right of action to recover on the bond for any breach of its conditions, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. The bond, and any deposit accompanying it, shall be returned at the end of three (3) years or prior thereto if the vehicle is no longer registered in this State and the currently valid certificate of title is surrendered to the Department, unless the Department has been notified of the pendency of an action to recover on the bond.

Section 11. Refusing Certificate of Title. The Department shall refuse issuance of certificate of title if any required fee is not paid or if the Department has reasonable grounds to believe that:

- (a) The applicant is not the owner of the vehicle;
- (b) The application contains a false or fraudulent statement; or
- (c) The applicant fails to furnish required information or documents or any additional information the Department reasonably requires.

Section 12. Lost, Stolen or Mutilated Certificates.

(a) If a certificate of title is lost, stolen, mutilated or destroyed or becomes illegible, the first lienholder or, if none, the owner or legal representative of the owner named in the certificate, as shown by the records of the Department, shall promptly make application for and may obtain a replacement upon furnishing information satisfactory to the Department and payment of the fee as hereinafter required. The replacement certificate of title shall contain the legend, "This is a replacement certificate and may be subject to the rights of a person under the original certificate." It shall be mailed to the first lienholder named in it, or, if none, to the owner.

(b) The Department shall not issue a new certificate of title to a transferee upon application made on a replacement certificate until fifteen (15) days after receipt of the application.

(c) A person recovering an original certificate of title for which a replacement has been issued shall promptly surrender the original certificate to the Department.

Section 13. Transfer.

(a) If an owner transfers his interest in a vehicle, other than by the creation of a security interest, he shall, at the time of the delivery of the vehicle, execute an assignment and warranty of title to the transferee in the space provided therefor on the certificate or as the Department prescribes, and cause the certificate and assignment to be mailed or delivered to the transferee or to the Department.

(b) Except as provided in Section 14, the transferee shall, promptly after delivery to him of the vehicle, execute the application for a new certificate of title in the space provided therefor on the certificate or as the Department prescribes, and cause the certificate and application to be mailed or delivered to a designated agent.

(c) Upon request of the owner or transferee, a lienholder in possession of the certificate of title shall, unless the transfer was a breach of his security agreement, deliver the certificate to the transferee. Upon receipt of the certificate the transferee shall make application to a designated agent for a new certificate. The delivery of the certificate does not affect the rights of the lienholder under his security agreement.

(d) If a security interest is reserved or created at the time of the transfer, the certificate of title shall be retained by or delivered to the person who becomes the lienholder and the parties shall comply with the provisions of Section 20.

(e) Except as provided in Section 14, and as between the parties, a transfer by an owner is not effective until the provisions of this section have been complied with.

Section 14. Transfer to or from dealer; records.

(a) If a dealer buys a vehicle and holds it for resale and procures the certificate of title from the owner or the lienholder within fifteen (15) days after delivery to him of the vehicle, he need not send the certificate to the Department but, upon transferring the vehicle to another person other than by the creation of a security interest, shall promptly execute the assignment and warranty of title by a dealer, showing the names and addresses of the transferee and of any lienholder holding a security interest created or reserved at the time of the resale and the date of his security agreement, in the spaces provided therefor on the certificate or as the Department prescribes, and mail or deliver the certificate to a designated agent with the transferee's application for a new certificate.

(b) Every dealer shall maintain for five (5) years a record in the form the Department prescribes of every vehicle bought, sold or exchanged by him or received by him for sale or exchange, which shall be open to inspection by representatives of the Department and law enforcement officers during reasonable business hours.

Section 15. Transfer by Operation of Law.

(a) If the interest of an owner in a vehicle passes to another other than by voluntary transfer, the transferee shall, except as hereinafter provided in subsection (b), promptly mail or deliver to a designated agent the last certificate of title, if available, and proof of the transfer, together with his application for a new certificate in the form the Department prescribes.

(b) If the interest of the owner is terminated or the vehicle is sold under a security agreement by a lienholder named in the certificate of title, the transferee shall promptly make application to a designated agent for a new certificate in the form the Department prescribes. The application shall be accompanied by the last certificate of title and an affidavit made by or on behalf of the lienholder that the vehicle was repossessed and that the interest of the owner was lawfully terminated or sold pursuant to the terms of the security agreement.

If the lienholder succeeds to the interest of the owner and holds the vehicle for resale, he need not secure a new certificate of title but, upon transfer to another person, shall promptly mail or deliver to the transferee the certificate, affidavit and other documents required by the Department. The transferee shall promptly make application to a designated agent for a new certificate in the form prescribed by the Department.

(c) Notwithstanding anything to the contrary contained in this section, a person holding a certificate of title whose interest in the vehicle has been extinguished or transferred other than by voluntary transfer shall forthwith mail or deliver the certificate to the Department upon request of the Department upon request of the Department; and the delivery of the certificate pursuant to the request of the Department does not affect the rights of the person surrendering the certificate; and the action of the Department in issuing a new certificate of title as provided herein is not conclusive upon the rights of an owner or lienholder named in the old certificate.

Section 16. When Department to Issue New Certificate.

(a) The Department, upon receipt of a properly assigned certificate of title, with an application for a new certificate of title, the required fee and any other documents required by the Department, shall issue a new certificate of title in the name of the transferee as owner and mail it to the first lienholder named in it or, if none, to the owner.

(b) The Department, upon receipt of an application for a new certificate of title by a transferee other than by voluntary transfer, with proof of the transfer, the required fee and any other documents required by law, shall issue a new certificate of title in the name of the transferee as owner. If the outstanding certificate of title is not delivered to the Department, the Department shall make demand therefor from the holder thereof.

(c) A transferor of a vehicle other than a dealer transferring a new vehicle shall deliver to the transferee at the time of the delivery of possession of the vehicle the license plate for the vehicle. Provided, however, the license plate does not have to be delivered where a provision of law allows such plate to be retained by the owner of the vehicle.

(d) The Department shall file every surrendered certificate of title, or a microfilm of every such certificate, for a period of time deemed necessary by it in order to permit the tracing of title of the vehicle designated therein.

Section 17. Scrapping, Dismantling or Destroying Vehicle. An owner who scraps, dismantles or destroys a vehicle and a person who purchases a vehicle as scrap or to be dismantled or destroyed shall indicate same on the back of the certificate of title and shall within seventy-two (72) hours cause the certificate of title, the vehicle identification number plate, the motor vehicle license plate, and any other documents or information required by the Department to be mailed or delivered to the Department for cancellation. A certificate of title of the vehicle shall not again be issued except upon application containing the information the Department requires, accompanied by a certificate of inspection in the form and content specified in Section 5(d) hereof.

ARTICLE II—SECURITY INTERESTS

Section 18. Excepted Liens and Security Interests.

This Act does not apply to or affect:

(a) A lien given by statute or rule of law to a supplier of services or materials for the vehicle;

(b) A lien given by statute to the United States, this State or any political subdivision of this State;

(c) A security interest in a vehicle created by a manufacturer or dealer who holds the vehicle for sale, but a buyer in the ordinary course of trade from the manufacturer or dealer takes title free of the security interest.

Section 19. Perfection of Security Interests.

(a) Unless excepted by Section 18, a security interest in a vehicle for which a certificate of title is required by the terms of this Act is not valid against creditors of the owner or subsequent transferees or lienholders of the vehicle unless perfected as provided in this Act.

(b) A security interest is perfected by the delivery to the Department of the existing certificate of title, if any, an application for a certificate of title containing the name and address of the lienholder and the date of his security agreement, a copy of the security interest document, and the required fee. It is perfected as of the time of its creation if the delivery is completed within ten (10) days thereafter, otherwise, as of the time of the delivery.

(c) If a vehicle is subject to a security interest when brought into this State, the validity of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest attached, subject to the following:

(1) If the parties understood at the time the security interest attached that the vehicle would be kept in this State and it was brought into this State within thirty (30) days hereafter for purposes other than transportation through this State, the validity of the security interest in this State is determined by the law of this State.

(2) If the security interest was perfected under the law of the jurisdiction where the vehicle was when the security interest attached, the following rules apply:

(i) If the name of the lienholder is shown on an existing certificate of title issued by that jurisdiction his security interest continues perfected in this State.

(ii) If the name of the lienholder is not shown on an existing certificate of title issued by that jurisdiction the security interest continues perfected in this State for four (4) months after a first certificate of title of the vehicle is issued in this State, and also thereafter if within the four-month period it is perfected in this State. The security interest may

also be perfected in this State after the expiration of the four-month period; in that case perfection dates from the time of perfection in this State.

(3) If the security interest was not perfected under the law of the jurisdiction where the vehicle was when the security interest attached, it may be perfected in this State; in that case perfection dates from the time of perfection in this State.

(4) A security interest may be perfected under paragraph (2) (ii), on paragraph (3) of this subsection, either as provided in subsection (b) or by the lienholder mailing or delivering to a designated agent or to the Department a notice of security interest in the form the Department prescribes together with documents to support the security interest as required by the Department and the required fee.

Section 20. Security Interest. If an Owner Creates a Security Interest in a Vehicle:

(a) The owner shall immediately execute the application in the space provided therefor on the certificate of title, or on a separate form the Department prescribes to name the lienholder on the certificate showing the name and address of the lienholder and the date of his security agreement, and cause the certificate, application and the required fee to be delivered to the lienholder.

(b) The lienholder shall immediately cause the certificate, application and required fee to be mailed or delivered to the Department.

(c) Upon request of the owner or subordinate lienholder, a lienholder in possession of the certificate of title shall either mail or deliver the certificate to the subordinate lienholder for delivery to the Department, or, upon receipt from the subordinate lienholder of the owner's application and the required fee, mail or deliver them to the Department with the certificate. The delivery of the certificate does not affect the rights of the first lienholder under his security agreement.

(d) Upon receipt of the certificate of title, application and the required fee, the Department shall either endorse on the certificate or issue a new certificate containing the name and address of the new lienholder, and mail the certificate to the first lienholder named in it.

Section 21. Assignment by Lienholder.

(a) A lienholder may assign, absolutely or otherwise, his security interest in the vehicle to a person other than the owner without affecting the interest of the owner or the validity of

the security interest, but any person without notice of the assignment is protected in dealing with the lienholder as the holder of the security interest and the lienholder remains liable for any obligations as lienholder until the assignee is named as lienholder on the certificate in the manner prescribed by the Department.

(b) The Department shall file each assignment received by the Department with the required fee, and note the assignee as lienholder upon the record of notices of security interests maintained by the Department.

Section 22. Release of Security Interest.

(a) Upon the satisfaction of a security interest in a vehicle for which the certificate of title is in the possession of the lienholder, he shall, within ten (10) days after demand execute a release of his security interest, in the space provided therefor on the certificate or as the Department prescribes, and mail or deliver the certificate and release to the next lienholder named therein, or, if none, to the owner or any person who delivers to the lienholder an authorization from the owner to receive the certificate. The owner, other than a dealer holding the vehicle for resale, shall promptly cause the certificate and release to be mailed or delivered to the Department, which shall release the lienholder's rights on the certificate or issue a new certificate.

(b) Upon the satisfaction of a security interest in a vehicle for which the certificate of title is in the possession of a prior lienholder, the lienholder whose security interest is satisfied shall within ten (10) days after demand execute a release in the form the Department prescribes and deliver the release to the owner or any person who delivers to the lienholder an authorization from the owner to receive it. The lienholder in possession of the certificate of title shall either deliver the certificate to the owner, or the person authorized by him, for delivery to the Department, or, upon receipt of the release, mail or deliver it with the certificate to the Department which shall release the subordinate lienholder's rights on the certificate or issue a new certificate.

(c) Upon receipt of the releases of security interests mentioned in subsection (a) and (b) of this section, the Department shall file each release in the manner prescribed by the Department and note the same upon the records of notices of security interests maintained by it.

Section 23. Duty of Lienholder.

A lienholder named in a certificate of title shall, upon

written request of the owner or of another lienholder named on the certificate, disclose any pertinent information as to his security agreement and the indebtedness secured by it.

Section 24. Exclusiveness of Procedure.

The method provided in this Act of perfecting and giving notice of security interest in motor vehicles required to be titled under the terms hereof or titled under the terms hereof, shall be exclusive.

Security interests in motor vehicles required to be titled or which are titled under this Act, are hereby exempted from the provisions of law which otherwise require the filing or recording of financing statements or of other instruments creating or evidencing security interests.

Security interests in motor vehicles not required to be titled under this Act or not titled under the terms hereof, which are perfected under any other applicable laws of this State shall not be affected by this Act but shall continue in all respects to be governed by such other laws of this State.

Section 25. Suspension or Revocation of Certificates.

(a) The Department shall suspend or revoke a certificate of title, upon notice and reasonable opportunity to be heard in accordance with Section 27, when authorized by any other provision of law or if it finds:

(1) The certificate of title was fraudulently procured or erroneously issued, or

(2) The vehicle has been scrapped, dismantled or destroyed.

(b) Suspension or revocation of a certificate of title does not, in itself, affect the validity of a security interest noted on it.

(c) When the Department suspends or revokes a certificate of title, the owner or person in possession of it shall, immediately upon receiving notice of the suspension or revocation, mail or deliver the certificate to the Department.

(d) Should any person fail to comply with the provisions of subsection (c) of this section the Department shall seize and impound the certificate of title which has been revoked. It shall also be the duty of any peace officer, on notification to him by the Department of the failure of a person to mail or deliver a revoked certificate of title to the Department, to seize and mail or deliver to the Department the revoked certificate of title.

Section 26. Powers of Department.

(a) The Department shall prescribe and provide suitable

forms of applications, certificates of title, notices of security interests, and all other notices and forms necessary to carry out the provisions of this Act.

(b) The Department may:

(1) Make necessary investigations to procure information required to carry out the provisions of this Act;

(2) Adopt and enforce reasonable rules and regulations to carry out the provisions of this Act;

(3) Assign a new identification number to a vehicle if it has none, or its identification number is destroyed or obliterated, or its motor is changed, and shall either issue a new certificate of title showing the new identification number or make an appropriate endorsement on the original certificate.

(4) Revoke the authority of a dealer or other person appointed by the Department to act as a designated agent hereunder when it finds that such dealer or other person has failed to faithfully perform his duties under this Act.

(c) The Department shall make available information concerning the status of a title on any vehicle as reflected by the records in a manner prescribed by the Department. Such information supplied by the Department shall be considered official only if in writing. The Department shall charge the fees set forth in Section 31 provided, however, that no fee shall be charged Alabama law enforcement agencies or law enforcement agencies of any other state when such state furnishes like or similar information without charge to the Department or to Alabama law enforcement agencies.

Section 27. Hearings. A person aggrieved by an act or omission to act of the Department under this act is entitled to a hearing. Such person shall within sixty (60) days of such act or omission to act protest in writing the act or omission to act by which he is aggrieved, request the Department to take appropriate action to remedy such act or omission to act, state the grounds on which the request is based and request a hearing of the protest. On receipt of such protest the Department shall, if it finds the protest justified, comply forthwith with the request. If the Department is of the opinion that the written protest is not sufficient to justify compliance with the request, a hearing of the matter shall be set before the Department and notice thereof shall be given to the aggrieved person by registered or certified mail, return receipt requested. The hearing may be continued from time to time as deemed to be appropriate by the Department. The aggrieved person may make an appearance by written statement, in person or by attorney or agent.

The Department shall make such rules for the conduct of the hearing as deemed by it to be appropriate and necessary. At the conclusion of the hearing the Department shall within ten (10) days notify the aggrieved person in writing of its determination of the matter.

Section 28. Court Review. An aggrieved person who has filed a protest in accordance with the provisions of Section 27 of this Act not being satisfied with the determination made by the Department may request review of the matter by the circuit court in equity of the county in which he resides, or in which the vehicle involved is licensed, or in which the act or omission to act occurred. The court review shall be instituted by filing a petition for a hearing of the matter in the circuit court in equity within thirty (30) days after receipt from the Department of notice of its determination of the matter. Such court is hereby vested with jurisdiction and it shall be its duty to set the matter for hearing with written notice to the Department, and thereupon to take testimony and examine into the facts of the case and determine whether the petitioner is entitled to relief and if so to grant it. Either the state or the aggrieved person may appeal to the Alabama Court of Civil Appeals within thirty (30) days from the rendition of a judgment by the circuit court.

Section 29. Distinctive Certificates. If the Department is not satisfied that there are no undisclosed security interests created before this Act takes effect in a previously registered vehicle, the Department may, in addition to the Department's options under Section 10 hereof, issue a distinctive certificate of title of the vehicle containing the legend, "This vehicle may be subject to an undisclosed lien" and containing any other information the Department prescribes.

Section 30. Filing and Recording of Notices of Security Interests; Examination of Record.

(a) The Department shall file each notice of security interest received by the Department with the required fee and maintain a record of all notices of security interests filed by the Department:

(b) The designated agents shall add the sum of Fifty Cents (\$.50) to each document processed for which a fee is charged to be retained as his commission for services rendered, and all other fees collected shall be remitted to the Department.

(c) If more than one (1) transaction be involved in any application on a single vehicle and if supported by all required documents, the fee charged by the Department and by the designated agent for processing and issuing shall be considered as only one (1) transaction for which the designated agent shall receive and retain Fifty Cents (\$.50) and shall collect and remit to the Department three (\$3.00) dollars.

Section 32. Disposition of Fees. (a) From the fee received by the Department of Revenue for each application for certificate of title as provided in Section 31 (a)(1) the Department shall remit \$1.00 to the county in which the application for certificate of title was prepared which sum shall be paid into the treasury of the county; provided however that in all counties where the probate judge is reimbursed on a fee basis instead of on a salary basis, then \$0.50 shall be paid to the probate judge and \$0.50 into the treasury of the county.

AN ACT

Relating to any county having a population of not less than 90,000 nor more than 100,000 according to the last or any subsequent federal decennial census, providing for cost of living raises for county employees and an allowance for county officers.

Be It Enacted by the Legislature of Alabama:

Section 1. In all counties having a population of not less than 90,000 nor more than 100,000 according to the last or any subsequent federal decennial census county employees shall periodically have their salary adjusted according to the con-

sumer price index compiled by the U. S. Department of Labor, Bureau of Labor Statistics.

Section 2. On the first day of January, April, July and October the county governing body of said counties shall determine the percent change in the consumer price index for the previous 3 months, adjusted to the nearest 1/10 of 1 percent, and make provisions for providing county employees with a cost of living raise.

Section 3. The said employees shall receive a cost of living raise in an amount equal to the percentage rise in the consumer price index multiplied by the salary of the highest paid hourly wage employee. Said raises shall be effective for the first pay period beginning after the first day of January, April and October.

Section 4. In the event that the consumer price index should decrease or remain the same, the employees' salaries shall remain the same as at the end of the previous 3 month period.

Section 5. In all counties having a population of not less than 90,000 nor more than 100,000, according to the most recent federal decennial census, all elected or appointed county officials shall receive an expense allowance in accordance with the provisions of Sections 6, 7 and 8 of this act to cover the expenses associated with their offices. "Elected or appointed county officers" is to be interpreted so as to include persons who might otherwise be considered state officers and whose salaries are paid fully or partially by the state, but who are elected by or appointed by persons elected by the electors of such counties and whose salaries are set by local act or by general act of local application. "Elected or appointed county officers" shall not be interpreted to include the county superintendent of education, members of the county board of education, or any employee of the county board of education, nor shall same be deemed to include any attorney, engineer, architect or other professional consultant employed on a part time basis by any county board or body, or the members of any appointed board. There shall be a conclusive presumption of law that there is a reasonable relationship between the allowances received in accordance with the provisions hereof and the expenses associated with the offices of the persons receiving such allowances.

Section 6. The initial expense allowance for such officers shall be payable monthly beginning October 1, 1973, and shall be an amount equal to the percentage rise in the consumer price index, adjusted to the nearest 1/10 of 1 percent, for the period March 1, 1971, to September 31, 1973, multiplied by the amount

of the officer's monthly salary (including all compensation paid for performing official duties, whether paid wholly from state funds, wholly from local funds, or paid partially from state funds and partially from local funds).

Section 7. On the first day of January, April, July and October of each year the expense allowance provided for herein shall be increased by an amount equal to the percentage increase in the consumer price index, adjusted to the nearest $1/10$ percent of 1 percent, for the previous 3 months multiplied by the amount of the officer's salary (including all compensation paid for performing official duties, whether paid wholly from state funds, wholly from local funds, or paid partially from state funds and partially from local funds) and previous expense allowance combined. Should the consumer price index decline for the 3 month period no change shall be made in the expense allowance.

Section 8. All of the above provisions to the contrary notwithstanding, all allowances for circuit judges shall be calculated by multiplying the percentage rise in the consumer price index, adjusted to the nearest $1/10$ of 1 percent, by the amount of the local salary supplement paid to them and not the total compensation and expenses received by them from all sources; and, provided further, that allowances to be paid to the district attorney, county judge and probate judge shall be in the same amount as the allowances paid to circuit judges and not in an amount calculated upon any other basis; and, provided further, that allowances to be paid to court reporters pursuant to this act shall be calculated by multiplying the percentage rise in the consumer price index, adjusted to the nearest $1/10$ of 1 percent, by the amount of compensation received from local funds and not the total compensation and expenses received by them from all sources; provided further, that in the event that a general act increasing the state salary of circuit judges should pass during the 1973 Regular Session, then circuit judges shall receive no allowance of any kind pursuant to the provisions of this act, nor shall the county judge, district attorney or probate judge.

Section 9. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Marshall County Commission by majority vote. That said Commission shall have a chairman, who shall be selected by majority vote of the Commission. Three members of such Commission shall constitute a majority when properly convened, and said Commission by reason of such majority may exercise all the powers and duties herein provided. Said Commission shall meet on the Friday after Labor Day of each year at 3:00 P.M., and at such other times as may be necessary. The Chairman of said Commission or any three members of said Commission may call an official meeting at a specific time and at a designated place at either of the courthouses in Marshall County, and shall give notice to the other members of the time, place and purpose of any such meeting and may exercise any of its powers or duties as herein conferred at any such annual or special meeting. That in the event any official designated to be a member of said Commission is ineligible or fails or refuses to serve for any reason, then, such official shall appoint a qualified elector of Marshall County of good character to serve on the Commission in his stead, and shall notify the Marshall County Commission, in writing, of his reason for not serving and the name and address of the person who shall serve on the Commission in his stead. The Chairman of the Commission shall appoint a secretary of said Commission, who may or may not be a member thereof and who shall keep minutes and appropriate records of all meetings and of all official acts of the Commission.

Section 2. That said Commission shall have the power and duty to determine the number of employees of the office of the Register and the number of employees of the office of the Clerk, the total compensation of the employees of the office of the Clerk, and the total compensation of the employees of the office of the Register. That on or before the annual meeting of said Commission the Clerk and the Register shall submit to said Commission a report designating the number of employees needed to carry out the work and duties of their respective offices and the proposed compensation for each such employee, and upon a special meeting of such Commission the Clerk and the Register shall furnish such information or make such reports as the needs of their respective offices shall then require. By majority vote, said Commission shall determine the number of employees needed by the Clerk and by the Register and the total compensation to be paid to the employees of the Clerk and to the employees of the Register. Said Commission shall, then, prepare a report to be signed by the Chairman or by three members of such Commission, specifying the number of employees for each of said offices and the total compensation of each of said offices for the employees of such offices, and such report shall then be delivered to the Mar-

shall County Commission, and the Clerk and the Register shall deliver a report to the Marshall County Commission designating the names of the employees that they desire to employ or who are then employed, and the salary for each such person, and that such salaries shall not exceed the total compensation allowed by the Commission for such offices.

Section 3. The Clerk and the Register shall retain the full authority and right to designate who the employees in their respective offices shall be and any such employee shall serve at the will or the pleasure of said Clerk or Register, and any vacancy shall be filled by the said Clerk or Register. That the Clerk or the Register shall notify the Marshall County Commission when any vacancy occurs, and when such vacancy has been filled, and the names of the employees and the salaries involved. The Clerk or the Register may, at their will, change any employee or their salary in their respective offices, but the total compensation may not exceed that as fixed by the Commission for such office. Nothing herein shall be construed as giving said Commission the power or authority to manage either the Clerk's office or the Register's office or to select the employees or to determine the specific duties of employment of any employee. The total of compensation and the number of employees of either the Clerk's office or the Register's office may be changed by such Commission from time to time as the needs of said offices may require. The total compensation of each office shall be determined on an annual basis, with the fiscal year being from October 1 through September 30, and if any change is made therein after the annual meeting such change shall be effective for the balance of the fiscal year in which such change is made. The Salary Commission's first meeting shall be on the Friday after Labor Day of 1973, and it shall fix and determine employees and salary of the office of the Clerk and the office of the Register, respectively, as herein provided, for the fiscal year commencing October 1, 1973, and for subsequent years.

Section 4. The Marshall County Commission shall pay the said employees of the Clerk and Register as provided herein, in the same form and manner as other employees of the county are paid.

Section 5. This Act shall become effective upon its passage and approval by the Governor, or upon its otherwise becoming a law.

AN ACT

To amend Section 366 of the Title 52 of the Code of Alabama as amended which relates to the Teachers' Retirement System of Alabama.

Be It Enacted by the Legislature of Alabama:

Section 1. That Section 366 of Title 52 of the Code of Alabama as amended be and is hereby amended to read as follows:

S.366. BENEFITS. (1) (a) Any member who withdraws from service upon or after attainment of age sixty may retire upon written application to the Board of Control setting forth at what time, not less than thirty days nor more than ninety days subsequent to the execution and filing thereof desires to be retired, provided that any such member who became a member on or after October 1, 1963 shall have completed ten or more years of creditable service.

(b) An member who has attained age sixty and has previously withdrawn from service may retire upon written application to the Board of Control setting forth at what time, not less than thirty days nor more than ninety days subsequent to the execution and filing thereof, he desires to be retired, provided that the said member shall have completed at the time for his withdrawal from service, the requirements established by the Board of Control for eligibility for deferred benefits pursuant to Section 364 of this title.

(c) Any teacher in service who has attained age seventy shall be retired, or shall withdraw from service, forthwith, provided that with the approval of his employer, he may remain in service until the end of the then current school year which shall be no later than June 30 following the date on which he attains age seventy.

(d) Any person who is presently covered or is eligible to be covered under the Employees' Retirement System of Alabama or the Teachers' Retirement System of Alabama and who, prior to such coverage or eligibility for coverage, served as head of

any Alabama county's public library service department, shall have credited to him or her one year of creditable service for each year served as such head not to exceed twelve years; provided such person shall pay into the Retirement System the employee's part of the cost or contribution based on the salary paid to such person during the time of his or her service in the above capacity, with such cost or contribution to be calculated at the percent or rate in effect at the time of the passage of this Act.

(2) Upon retirement from service a member shall receive a service retirement allowance which shall consist of:

(a) An annuity which shall be the actuarial equivalent of his accumulated contributions at the time of his retirement; and

(b) a pension which shall be equal to the annuity allowable at age of retirement, but not to exceed an annuity allowable at age sixty-five computed on the basis of contributions made prior to the attainment of age sixty-five; and

(c) if he has a prior service certificate in full force and effect an additional pension which shall be equal to the annuity which would have been provided at age of retirement, but not to exceed an annuity allowable at age sixty-five by twice the contributions which he would have made during the period of prior service with which he is credited, had the system been in operation and had he contributed thereunder. In lieu of a determination of the actual compensation of the members that was received during such prior service, the Board of Control may use for the purposes of this chapter the compensation rates which, if they had progressed with the rates of salary increase shown in the tables as prescribed in Section 367, subsection (13), of this title, would have resulted in the same average salary of the member for the five years immediately preceding the date of establishment as the records show the member actually received; and

(d) the annual service retirement pension payable to a member retiring on or after October 1, 1971 shall not be less than an amount which when added to his annuity is equal to the greater of the following two amounts: (i) one and three-fourths per centum of the member's average final compensation multiplied by the number of years of his creditable service, provided that no member shall receive in excess of (80) eighty per centum of average final compensation except as otherwise provided by the Legislature. Or (ii) if he became a member before October 1, 1971, \$72.00 multiplied by the number of years of his creditable service not in excess of twenty-five years. Notwithstanding those members who retired prior to October

1, 1971 under Service retirement shall receive \$120.00 multiplied by the number of years of his creditable service not in excess of twenty-five years.

(2 $\frac{1}{4}$) Upon the application of a member in service or of his employer, any member who has had ten or more years of creditable service may be retired by the Board of Control on a disability retirement allowance not less than thirty nor more than ninety days next following the date of filing such an application; provided that the Medical Board, after a medical examination of such member, shall certify that such member is mentally or physically incapacitated for further performance of duty, that such incapacity is likely to be permanent, and that such member should be retired.

(2 $\frac{1}{2}$) Upon retirement for disability a member shall receive a service retirement allowance if he has attained age 60, otherwise he shall receive a disability retirement allowance which shall consist of:

(a) an annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement and

(b) a pension which shall be equal to the pension that would have been payable under paragraphs (b) and (c) of Subsection (2) of this Section upon service retirement at age 60 had the member continued in service to said age without change in compensation, reduced by one fourth of one per centum for each month by which his date of retirement precedes his sixtieth birthday to a maximum reduction of twenty-five per centum. The annual disability retirement pension shall not be less than an amount which when added to his annuity is equal to the greater of the following two amounts: (i) one and three-fourths per centum of the member's average final compensation multiplied by the number of years of creditable service reduced by one fourth of one per centum for each month by which his date of retirement precedes his sixtieth birthday to a maximum reduction of twenty-five per centum or (ii) if he became a member before October 1, 1971, \$54.00 multiplied by the number of years of his creditable service not in excess of twenty-five years. Notwithstanding those members who retired prior to October 1, 1971 for disability shall receive \$90.00 multiplied by the number of years of his creditable service not in excess of twenty-five years.

(2 $\frac{3}{4}$) (a) Once each year during the first five years following the retirement of a member on a disability retirement allowance, and once in every three year period thereafter the Board of Control may, and upon his application shall require any disability beneficiary who has not yet attained age sixty to undergo a medical examination, such examina-

tion to be made at the place of residence of such beneficiary or other place mutually agreed upon, by a physician of or designated by the Medical Board. Should any disability beneficiary who has not yet attained age sixty refuse to submit to such medical examination, his pension may be discontinued until his withdrawal of such refusal and should his refusal continue for one year, all his rights in and to his pension may be revoked by the Board of Control.

(b) Should the Medical Board report and certify to the Board of Control that a disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference between his retirement allowance and his average final compensation, and should the Board of Control concur in such report, then the amount of his pension shall be reduced to an amount which, together with his annuity and the amount earnable by him shall equal the amount of his average final compensation. Should his earning capacity be later changed, the amount of his pension may be further modified; provided that the new pension shall not exceed the amount of the pension originally granted, nor an amount which, when added to the amount earnable by the beneficiary together with his annuity, equals the amount of his average final compensation.

(3) (a) Should a member cease to be a teacher except by death or by retirement under the provisions of this chapter, the contributions standing to the credit of his individual account in the annuity savings fund shall be paid to him upon demand, and in addition to such payment there shall be paid five-tenths of the interest accumulations standing to the credit of his individual account if he shall have not less than three but less than sixteen years of membership service, six-tenths of such interest accumulations if he shall have not less than sixteen, but less than twenty-one years of membership service, seven-tenths of such interest accumulations if he shall have not less than twenty-one but less than twenty-six years of membership service and eight-tenths of such interest accumulations if he shall have not less than twenty-six years of membership service.

(b) In case of the death of a member eligible for service retirement pursuant to Subsection (1) of this section, an allowance shall be paid to the surviving spouse in an amount that would have been payable if the member had retired immediately prior to his death and had elected Option 3, as set forth in Subsection (4) of this section; or

(c) In case of the death of a member not eligible for service retirement, after completion of twenty-five years of

creditable service, an allowance shall be paid to the surviving spouse in an amount that would have been payable if the member had retired for disability immediately prior to his death and had elected Option 3, as set forth in Subsection (4) of this section, or if the surviving spouse desires he may choose to receive the accumulated contributions of the member in lieu of the allowance provided under Option 3, plus an amount equal to the accumulated contributions of the member not to exceed \$5,000.00; or

(d) Upon the death of a member on account of whom no survivor allowance is payable under (b) or (c) above the accumulated contributions of the member plus an amount equal to the accumulated contributions not to exceed \$5,000.00 shall be paid to his estate, or to such person as he shall have nominated by written designation duly executed and filed with the Board of Control

(4) With the provision that no election of an option shall be effective until the end of the month following the effective date of retirement, and that should a beneficiary die before his first benefit payment is due at the end of the month following the effective date of retirement, he shall be considered as an active member at the time of death, any member may elect prior to retirement to receive, in lieu of his retirement allowance payable throughout life the actuarial equivalent at that time of his retirement allowance in a reduced retirement allowance payable throughout life with the provision that: Option 1. If he dies before he has received in annuity payments the present value of his annuity as it was at the time of his retirement, the balance shall be paid to his legal representatives or to such person as he shall nominate, by written designation duly acknowledged and filed with the Board of Control; or Option 2. Upon his death, his reduced retirement allowance shall be continued throughout the life of and paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Control at the time of his retirement; or Option 3. Upon his death, one-half of his reduced retirement allowance shall be continued throughout the life of and paid to such person as he shall nominate by written designation duly acknowledged and filed with the Board of Control at the time of his retirement; or Option 4. Some other benefit or benefits shall be paid either to the member or to such person or persons as he shall nominate, provided such other benefit or benefits, together with the reduced retirement allowance, shall be certified by the actuary to be of equivalent actuarial value to his retirement allowance and shall be approved by the Board of Control.

(5) (a) Should any beneficiary be restored to active

service from service retirement, or from disability retirement on or after attainment of age fifty, his retirement allowance shall be suspended until he again withdraws from service, he shall not again become a member, nor shall he make contributions, except that should such beneficiary, who has been restored to active service, continue in service for a period of five or more years from the date of his re-entry into active service, he may request the Board of Control to allow him to again become a member of the Retirement System. The Board of Control may grant the request for restoration to membership provided such beneficiary whose retirement allowance has been suspended repays to the system all monies received by him as benefits during any periods subsequent to the date of his re-entry into active service and provided further that he makes a contribution equal to the amount he would have contributed had he been a member during the period of his restoration to active service on a suspended allowance basis, together with the interest which would have been credited to the contributions on account of such period of restoration up to the date such contribution is made.

(b) Should any beneficiary on disability retirement be restored to active service before reaching age fifty, he shall again become a member of the Retirement System and shall make contributions.

(6) (a) All retirement allowance payments due on or after October 1, 1973 to members who retired prior to October 1, 1971 shall be redetermined as if the provisions of subsection (2) and (2½) of this section which became effective on said date were in effect at the time the member retired, provided that the annual retirement allowance of any member who retired on or before January 1, 1956 shall be not less than \$132.00 multiplied by the number of years of his creditable service not in excess of thirty years, in the case of service retirement, or \$99.00 multiplied by the number of years of creditable service not in excess of thirty years, in the case of disability retirements. Any increase provided in the retirement allowance payment under this subsection (6) for a member who retired under the provisions of any optional benefit elected pursuant to subsection (4) of this section shall accrue only to the retired member, and no person designated to receive any payments after the death of a retired member under the provisions of any such optional benefit shall receive any increase in such payments under this subsection.

(b) Any person who served at least thirty years as a teacher in the public schools of Alabama and was never a member of the system and who, prior to October 1, 1963, was in receipt of a benefit for old age assistance pursuant to sub-

section (1) and (2) of Section 1 of Act 116, approved August 24, 1959 shall be entitled to receive an annual retirement allowance of \$3960.00 from the System, effective as of October 1, 1973.

(c) Prior to October 31, 1973 any beneficiary may elect to leave on deposit with the system all or a specified part of any increase in his monthly retirement allowance payments arising in accordance with paragraph (a) or (b) of this subsection. The portion of each monthly payment left in the system in accordance with such election shall be credited, together with regular interest thereon, to the individual account of such beneficiary. Upon the death of such beneficiary the total amount standing to his credit, including regular interest to the date of death, shall be paid in a lump sum to his legal representative or to such person as he shall have nominated by written designation duly acknowledged and filed with the Board of Control.

Section 2. Appropriation. The board, or any committee thereof, shall be entitled to the services of the state attorney general, in connection with the affairs of the board, or may on approval of the attorney general, employ an attorney to assist or represent it in the enforcement of this act before any court of competent jurisdiction, and it may take the necessary legal steps through the proper legal officers of the state to enforce the provisions of this act and collect the penalties provided herein. Complaints shall be prosecuted in the name of the State Board of Auctioneers.

Section 6. Organization of board officers; rules and regulations; seal-copies of records and papers as evidence.—Within thirty days after this bill becomes law, the Governor shall appoint a State Board of Auctioneers to be comprised of five members, one member to be appointed for a term of one year, one member to be appointed for a term of two years, one member to be appointed for a term of three years, one member to be appointed for a term of four years, one member to be appointed for five years. All subsequent appointments by the Governor shall be for a term of five years, to end on the anniversary date of original appointments, except appointments to fill a vacancy which shall be for the unexpired term only. Each member of the board shall be at least thirty-five years of age and of good moral character. The board shall meet within 30 days of the last appointment and elect one of its members chairman, one member as vice chairman, 1 member as secretary (to serve two years) and such other officers as considered necessary, and may do all things necessary and convenient for carrying into effect the provisions of this act. The board shall have power to make such by-laws, rules and regulations as it shall consider necessary that are not inconsistent with the provisions of this act or other general laws of the state. The board shall adopt a seal for its use, which shall bear thereon the words "State Board of Auctioneers" and the secretary of the board shall have care and custody thereof. Copies of all records and papers in the office of the secretary shall be received in evidence in all courts and with like effect as the originals.

Section 7. Enforcement of act.—The board is hereby authorized and empowered to adopt, fix and establish all rules and regulations necessary for the proper administration and enforcement of this act.

Section 8. Meetings of board.—The board shall meet at

least four times each year, in January, April, July, October for the purpose of transacting such business as may properly come before it. Special meetings of the board shall be held at such times as the board may provide in the by-laws it may adopt. Three members shall constitute a quorum at a board meeting. Due notice of each meeting and the time and place thereof shall be given each member in such manner as the by-laws may provide.

Section 9. Compensation of members of board.—Members of the board shall each receive as full compensation for each day accordingly spent on work made necessary by the provisions of this act, the sum of twenty-five dollars per day, plus subsistence and mileage commensurate with the general law and all regulations pertaining thereto, such per diem allowance for the board not to exceed an aggregate amount of twenty-five hundred dollars for any one calendar year.

Section 10. Record of proceedings and funds.—The secretary of the board shall keep a record of the proceedings of said board. Within sixty days after this law becomes effective, it shall be the duty of the board to select a depository in the same manner and form as now provided by law and deposit all funds received by said board, and all funds thereafter collected shall be so deposited and maintained, and disbursements shall be so made on checks signed by the secretary and countersigned by the chairman. The Governor, in his discretion, shall have the power from time to time to require an audit of the accounts of the board, the same to be made by the State Auditor upon request of the Governor.

Section 11. Applications for licenses; fees.—Any person desiring to enter into the auction business and obtain a license as an auctioneer or apprentice auctioneer shall make written application for such license to the board. Each application shall be accompanied by an examination fee of fifty dollars which shall be collected from each applicant to defray the expenses of the examination. The application shall be submitted on forms prepared and furnished by the board. Each applicant for a license as an auctioneer shall be of the age of 21 years or over, and each applicant for a license as an apprentice auctioneer shall be of the age of 18 years or over and shall be a citizen of the United States. Each applicant for an auctioneers license must have completed a prescribed course of study at an accredited auctioneering school approved by the board and also must serve one year as an apprentice auctioneer under a licensed auctioneer in this state. Must also have been the principal auctioneer in at least five auctions of either real or personal property during this period of time and furnish satisfactory proof of same to the board. His

application must also be accompanied by a recommendation by his employing auctioneer. If the applicant has not completed a course of study at an accredited auctioneering school, then he will be required to serve two years as an apprentice under a licensed auctioneer, plus having been the principal auctioneer in at least ten auctions of real or personal property. Any person who files an application with the board in proper manner shall be entitled to an oral and written examination to determine his qualifications. The board shall require such persons to take and pass a written and oral examination establishing in a manner satisfactory to the board that said applicant has a general knowledge of ethics, reading, writing, spelling, elementary arithmetic, elementary principles of land economics and a general knowledge of the statutes of this state relating to the bulk sales law, auctions, brokerage and the provisions of this act. The examination for an auctioneer's license shall be of a more exacting nature and score than the examination for an apprentice auctioneer. It shall also be the duty of the board through such application and examination to determine whether such applicant is of good repute, trustworthy, honest and competent to transact the business of an auctioneer, or of an apprentice auctioneer, in such a manner as to safeguard the interest of the public. Any person who is a resident of Alabama and who on October 1, 1973, has a privilege license to engage in, and is lawfully engaged in business as an auctioneer and has so been engaged for a period of at least one year prior to October 1, 1973, and has been the principle auctioneer in at least five auctions of either real or personal property during this period of time, and furnishes satisfactory proof of same to the board shall not be required to take an examination, but all such persons shall be entitled to receive a license from the board under the provisions of this act on proper application thereof and payment of the license fee required by this act. Any member or officer of a partnership, association or corporation who is a resident of Alabama on the effective date of this act, is lawfully and actively engaged in the auction business under and by virtue of a privilege license theretofore issued and held by such partnership, association or corporation, shall not be required to take an examination, but all such persons shall be entitled to receive a license from the board under the provisions of this act upon proper application therefor and payment of the license fee required by this act. Such applicants shall file their application proof with the board no later than September 1, 1973 and the application and proof shall be accompanied by a bond and license fee in accordance with the provisions of this act. The license fee for each auctioneer shall be fifty dollars and the license fee for each apprentice auctioneer shall be twenty-five dollars. All licenses shall expire

on September 30 of each year following issuance thereof and may be renewed upon payment of the appropriate license fee as required by this act. Renewal of such license may be effected at any time during the months indicated preceding the date of expiration. No examination shall be required for the renewal of any present or future license, unless such license has been revoked or suspended. If a licensee fails to renew his license by the dead line of each year, he may have his license renewed within 60 days after the expiration date, upon payment of a payment of fifty dollars. If he elects not to pay the penalty and renew his license, he shall be required to submit an application, pay the examination fee, and take the examination required for new licensees. The board shall prepare and deliver to each licensee a license certificate and pocket card. The certificate shall be displayed openly at all times in the office of the licensee. The certificate and the pocket card of the apprentice auctioneer shall contain his name and address as well as that of the auctioneer under whose supervision he is employed. When any auctioneer discharges an apprentice, or terminates his employment with the auctioneer for any reason, it shall be the immediate duty of the auctioneer to deliver or mail by registered mail to the board the license of the apprentice auctioneer. It shall be unlawful for any apprentice auctioneer to perform any of the acts contemplated by this act, either directly or indirectly under authority of his license, until the apprentice auctioneer receives a new license bearing the name and address of his new employer. No more than one license shall be issued to any apprentice auctioneer for the same period of time. Written notice shall be given immediately to the board by each licensee of any change in his mailing address whereupon the board shall issue a new license for the unexpired period. A change of mailing address without notification to the board shall automatically cancel the license previously issued. Changing a mailing address and issuance of a new license shall entitle the board to collect a fee of five dollars. Each prior license shall be returned or accounted for to the board and in every event be canceled before the issuance of the new license. The board may require such other proof as shall be considered desirable with due regard to the paramount interest of the public in the issuance of license. The board shall have the power and authority to make and enforce any and all such reasonable rules and regulations connected with the application for any license as shall be considered necessary to administer and enforce the provisions of this act.

Section 12. Register of applicants for license; roster of auctioneers.—The secretary of the board shall keep a register of all applicants for license, showing for each the date of

application, name, place of business, place of residence, and whether the license was granted or refused.

Section 13. Revocation or suspension of licenses; grounds; procedure.—The board shall have power to revoke or suspend licenses as herein provided. The board may upon its own motion, and shall upon the verified complaint in writing of any person (provided such complaint with the evidence, documentary or otherwise, presented in connection therewith, makes out a *prima facie* case) hold a hearing as hereinafter provided and investigate the actions of any auctioneer or apprentice auctioneer, or any person who shall assume to act in either such capacity. The board shall have the power to suspend or revoke any license issued under the provisions of this act at any time where the licensee has by false or fraudulent representations obtained a license or where the licensee is performing or attempting to perform any of the following: (a) making any substantial misrepresentation; (b) pursuing a continued and flagrant course of misrepresentation or making false promises through agents or advertising or otherwise; (c) accepting valuable consideration as an apprentice auctioneer for the performance of any of the acts specified in this act, from any person, except his employer auctioneer; (d) failing to account for or remit, within a reasonable time, any money belonging to others that comes into his possession, commingling funds of others with his own, or failing to keep such funds of others in an escrow or trustee account; (e) paying valuable consideration to any person for services performed in violation of this act; (f) being convicted in a court of competent jurisdiction of this or any other state of a criminal offense involving moral turpitude or a felony; (g) violation of any rule or regulation promulgated by the board; (h) failure to furnish voluntarily at the time of execution, copies of all written instruments prepared by the auctioneer or apprentice auctioneer; (i) any conduct of any auctioneer which demonstrates bad faith, dishonesty, incompetency or untruthfulness; (j) any conduct of any auctioneer which demonstrates improper, fraudulent or dishonest dealings; (k) failing prior to the sale at public auction to enter into a written contract with the owner or cosignee of any property to be sold containing the terms and conditions upon which such licensee received the property for sale; (l) failure by auctioneer conducting the auction to show his name and state license number in the advertising of such auction or; (m) presenting a worthless check to the board.

Before denying an application for license or before suspending or revoking any license, the board shall in all cases set the matter down for a hearing and shall, at least twenty-one days prior to the date set for such hearing, notify in writ-

ing the accused licensee of the charges made or the question to be determined, including notice of time and place, when and where the charges made or the question to be determined, including notice of time and place, when and where the charges will be heard, and afford such licensee an opportunity to be present and to be heard in person or by counsel, and an opportunity to offer evidence orally, or by affidavit or deposition in reference thereto. Written notice may be served by delivery of the notice personally to the applicant or licensee or by mailing the notice by registered mail to the last known mailing address of such applicant or licensee. In the event such applicant or licensee is an apprentice auctioneer, the board shall also notify the auctioneer employing him, or whose employ he is about to enter, by mailing notice by registered mail to the auctioneers last known address. The hearing on such charges shall be at such time and place as the board shall prescribe.

Section 14. Hearings; procedure; appeal.—The board shall have power to administer oaths and to prescribe all necessary and reasonable rules for the conduct of such a hearing. The board shall have power to subpoena and bring before it any person in this state or take testimony of any such person by deposition, with the same fees and mileage and in the same manner as prescribed by law in judicial procedure of courts of this state in civil cases. Such fees and mileage shall be paid by the party at whose request such witness is subpoenaed. If the board shall determine that the licensee is guilty under the provisions of this act, his license may be suspended or revoked, but in the event of an adverse decision, the accused shall have the right within thirty days to appeal therefrom to the circuit court of the county in which said violation may occur, where he shall be entitled to a trial de novo. The affirmative vote of a majority of the board shall be necessary to revoke or suspend a license. The State Board of Auctioneers is declared to be a quasi-judicial body and the members or its employees thereof are granted immunity from civil liability when acting in good faith and in the performance of their duties as described in this act.

Section 15. Revocation of license resulting from judgment in damage action.—Whenever any person, partnership, association or corporation claiming to have been injured or damaged by the gross negligence, incompetency, fraud, dishonesty or misconduct on the part of any licensee following the calling or engaging in the business herein described shall file suit upon such claim against such licensee in any court of record in this state and shall recover judgment thereon, such court may as part of its judgment or decree, in such case, if it deems it a

proper case in which so to do, revoke the defendant's license, which shall not be reissued to such licensee except upon unanimous vote of all members of the board in favor of such reissuance and only then after the lapse of a period of 90 days from the date of such revocation.

Section 16. License as evidence of rights and privileges; bonds.—The issuance of a license by the board shall be evidence that the person, partnership, association or corporation named therein is entitled to all the rights and privileges of an auctioneer or apprentice auctioneer while said license remains unrevoked or unexpired.

Section 17. Bond required to obtain license.—Each application for an auctioneer's or apprentice auctioneer's license shall be accompanied by a bond in the amount of one thousand dollars. The bond shall be a cash bond or a surety bond and, if the latter, shall be executed by a surety company authorized to do business in this state. The bond shall be made payable to the board and conditioned on the applicant's conducting his business in accordance with the provisions and intent of this act. The bond shall be in a form approved by the board. No license may be issued until such a bond has been filed with the board.

Section 18. Requirements of licensing of nonresidents.—A nonresident of this state may become an auctioneer or apprentice auctioneer in this state by conforming to the provisions of this act, except that if a nonresident auctioneer or apprentice auctioneer has a lawsuit or other legal action filed and pending against him in this or any other state, the board shall not issue a license to him until final disposition of this action, and then only at the discretion of the board. The term "auctioneer and apprentice auctioneer" shall include any individual, firm, company, partnership, association or corporation by whom such "auctioneer or apprentice auctioneer" shall be employed. The board may recognize a license issued by any other state to a nonresident auctioneer or apprentice auctioneer if the other state reciprocates with Alabama in like manner, and if the licensing requirements of such state include the passing of an examination of equal or higher standards than those required by this state. Such nonresident licensee shall, however, be required to secure a license from the board which shall be issued upon application therefor, accompanied by payment of the license fee required by this act and the filing of a certified copy of the applicant's license issued by such other state. Every nonresident applicant shall file an irrevocable consent that suits and actions may be commenced against such applicant in the proper court in the county in this state in which a cause of action may arise, in which the plaintiff may

reside, by service of any process or pleadings authorized by laws of this state on the board, or a deputy to be designated by it, said consent stipulating and agreeing that said service of such process or pleading shall be begun and held in all courts to be as valid and binding as if due service had been made upon said applicant in this state. The consent shall be duly acknowledged, and if made by a corporation, shall be authenticated by the seal of such corporation. In case of any process or pleadings mentioned in this act being served upon the board or upon a deputy to be designated by it, duplicated copies shall be made, one of which shall be filed in the office of the secretary of the board, and the other immediately forwarded by registered mail to the main office of the applicant against which said process or pleadings are directed. No default in said proceedings or action shall be taken unless it shall be made to appear by affidavit of a member of the board, or a deputy designated by it, that a copy of the process or pleadings was mailed to defendant as herein required. Judgment by default shall be taken in any such action or proceedings within twenty days after the date of the mailing of such process or pleadings to the nonresident defendant.

Section 19. Definite mailing address; unlawful to engage in auction business without license.—Each licensee must have a definite mailing address such as “street” name and number or “RFD number.” “P.O. Box” only will not be sufficient. It is unlawful for any person not licensed under the provisions of this act to advertise that he is in the auction business or to do anything to leave any impression upon the public that he is an auctioneer or is so engaged.

Section 20. Actions for the collection of compensation; license required.—No person engaged in the business of or acting in the capacity of an auctioneer or an apprentice auctioneer shall bring or maintain any action in the courts of this state for the collection of compensation for any services performed as an auctioneer or apprentice auctioneer without first alleging and proving that he was a duly licensed auctioneer or apprentice auctioneer at the time the alleged cause of action arose. No apprentice auctioneer shall have the right to institute a suit in his own name for the recovery of a commission, fee or compensation for services as an apprentice auctioneer, but any such action shall be instituted and brought by the licensed auctioneer employing the apprentice auctioneer. Nothing contained herein shall be construed so as to prevent a licensed apprentice auctioneer from suing his employing auctioneer for any compensation, fees or commissions due him from such auctioneer.

Section 21. Effect of revocation of auctioneer's license on the license of apprentice auctioneer's employed by him.—The revocation of an auctioneer's license shall automatically suspend every apprentice auctioneer's license granted to any person by virtue of his employment by the auctioneer whose license has been revoked. The apprentice auctioneer may retain his license by transferring to the employment of another licensed auctioneer within twenty-one days.

Section 22. Violations of provisions; penalty.—Any person violating the provisions of this act shall, upon conviction thereof, be punished by a fine of not less than two hundred dollars and not more than five hundred dollars or by imprisonment for a term not to exceed ninety days, or by both such fine and imprisonment, in the discretion of the court.

Section 23. Privilege license; to replace present privilege license.—Each auctioneer shall pay one state license of fifty dollars and in addition a county license of twenty-five dollars in each county where he sells by auction. No privilege license shall be required for any apprentice auctioneer. Any auctioneer who conducts an auction, without compensation for himself, and where all proceeds from such auction go to the benefit of any group or organization no license shall be required. The term "Auctioneer" shall be deemed to apply to any person selling real estate, goods, wares, merchandise, automobiles or livestock or other things of value at public outcry as herein provided. In the following cases, sales at public outcry may be made for compensation without license: Sales for the estate of a decedent; sales of property conveyed by deed of trust, mortgage, or decree, or ordered to be sold according to the mortgage, decree or order; and all sales under legal process.

Section 24. Permit fee in lieu of licensing fee in other political subdivisions.—No political subdivision of this state shall have the power or authority after the effective date of this act to levy or collect any license tax from, or to require the licensing in any manner of, any auctioneer who has been licensed and bonded under the provisions of this act in lieu of such license tax or license fee heretofore imposed by any political subdivision.

Section 25. Authority to transact business not transferable.—Authority to transact business as an auctioneer under any license issued by the board shall be restricted to the person named in such license and shall not inure to the benefit of any other person. Where an auctioneer's license shall be issued to a corporation or association, authority to transact business thereunder shall be limited to one officer of such corporation or association to be designated in the application

and named in the license. Each other officer of such association or corporation desiring to act as an auctioneer in connection with the business of the said association or corporation, or otherwise, shall be required to make application for and take out a separate license in his own name individually. Where the licensee is a co-partnership, the license issued to such co-partnership shall confer authority to act as auctioneer upon one member of such co-partnership only, who shall be designated in the application and named in the license. All the other members of the co-partnership desiring to act as auctioneers in connection with the business of the partnership, or otherwise shall be required to apply for and take out individual licenses in their own names.

Section 26. All laws or parts of laws which conflict with this act are repealed.

Section 27. The provisions of this act are severable. If any part of the act is declared invalid or unconstitutional, such declaration shall not affect the part which remains.

Section 28. This act shall become effective immediately upon its passage and approval by the Governor, or upon its otherwise becoming a law.

Approved September 5, 1973.
